### When Tito Loved Clara

This critical volume explores S.E. Hinton's classic novel *The Outsiders* through the lens of teen issues. The text discusses a variety of topics, including Hinton's life and influences, whether the novel offers an overly romanticized view of teen life, and whether social bonds are important for economically disadvantaged teens. The book also explores contemporary perspectives on teen issues, such as a look at modern teen class divisions and the relationship between parenting, masculinity, and teen violence.

This "impossible to put down" #1 New York Times bestseller introduces Amos Decker, a gifted police detective with a perfect memory who must solve a mystery he wishes he could forget: his family's murder (Washington Post). Amos Decker's life changed forever--twice. The first time was on the gridiron. A big, towering athlete, he was the only person from his hometown of Burlington ever to play in the NFL. But his career ended before it had a chance to begin. On his very first play, a violent helmet-to-helmet collision knocked him off the field forever, and left him with an improbable side effect--he can forget nothing. The second time was at home nearly two decades later. Now a police detective, Decker returned from a stakeout one evening and entered a nightmare--his wife, young daughter, and brother-in-law had been murdered. His family destroyed, their killer's identity as mysterious as the motive behind the crime, and unable to forget a single detail from that horrible night, Decker finds his world collapsing around him. He leaves the police force, loses his home, and winds up on the street, taking piecemeal jobs as a private investigator when he can. But over a year later, a man turns himself in to the police and confesses to the murders. At the same time a horrific event nearly brings Burlington to its knees, and Decker is called back in to help with this investigation. Decker also seizes his chance to learn what really happened to his family that night. To uncover the stunning truth, he must use his remarkable gifts

and confront the burdens that go along with them. He must endure the memories he would much rather forget. And he may have to make the ultimate sacrifice. Memory Man will stay with you long after the turn of the final page.

NATIONAL BESTSELLER A charmingly relatable and wise memoir-in-essays by acclaimed writer and bookseller Mary Laura Philpott, "the modern day reincarnation of...Nora Ephron, Erma Bombeck, Jean Kerr, and Laurie Colwin—all rolled into one" (The Washington Post), about what happened after she checked off all the boxes on a successful life's to-do list and realized she might need to reinvent the list—and herself. Mary Laura Philpott thought she'd cracked the code: Always be right, and you'll always be happy. But once she'd completed her life's to-do list (job, spouse, house, babies—check!), she found that instead of feeling content and successful, she felt anxious. Lost. Stuck in a daily grind of overflowing calendars, grueling small talk, and sprawling traffic. She'd done everything "right" but still felt all wrong. What's the worse failure, she wondered: smiling and staying the course, or blowing it all up and running away? And are those the only options? Taking on the conflicting pressures of modern adulthood, Philpott provides a "frank and funny look at what happens when, in the midst of a tidy life, there occur impossible-to-ignore tugs toward creativity, meaning, and the possibility of something more" (Southern Living). She offers up her own stories to show that identity crises don't happen just once or only at midlife and reassures us that small, recurring personal re-inventions are both normal and necessary. Most of all, in this "warm embrace of a life lived imperfectly" (Esquire), Philpott shows that when you stop feeling satisfied with your life, you don't have to burn it all down. You can call upon your many selves to figure out who you are, who you're not, and where you belong. Who among us isn't trying to do that? "Be forewarned that you'll laugh out loud and cry, probably in the same essay. Philpott has a wonderful way of finding humor, even in darker moments. This is a book you'll want to buy for yourself and every other woman you know" (Real Simple).

A Good Morning America Book Club Pick and New York Times bestseller! "A page-turner for booklovers everywhere! . . . A story of family ties, their lost dreams, and the redemption that comes from discovering truth."—Adriana Trigiani, bestselling author of *The Shoemaker's Wife* In New York Times bestselling author Fiona Davis's latest historical novel, a series of book thefts roils the iconic New York Public Library, leaving two generations of strong-willed women to pick up the pieces. It's 1913, and on the surface, Laura Lyons couldn't ask for more out of life—her husband is the superintendent of the New York Public Library, allowing their family to live in an apartment within the grand building, and they are blessed with two children. But headstrong, passionate Laura wants more, and when she takes a leap of faith and applies to the Columbia Journalism School, her world is cracked wide open. As her studies take her all over the city, she is drawn to Greenwich Village's new bohemia, where she discovers the Heterodoxy Club—a radical, all-female group in which women are encouraged to loudly share their opinions on suffrage, birth control, and women's rights. Soon, Laura finds herself questioning her traditional role as wife and mother. But when valuable books are stolen back at the library, threatening the home and institution she loves, she's forced to confront her shifting priorities head on . . . and may just lose everything in the process. Eighty years later, in 1993, Sadie Donovan struggles with the legacy of her grandmother, the famous essayist Laura Lyons, especially after she's wrangled her dream job as a curator at the New York Public Library. But the job quickly becomes a nightmare when rare manuscripts, notes, and books for the exhibit Sadie's running begin disappearing from the library's famous Berg Collection. Determined to save both the exhibit and her career, the typically risk-adverse Sadie teams up with a private security expert to uncover the culprit. However, things unexpectedly become personal when the investigation leads Sadie to some unwelcome truths about her own family heritage—truths that shed new light on the biggest tragedy in the library's history.

“Full of Victorian sapphic romance, metafictional horror, biting misandrist humor, Hollywood intrigue, and multiple timeliness—all replete with evocative illustrations that are icing on a deviously delicious cake.” –O, THE OPRAH MAGAZINE “Brimming from start to finish with sly humor and gothic mischief. Brilliant.” — SARAH WATERS Named a Most Anticipated Book by O, The Oprah Magazine • Vulture • Parade • Popsugar • Bustle • GoodReads • Autostraddle • Literary Hub • and more! The award-winning author of *The Miseducation of Cameron Post* makes her adult debut with this highly imaginative and original horror-comedy centered around a cursed New England boarding school for girls—a wickedly whimsical celebration of the art of storytelling, sapphic love, and the rebellious female spirit. Our story begins in 1902, at the Brookhants School for Girls. Flo and Clara, two impressionable students, are obsessed with each other and with a daring young writer named Mary MacLane, the author of a scandalous bestselling memoir. To show their devotion to Mary, the girls establish their own private club and call it the Plain Bad Heroine Society. They meet in secret in a nearby apple orchard, the setting of their wildest happiness and, ultimately, of their macabre deaths. This is where their bodies are later discovered with a copy of Mary’s book splayed beside them, the victims of a swarm of stinging, angry yellow jackets. Less than five years later, the Brookhants School for Girls closes its doors forever—but not before three more people mysteriously die on the property, each in a most troubling way. Over a century later, the now abandoned and crumbling Brookhants is back in the news when wunderkind writer Merritt Emmons publishes a breakout book celebrating the queer, feminist history surrounding the “haunted and cursed” Gilded Age institution. Her bestselling book inspires a controversial horror film adaptation starring celebrity actor and lesbian it girl Harper Harper playing the ill-fated heroine Flo, opposite B-list actress and former child star Audrey Wells as Clara. But as Brookhants opens its gates once again, and our three modern heroines arrive on set to begin filming, past and present become grimly entangled—or perhaps just grimly exploited—and soon it’s impossible to tell where the curse leaves off and Hollywood begins. A story within a story within a story and featuring black-and-white period-inspired illustrations, *Plain Bad Heroines* is a devilishly haunting, modern masterwork of metafiction that manages to combine the ghostly sensibility of Sarah Waters with the dark imagination of Marisha Pessl and the sharp humor and incisive social commentary of Curtis Sittenfeld into one laugh-out-loud funny, spellbinding, and wonderfully luxuriant read.
