There comes a time in each mans life when he will stand before another, and give an accounting. It is a moment of inventory, reconciliation and reflection, an

opportunity to acknowledge, and perhaps a time to ask for forgiveness. That time has come for Monroe. His hard life stares back at him in an unflinching mirror of pain, despair, success, failure, and flashes of unbridled joy. He confesses with candid detail a journey of confusion, fear, and unanticipated courage. from the counter-culture commune of California to the war-torn peril and horror of third world conflict, Monroe strives to recall the passages of a lost soul, a warrior, a lover, a devoted father, and a loyal friend. He is a young man frightened by love, and challenged with heartbreak and loneliness on his cross-country quest to discover himself. He is a grown man torn by the moral dilemmas presented between impulse and action, between fierceness and gentle peace. He is the intuitive combatant struggling to balance patriotism and duty, arrogance and humility. ### **One Night with Morelli**

Whether they know it or not, every Christian is in full-time ministry at home, at school, at recreation, and at work. Colossians 4:5-6 says "Walk in wisdom toward those who are outside, redeeming the time, Let your speech always be with grace, seasoned with salt, that you may know how you ought to answer each one" (NKJV). Continuing his popular Show Me How series, expert evangelist R. Larry Moyer has written a practical guide for sharing Christ in the workplace. Step by step, Moyer shows what it really means to pray, live, and speak as God directs. He then outlines how to apply each at work and shows how to take advantage of public speaking opportunities that Christians may not even know are available to them. Whether they are turning workplace conversations to spiritual matters, answering questions of unbelieving co-workers, or just performing their jobs as a representative of Christ, readers will be encouraged and equipped to present the gospel with clarity and simplicity. Written to encourage those in the workplace to see their jobs as their calling, How to Share Christ in the Workplace offers practical help and inspiration to influence non-Christians for Christ.

While still in his 20s, the author discovered the Chocolate Hills in Intramuros, the antique and hispanic walled-in city in Manila, Philippines, where heady events have been taking place for many years. He would find solace and tacit support from many others who also went there. The Walls, as this place is collectively designated, has mutely witnessed the course of historical events since their erection that started over 4 centuries ago, which include the destruction of large sections of the walled-in city by American and Japanese forces at the close of World War II, and those numerous deaths of unnamed civilians. And the author would be drawn to and witnessed being with many men similar to him who would take action on customarily unacceptable desires in their hearts, the passionate ideas on intimacy in their minds, and what their bodies are capable of doing in the very open area in and around the Walls.
