Captain Quirk

In the early months of 1966, a handsome, hardworking thirty-five-year-old Canadian-born actor named William Shatner was cast as Captain Kirk in Star Trek, a troubled, low-budget science-fiction television series set to premiere that fall on NBC. Star Trek struggled for viewers and lasted only three seasons, but it found a huge, rabidly dedicated audience when it premiered in syndication following its cancellation—turning Shatner into a pop-culture icon and launching him on a career path he never could have imagined after graduating from McGill University with an economics degree twenty years earlier. As he approaches his ninetieth year, he's still working at a furious pace as a man of boundless contradictions: by turns one of the most dissected, disliked, revered, respected, mocked, imitated, and beloved stars in the show business firmament. Shatner takes a comprehensive look at this singular performer, using archival sources and information culled from interviews with friends and colleagues to transport readers through William Shatner's remarkably bumpy career: his spectacular failures and triumphs; tragedies, including the shocking death of his third wife, Nerine; and, ultimately, the resilience Shatner has shown, time and again, in the face of overwhelming odds. Author Michael Seth Starr unravels the mystery of William Shatner, stripping away the many myths associated with his personal life and his relationships with fellow actors, presenting a no-holds-barred, unvarnished look at the unique career of an inimitable performer.

The Ashes of Eden

The first African-American woman to have a major, continuing television role tells the inside story of "Star Trek" and its creator--her onetime lover and lifelong friend--and her struggle to overcome racism and bias against women

Star Trek: Preserver

Continuing the milestone 50th anniversary celebration of Star Trek—a brand-new novel of The Original Series featuring James T. Kirk, Spock, and the crew of the USS Enterprise! Investigating a series of violent raids by a mysterious predatory species, Captain James T. Kirk discovers that these events share a startling connection with the First Federation, a friendly but secretive civilization contacted early in the USS Enterprise's five-year mission. Traveling to the First Federation in search of answers, the Enterprise suddenly comes under attack from these strange marauders. Seeking refuge, the starship finds its way to the true home of the First Federation, an astonishing collection of worlds hidden from the galaxy beyond. The inhabitants of this isolated realm are wary of outsiders, and some accuse Kirk and his crew for bringing the wrath of their ancient enemy down upon them. When an attempt to stave off disaster goes tragically wrong, Kirk is held fully accountable, and Commander Spock learns there are even deeper forces that threaten this civilization. If Kirk and Spock cannot convince the First Federation's leaders to overcome their fears, the resulting catastrophe could doom them all!

Shatner

Following his reluctant retirement, Captain James Kirk is offered an irresistible adventure by a mysterious young woman that will force Kirk to confront the fragile peace between the Federation and the Klingons

The Nitpicker's Guide for Classic Trekkers

Retired and happily in love, Kirk believes his adventuring days are over. But as he returns to Earth for the first time since his apparent "death" upon the Enterprise-B, events elsewhere in the galaxy set in motion a mystery that may provide Kirk with his greatest challenge yet. The Enterprise-E, under the command of Captain Jean-Luc Picard, is exploring an unstable region of space on a scientific mission of vital concern to Starfleet when they discover the last thing they ever expected to find: a lonely, battle-scarred vessel that is instantly recognizable to every member of Picard's crew. Five years after being lost with all hands in the Delta Quadrant, the Starship Voyager has come home! The commander of Voyager, one Tom Paris, explains that Captain Kathryn Janeway and half of the original crew is dead, but if that is true, who is the mysterious woman who has kidnapped Kirk back on Earth, pleading with him to assist her against a threat to the entire Federation? All is not as it seems, and soon Kirk is forced to confront the hideous consequences of actions taken more than a hundred years prior, as well as his own inner doubts. After years of quiet and isolation, does he still have what it takes to put things right-and join with Captain Picard to save the lives of everyone aboard a brand-new Enterprise? An unforgettable saga peopled by old friends and ancient enemies, Star Trek: Spectre propels Kirk on a journey of self-discovery every bit as harrowing as the cataclysmic new adventure that awaits him.

I Am Spock

Over five decades, Star Trek's celebration of mankind's technical achievements and positive view of the future have earned it an enduring place in our global culture. Its scientific vision has also had a profound effect on the past thirty years of technological breakthroughs. Join William Shatner, the original captain of the Starship Enterprise, as he reveals how Star Trek has influenced and inspired some of our greatest scientific minds -- the people behind the future we will all share. In interviews with dozens of scientists we learn about the inventions that will revolutionise our lives and the discoveries that will make it truly possible to explore the last great frontier -- space. As one Nobel Laureate commented on being shown a wood and plastic model of the engine core from a Star Trek: The Next Generation starship: "I'm working on that." From the technicalities of warp speed to real-life replicators to the likelihood of our being able to beam across continents, this always-informative book takes us on a fascinating and eye-opening voyage to the realms of the possible and probable.

Star Trek: The Academy--Collision Course

In Star Trek Memories William Shatner takes the reader behind the scenes through seventy-nine episodes of Star Trek. He explores the backstage anecdotes, personal rivalries and network politics that were carefully hidden behind the camera.

Live Long And . . .

The past comes back to haunt Captain Jean-Luc Picard in this brand new thriller set in the universe of Star Trek: The Next Generation. Section 31, the covert organization which has operated without accountability in the shadows for more than two centuries, has been exposed. Throughout the Federation, the rogue group's agents and leaders are being taken into custody as the sheer scope of its misdeeds comes to light. Now Starfleet Command must decide the consequences for numerous officers caught up in the scandal—including Admirals William Ross, Edward Jellico, Alynna Nechayev, and Captain Jean-Luc Picard who, along with many others, are implicated in the forced removal of a Federation president. Meanwhile, deep in the distant, unexplored region of space known as the Odyssean Pass, Picard and the crew of the Starship Enterprise must put aside personal feelings and political concerns as they investigate a massive mysterious spacecraft. Adrift for centuries in the void, the ship is vital to the survival of an endangered civilization which has spent generations searching for a world to sustain what remains of its people. Complicating matters is a band of marauders who have their own designs on the ancient ship, with only the Enterprise standing in their way.

Avenger

With his fiancée about to testify against the Teklord drug cartels, PI Jack Cardigan is lured to Brazil in a deadly scheme that could spark a new TekWar. A man in Berlin has just learned something that could save Jake Cardigan's life. But before he can pass on this vital information, he dies under suspicious circumstances—setting off a chain reaction that will change Cardigan's life forever, threatening to destroy every person he loves. Cardigan's fiancée, Beth, goes to Berlin to testify against the ruthless drug cartel controlled by Sonny Hokori and the Teklords. Cardigan plans to be there to protect her against the nefarious assassins of the Teklords, but an urgent case calls him to Rio. By the time he realizes the Brazilian case is no more than a set-up to take him away from Beth, it may be too late to save her—and prevent a new round of TekWars from engulfing the earth. This ebook features an illustrated biography of William Shatner including rare images and never-before-seen documents from the author's personal collection.

The Autobiography of James T. Kirk

In the Mirror Universe the tyrannical Emperor Tiberius, once captain of the ISS Enterprise, had great success turning captured alien weaponry to his advantage. Until, that is, his failure to seize the tantalising advances of the ancient First Federation. Now, in the more peaceful universe of the United Federation of Planets, Tiberius sees his second chance. And a new ally will help him take it - his alter ego for whom he has nothing but contempt - Starfleet Captain James T. Kirk. Honorable, idealistic and decent, James T. Kirk is many things Tiberius is not. But he is also a man deeply in love with his wife - and Teilani is dying. To save her life, Kirk is prepared to compromise his ideals and enter into his most dangerous alliance yet. Battling Captain Jean-Luc Picard and a new generation of Starfleet heroes, Kirk must guide Tiberius to a long-abandoned First Federation base which conceals a power so great it will enable Tiberius to conquer the mirror universe - and his own. But on that journey Kirk uncovers long-hidden secrets that raise the stakes far beyond the mere survival of family and friends. At the heart of their quest, something else is waiting: an object from a civilisation whose technology is far more advanced than any Kirk or Tiberius could hope to acquire, placed there for Kirk's eyes only by mysterious aliens who appear to have influenced life within the galaxy over eons of time - a message from the Preservers

Star Trek: Captain's Glory

Offers a behind-the-scenes look at the popular science fiction television series, looks at the sets, props, and special effects, and explains how the show was created

Shatner

Star Trek legend and veteran author William Shatner discusses the meaning of life, finding value in work, and living well whatever your age. "I have always felt," William Shatner says early in his newest memoir, that "like the great comedian George Burns, who lived to 100, I couldn't die as long as I was booked." And Shatner is always booked. Still, a brief health scare in 2016 forced him to take stock. After mulling over the lessons he's learned, the places he's been, and all the miracles and strange occurrences he's witnessed over the course of an enduring career in Hollywood and on the stage, he arrived at one simple rule for living a long and good life: don't die. It's the only one-size-fits-all advice, Shatner argues in *Live Long and...: What I Learned Along the Way*, because everyone has a unique life—but, to help us all out, he's more than willing to share stories from his unique life. With a combination of pithy humor and thoughtful vulnerability, Shatner lays out his journey from childhood to peak stardom and all the bumps in the road. (Sometimes the literal road, as in the case of his 2,400-mile motorcycle trip across the country with a bike that didn't function.) William Shatner is one of our most beloved entertainers, and he intends never to stop entertaining. His funny, provocative, and poignant reflections offer an unforgettable read about a remarkable man.

Get a Life!

After almost sixty years as an actor, William Shatner has become one of the most beloved entertainers in the world. And it seems as if Shatner is everywhere. In *Up Till Now*, Shatner sits down with readers and offers the remarkable, full story of his life and explains how he got to be, well, everywhere. It was the original Star Trek series, and later its films, that made Shatner instantly recognizable, called by name—or at least by Captain Kirk's name—across the globe. But Shatner neither began nor has ended his career with that role. From the very start, he took his skills as an actor and put them to use wherever he could. He straddled the classic world of the theater and the new world of television, whether stepping in for Christopher Plummer in Shakespeare's *Henry V* or staring at "something on the wing" in a classic episode of *The Twilight Zone*. And since then, he's gone on to star in numerous successful shows, such as *T.J. Hooker*, *Rescue 911*, and *Boston Legal*. William Shatner has always been willing to take risks for his art. What other actor would star in history's first—and probably only—all-Esperanto-language film? Who else would share the screen with thousands of tarantulas, release an album called *Has Been*, or film a racially incendiary film in the Deep South during the height of the civil rights era? And who else would willingly paramotor into a field of waiting fans armed with paintball guns, all waiting for a chance to stun Captain, Shatner? In this touching and very funny autobiography, William Shatner's *Up Till Now* reveals the man behind these unforgettable moments, and how he's become the worldwide star and experienced actor he is today. "It is now Bill Shatner's universe—we just live in it."—*New York Daily News*

Star Trek Movie Memories

In a candid look at the world of "Star Trek" fans, the author pays tribute to the enthusiasm, good humor, and love that he has encountered at "Star Trek" conventions, drawing on interviews with fans, dealers, fellow cast members, and promoters to examinet

Captain's Log

First time in trade paperback: the memoir by the late Leonard Nimoy, best remembered for his portrayal as everyone's favorite Vulcan, Spock, in Star Trek, the TV series and films. Leonard Nimoy's portrayal of the ever-logical Vulcan, Mr. Spock, is one of the most recognizable, loved, and pervasive characterizations in popular culture. He had been closer to the phenomenon of Star Trek than anyone, having played the pivotal role of Spock in the original series, in six motion pictures, and in a special two-part episode of Star Trek: The Next Generation. I AM SPOCK gives us Nimoy's unique perspective on the beginnings of the Star Trek phenomenon, on his relationship with his costars, and particularly on the reaction of the pointed-eared alien that Nimoy knew best. Here, Nimoy shared the true story behind his perceived reticence to re-create the role and wrote frankly about how his portrayal defined an icon.

TekLords

Six feature films, the wildly successful television spin-off Star Trek: The Next Generation, endless reruns, videotapes, conventions, a line of best-selling novels, and William Shatner's New York Times best-seller Star Trek Memories have kept the Star Trek spirit alive and well, even 25 years after its cancellation. Now this must-have book for all Trekkers -- which covers every episode of the original series, the pilot, and all six movies -- reveals all the bloopers, continuity errors, plot oversights, equipment malfunctions, and goof-ups that discerning, die-hard fans love to spot, but may have missed. Written especially for all those who find themselves thinking, "Hey, if the transporter is broken, why don't they just use a shuttlecraft?", this nitpicky volume includes Kirk's toupee watch; an examination of the logic of the miniskirted female crew members; number of times Kirk violated the Prime Directive and lots of trivia questions, fun facts, quizzes, and more. Live long and nitpick.

Inside Star Trek

PI Jake Cardigan is on the run from a mysterious assassin in this sci-fi thriller from the iconic Star Trek actor and New York

Times–bestselling author. Jake Cardigan has just returned from Mexico, where he fell in love, nearly died, and broke up the infamous Hokori cartel. But the drug kingpins whose fortunes rest on pushing Tek are still trying to do away with this devilish private eye. During a routine trip to the mall, a well-dressed man tries to stab Cardigan through the heart. After a quick scuffle, the would-be assassin is dead on the floor, and Cardigan is the one who winds up in handcuffs. The dead man was an executive at a hydroponics company—an ordinary worker drone with no apparent reason to kill the detective. An evil mastermind has learned how to make innocent civilians obey his commands, and he will sacrifice an army of zombie assassins if it means getting a clean shot at Cardigan. To stay alive, and out of jail, Cardigan will have to learn to steer clear of the mindless killers of Greater Los Angeles. This ebook features an illustrated biography of William Shatner including rare images and never-before-seen documents from the author’s personal collection.

Captain's Peril

A history of the classic television series describes the 1964 collaboration of the authors and Gene Roddenberry and chronicles the personalities, production methods, and special effects that resulted in the show's phenomenal legacy

Star Trek Captains

New York Times Bestseller Leonard Nimoy and William Shatner first crossed paths as actors on the set of The Man from U.N.C.L.E. Little did they know that their next roles as Spock and Captain Kirk, in a new science fiction television series, would shape their lives in ways no one could have anticipated. In seventy-nine television episodes of Star Trek and six feature films, they grew to know each other more than most friends could ever imagine. Over the course of half a century, Shatner and Nimoy saw each other through personal and professional highs and lows. In this powerfully emotional book, Shatner tells the story of a man who was his friend for five decades, recounting anecdotes and untold stories of their lives on and off set, as well as gathering stories from others who knew Nimoy well, to present a full picture of a rich life. As much a biography of Nimoy as a story of their friendship, Leonard is a uniquely heartfelt book written by one legendary actor in celebration of another.

The Longest Trek

After narrowly averting a Reman and Romulan civil war, Captain James T. Kirk is determined to finally raise his son, Joseph, while investigating Spock's death, until Admiral Janeway requests Kirk's help to stop a new threat to the Federation.

Make It So: Leadership Lessons from Star Trek: The Next Generation

Shatner Rules

The actor who brought to life Star Trek's engineering officer Montgomery Scott discusses his army service during World War II, his career, and relationships with his co-stars

Dark Victory

In a follow-up to *The Return*, Captain Kirk embarks on a desperate quest to find the source of a mysterious virus that may decimate the Federation. Reprint.

Leonard

The Romulan Empire is in disarray after the destructive leadership of the Reman Shinzon, and Ambassador Spock launches a bold attempt to reunify the Romulans with their distant forbears, the Vulcans. But when Spock is publicly assassinated at a Romulan peace rally, Starfleet and the Federation are unable to search for the criminals responsible without triggering an intergalactic war. Thus it falls to James T. Kirk to investigate the death of his beloved friend. Given covert assistance by Captains Jean-Luc Picard on the newly-refitted *Enterprise* and Will Riker on the *Argo*, Kirk travels to Romulus as a civilian, accompanied by his eight-year-old son Joseph and the cantankerous Dr McCoy. There he discovers an alluring enemy from his past and discovers that Spock's apparent murder hides a deeper mystery, one that reaches back in time to the very origins of life on Earth. Trapped on a deadly, alien world on the eve of a civil war that could plunge the galaxy into a civilization-ending conflict, Kirk's investigation brings him at last to a hidden Reman fortress. There he uncovers the true threat facing the Romulans, and learns that for peace to prevail he must sacrifice his son, whose blood holds a staggering secret

Beyond Uhura

Beam Me Up, Scotty

You love William Shatner. You admire his many and varied talents. You appreciate his creativity and willingness to take risks. You want to learn his master negotiation techniques. You wish you could hang out with him. Admit it. You want to BE

William Shatner. And now you can (almost). To be Shatner, you must follow the rules included in this lively, entertaining, and thought-provoking volume. This collection of rules and fun facts, illustrated with stories from Bill's illustrious life and career, will show you how Bill became WILLIAM SHATNER, larger than life and bigger than any role he ever played. Shatner Rules is your guide to becoming William Shatner. Or more accurately, beautifully Shatneresque. Because let's face it Shatner does rule, doesn't he?

Spectre

The fast-changing business world of today is far different from just a few years ago. Success in today's marketplace requires new leadership techniques, new thinking, and an eye on the future In *Make It So: Leadership Lessons from Star Trek: The Next Generation®*, Wess Roberts and coauthor Bill Ross take their inspiration from today's most striking and most popular vision of the future -- Star Trek -- an unprecedented television, feature film and publishing phenomenon. From the top-rated television series *Star Trek: The Next Generation*, Roberts and Ross find a new symbol for successful leadership: Captain Jean-Luc Picard. As entertaining as it is useful, *Make It So* captures the mythos of *Star Trek: The Next Generation* as it delivers dramatically rich lessons on leadership, including the importance of the ability to focus on a single "mission," effective communication, teamwork, honor . . . and other important concepts. The examples are taken from the on-screen adventures of Captain Picard and the *Starship Enterprise™*, but the lessons and the benefits are real -- and can be applied to everyday situations where the goal is the kind of high-performance organization embodied by the crew of the *U.S.S. Enterprise™ 1701-D*. Sure to appeal to Star Trek enthusiasts and serious students of leadership alike, *Make It So* is the most exciting business book on the shelves -- the one book that shows the future of modern leadership while giving managers the tools they need for success today!

Spirit of the Horse

If you think you know how it all began, think again Young Jim Kirk wants nothing to do with Starfleet, and never wants to leave Earth. In the summer of 2249, he's a headstrong seventeen-year-old barely scraping by in San Francisco, haunted by horrific memories from his past. In the same city, a nineteen-year-old alien named Spock is determined to rise above the emotional turmoil of his mixed-species heritage. He's determined to show his parents he has what it takes to be Vulcan -- even if it means exposing a mysterious conspiracy at the heart of the Vulcan Embassy, stretching to the farthest reaches of the Federation's borders. There, a chilling new threat has arisen to test the Federation's deepest held belief that war is a thing of the past and that a secure future can be forged through peaceful means alone. But it is in San Francisco, home to Starfleet Academy, where that threat will be met by two troubled teenage boys driven to solve the mystery that links them both. In time, the universe will come to know these young rebels as Captain James T. Kirk and Mr. Spocktwo of the

Federation's greatest heroes. Yet before they were heroes, they were simply conflicted teenagers, filled with raw ambition and talent, not yet seasoned by wisdom and experience, searching for their own unique directions in life -- a destiny they'll discover on one fateful night in San Francisco, when two lives collide, and two legends are born. Star Trek: Academy -- Collision Course sets the stage for an exciting new era of Star Trek adventure, and for the first time reveals Kirk and Spock as they were, and how they began their journey to become the Kirk and Spock we know today.

The Making of Star Trek

Journeying to the gravesite of James Kirk, a mourning Spock is alarmed when he learns that the Borg have brought Kirk back to life for the purpose of hunting down and killing Jean-Luc Picard. Reprint.

I'm Working On That

The Autobiography of James T. Kirk chronicles the greatest Starfleet captain's life (2233–2371), in his own words. From his birth on the U.S.S. Kelvin, his youth spent on Tarsus IV, his time in the Starfleet Academy, his meteoric raise through the ranks of Starfleet, and his illustrious career at the helm of the Enterprise, this in-world memoir uncovers Captain Kirk in a way Star Trek fans have never seen. Kirk's singular voice rings throughout the text, giving insight into his convictions, his bravery, and his commitment to the life—in all forms—throughout this Galaxy and beyond. Excerpts from his personal correspondence, captain's logs, and more give Kirk's personal narrative further depth.

Tek Vengeance

The Mirror Universe is a dark and twisted reflection of our own, where all that is noble and compassionate is instead cruel and barbaric. Now our universe has been invaded by that other reality's most feared tyrant: the dreaded Emperor Tiberius, the Mirror Universe counterpart of James T. Kirk. Just as Kirk survived his own era to live into the 24th century, so has Tiberius returned from the past to menace a new generation of Starfleet heroes. And only Kirk can stop him. With Spock, McCoy, and Spotty at his side, and teamed Jean-Luc Picard and the valiant crew of the U.S.S. Enterprise™ NCC-1701-E, Kirk is propelled into his most personal and dangerous mission yet as he fights to uncover the secret of Tiberius' return and learn the terrible truth behind the madman's nightmarish plans for the Federation. But how can he defeat an enemy who knows Kirk's mind as well as he knows his own?

Star Trek Memories

Presents a brief biography and extensive listing of the actor's performances, including those in plays, television and radio programs, and films

Up Till Now

An unauthorized biography of William Shatner details his early acting career, his stormy relationships with fellow "Star Trek" cast members, his own encounter with extraterrestrials, and his personal life

William Shatner

"From his first time riding at age ten, William Shatner has felt a deep love for horses. Whether riding them, communicating with them, or simply appreciating their beauty, he has been enthralled by horses ever since he was a child. And for decades, he has sought to bring that joy to others--children, veterans, and those with disabilities, among others--through his annual Hollywood Charity Horse Show. In this book, Shatner speaks from the heart about the effect horses have had on his life, and on the lives of others. Drawing not just from his own decades of experience but also from a wealth of classic horse stories, this book captures the unique connection between humans and horses"--

Captain's Blood

The Dominion War is over. The Federation is at peace. What better time for two legendary starship captains to set aside the demands of duty and simply take some well-deserved time off. But when James T. Kirk and Jean-Luc Picard arrive on Bajor to dive among the ruins of an ancient sunken city, they find themselves in far from relaxing circumstances. The small group of scientists the captains have joined suddenly discover their equipment sabotaged -- isolating them from Deep Space Nine and from any hope of rescue -- as a murderer stalks them, one by one. Cut off from the people and the technology on which they have always depended, Kirk and Picard must rely more than ever on their own skills and resources -- as well as on their growing friendship -- to solve the mysterious killings and, at the same time, save one of Bajor's greatest living treasures. With time running out and Picard missing after a diving disaster, Kirk must search his memories of the past for the solution, plunging him into a harrowing personal journey that reveals the beginning of his path from young Starfleet officer to legendary galactic hero. From the shores of Bajor's Inland Sea to the welcoming arms of a seductive and deadly alien commander intent on making Kirk her own, *The Captain's Peril* is Captain Kirk's most personal, and his most extreme, adventure yet.

The Return

Best known as Mr. Sulu, helmsman of the Starship Enterprise™ and captain of the Starship Excelsior, George Takei is beloved by millions as part of the command team that has taken audiences to new vistas of adventure in Star Trek®—the unprecedented television and feature film phenomenon. From the program's birth in the changing world of the 1960s and death at the hands of the network to its rebirth in the hearts and minds of loyal fans, the Star Trek story has blazed its own path into our recent cultural history, leading to a series of blockbuster feature films and three new versions of Star Trek for television. The Star Trek story is one of boundless hope and crushing disappointment, wrenching rivalries and incredible achievements. It is also the story of how, after nearly thirty years, the cast of characters from a unique but poorly rated television show have come to be known to millions of Americans and people around the world as family. For George Takei, the Star Trek adventure is intertwined with his personal odyssey through adversity in which four-year-old George and his family were forced by the United States government into internment camps during World War II. Star Trek means much more to George Takei than an extraordinary career that has spanned thirty years. For an American whose ideals faced such a severe test, Star Trek represents a shining embodiment of the American Dream—the promise of an optimistic future in which people from all over the world contribute to a common destiny.

To The Stars

Captain Kirk is helpless to prevent his evil twin from capturing him, but the reappearance of the long-dormant "Preservers" will threaten the entire galaxy, unless he can prevent them. Reprint.

The Face of the Unknown

The author traces her career in television and motion pictures, and describes her struggle against alcoholism
