Perfect

They say that opposites attract. But what happens when one of them has been devastated by betrayal and the other is so damaged and jaded that his heart is made of stone? In New York Times bestselling author Lisa Kleypas's *Dream Lake*, readers will enter the world of Friday Harbor, an enchanting town in the Pacific Northwest where things are not quite as they seem and where true love might just have a ghost of a chance. Alex Nolan is about as bitter and cynical as they come. One of three Nolan brothers who call Friday Harbor home, he's nothing like Sam or Mark. They actually believe in love; they think the risk of pain is worth the chance of happiness. But Alex battles his demons with the help of a whiskey bottle, and he lives in his own private hell. And then, a ghost shows up. Only Alex can see him.

Has Alex finally crossed over the threshold to insanity? Zoë Hoffman is as gentle and romantic as they come. When she meets the startlingly gorgeous Alex Nolan, all her instincts tell her to run. Even Alex tells her to run. But something in him calls to Zoë, and she forces him to take a look at his life with a clear eye and to open his mind to the possibility that love isn't for the foolish. The ghost has been existing in the half-light of this world for decades. He doesn't know who he is, or why he is stuck in the Nolans' Victorian house. All he knows is that he loved a girl once. And Alex and Zoë hold the key to unlocking a mystery that keeps him trapped here. Zoë and Alex are oil and water, fire and ice, sunshine and shadow. But sometimes it takes only a glimmer of light to chase away the dark, and sometimes love can reach beyond time, space, and reason to take hold of hearts that yearn for it

Friday Harbor Series Books 1-4

After eighteen-year-old Darla Hawkins is caught shoplifting, she is sentenced to spend six months in the custody of former marine colonel Mike Beckwith, who will act as her daddy and disciplinarian during that time. Mike is more than ready to be as firm as necessary, and when Darla doesn't obey him promptly during their first meeting he wastes no time in baring her bottom, pulling her over his knee, and spanking her until she's a very sorry little girl. Darla quickly discovers that a spanking is far from the most humiliating punishment Mike is prepared to employ

when she fails to do as she is told, and before long she has lost the privilege of wearing big girl panties. Her daddy putting her in diapers is more embarrassing than anything she has ever imagined, yet to her shame it also leaves her intensely aroused. Her shame only increases when Mike decides that some very special training is required to deal with her repeated disobedience, and she soon learns that even her most intimate places belong to her daddy. Though his disciplinary techniques frequently leave her with blushing cheeks and a sore bottom, Mike's caring guidance and loving attention help Darla blossom in a way she never could have before, and she grows closer to him with each passing day. But will she be left on her own when her sentence is completed, or will her daddy find a way to keep his little girl at his side forever? Publisher's Note: Assigned a Daddy is an erotic novel that includes spankings, sexual scenes, age play, anal play, elements of medical play, elements of BDSM, and more. If such material offends you, please don't buy this book.
