N. W. Ayer & Son's American Newspaper Annual

Salty is a divine Cajun boy created from the salt of the earth. While dwelling deep in the caverns of the ancient salt domes in the swamps of Louisiana, he enjoys cooking and caring for all his critters. But one day when burly salt miners arrive, Salty's ordinary world suddenly changes forever. After the salt miners accidentally crush Salty into a witty, gritty pile of granules and hastily pour him into a saltshaker, his strong spirit is somehow spared. As he embarks on an adventurous and uplifting journey to become whole again, Salty travels to the lively French Quarter Market. When he is purchased by a cranky chef, Salty must now come up with creative ways to stay strong in the shaker while he endures his ordeal. In this entertaining story, after a mystical Cajun boy created from salt is accidentally crushed and poured into a saltshaker, he must begin a journey to become whole again.

From the critically acclaimed author of The Young Wives Club, a "heartwarming

story about friendship, heartache, and self-discovery” (Karen White, New York Times bestselling author), comes a charming novel reminiscent of the works of Mary Alice Monroe and Kristy Woodson Harvey, about three sisters who win a huge lottery prize and learn what it truly means to be lucky. Lexi, Callie, and Hanna Breaux grew up in small-town Louisiana, and have always struggled to make ends meet. For years, they’ve been playing the lottery, fantasizing about how much better life would be if they had the money. For Lexi, it means the perfect wedding; for Callie, it means having the courage to go after her career dreams; and for Hanna, it means buying a house that isn’t falling apart and sending her bullied son to private school. When the incredible happens and the Breaux sisters hit it big—\$204 million dollars big—all their dreams come true. Or so they think. Because it’s actually not a cliché—money isn’t the answer to everything, and it often comes with problems of its own. Heartfelt, engaging, and featuring characters you’ll root for from the first moment you meet them, Louisiana Lucky is a satisfying page-turner from a rising star in women’s fiction.
