family, especially in relation to the fulfilment of Gods purpose on the earth. It further reveals that the family is a strong, powerful, and influential tool with the potential to accomplish great things and bring change. While many countries are singularly focused on economic development to bring about change, the family has been neglected without the realization that breaking down this institution will ultimately lead to the destruction of a nation. Family, the First Line of Government deals with issues that many discussing them from this angle shy away from, and this book helps us to understand that no nation can fully rise unless the family is whole.

My original unedited suppressed prophetic manuscript entitled: What to Expect for 2015 and Beyond concerns you as it constitutes your warning from God about your future. For God always gives a warning before He sends judgment. My written prophecy is NOT 'politically correct' and will certainly disappoint and offend many, as true prophecy always does. Nor is it just a spiritual esoteric eschatology but it includes the hidden issues of the day that God wants known, since they have caused America to sin more. For several months, prior to publication, some people were asking that we should write this book and that it be entitled, "The Message Of The Cross". • I believed then and now that their request was from the Lord. Consequently, this book is the result of that need. • This Message, "The Message Of The Cross" is the single most important Message of the Word in any language. The Salvation of the soul and how we live for God is important beyond comprehension. • I feel every Believer will be greatly strengthened in the Word if they will avail themselves of this publication.
