A Children's Book of Demons

In this humorous and perceptive exchange between two devils, C. S. Lewis delves into moral questions about good vs. evil, temptation, repentance, and grace. Through this wonderful tale, the reader emerges with a better understanding of

what it means to live a faithful life.

Queen of Demons

Tibetan Buddhism teaches compassion toward all beings, a category that explicitly includes animals. Slaughtering animals is morally problematic at best and, at worst, completely incompatible with a religious lifestyle. Yet historically most Tibetans—both monastic and lay—have made meat a regular part of their diet. In this study of the place of vegetarianism within Tibetan religiosity, Geoffrey Barstow explores the tension between Buddhist ethics and Tibetan cultural norms to offer a novel perspective on the spiritual and social dimensions of meat eating. *Food of Sinful Demons* shows the centrality of vegetarianism to the cultural history of Tibet through specific ways in which nonreligious norms and ideals shaped religious beliefs and practices. Barstow offers a detailed analysis of the debates over meat eating and vegetarianism, from the first references to such a diet in the tenth century through the Chinese invasion in the 1950s. He discusses elements of Tibetan Buddhist thought—including monastic vows, the Buddhist call to compassion, and tantric antinomianism—that see meat eating as morally problematic. He then looks beyond religious attitudes to examine the cultural, economic, and environmental factors that oppose the Buddhist critique of meat, including Tibetan concepts of medicine and health, food scarcity, the display of wealth, and idealized male gender roles. Barstow argues that the issue of meat

eating was influenced by a complex interplay of factors, with religious perspectives largely supporting vegetarianism while practical concerns and secular ideals pulled in the other direction. He concludes by addressing the surge in vegetarianism in contemporary Tibet in light of evolving notions of Tibetan identity and resistance against the central Chinese state. The first book to discuss this complex issue, *Food of Sinful Demons* is essential reading for scholars interested in Tibetan religion, history, and culture as well as global food history.

Spectr

Post-apocalyptic Los Angeles is a city in chaos where humans and Supernaturals coexist in tentative peace. Newly recruited Special Agent Laila Eyvindr and her team at the Inter-Realm Security Agency (IRSA) respond to Supernatural related crimes within the city. But it's a challenge for an Elf, like Laila, to keep the peace when humans are still suspicious of Supernaturals. Amid this turmoil, Supernatural men are going missing at an alarming rate and rumors speak of a dark force emerging from other worlds. Laila starts digging for answers and suddenly finds herself in too deep. She must fight for her survival or face execution. Will she escape before time runs out or die trying? And can she trust the mysterious man trapped in the cell next to her?

Food of Sinful Demons

In the final book of his astonishing career, Carl Sagan brilliantly examines the burning questions of our lives, our world, and the universe around us. These luminous, entertaining essays travel both the vastness of the cosmos and the intimacy of the human mind, posing such fascinating questions as how did the universe originate and how will it end, and how can we meld science and compassion to meet the challenges of the coming century? Here, too, is a rare, private glimpse of Sagan's thoughts about love, death, and God as he struggled with fatal disease. Ever forward-looking and vibrant with the sparkle of his unquenchable curiosity, *Billions & Billions* is a testament to one of the great scientific minds of our day. From the Trade Paperback edition.

City of Demons

If Buffy and Angel could have banged without him going all evil, then we would have had Wilomena Bastion. Dragons suck, like literally suck the life out of you if you let them. Trick is not to look them directly in the eyes, like ever. So, the day Wila finds herself staring into the most dangerous Draconi's pretty, emerald peepers, she knows she's royally fucked. No one said saving a bunch of kids from being served up as treats to the dragon liege was going to be easy. Options are

limited-immediate execution or servitude, and Wila prefers to have her head remain firmly on her shoulders. Now, the self-professed dark avenger must work to bring down a resistance of demons hell-bent on making life difficult for the dragon liege. And, if that wasn't bad enough, her new position comes with a partner, the dragon liege's favoured demon enforcer; a creature of fire, fury and washboard abs who-let's face it-is just gonna cramp her style. With the help of a ghostly receptionist, a talking dog and the thing that lives in the basement, Wila will be forced to take on a most dangerous task. It looks like some serious brooding is on the menu, because for the first time in forever, Wila isn't sure she's up to the job. A city filled with monsters needs a woman who can kick ass, and Wilomena Bastion is just the gal for the job.

Into the Abyss

The Demon-Haunted World

Demons are invading the midlands for the first time in centuries and the farmers have no defences against the murderous creatures. Garet's life is changed the night his Midlands family is attacked and is discovered to have a rare talent for resisting demon fear and taken to the city of Shirath to become a Demonbane.

The Company of Demons

Epic Fantasy author David Drake continues his saga The Lord of the Isles with Queen of Demons In the world of the Isles, the elemental forces of magic are rising to a thousand-year peak. A small bank of companions has set forth across a world in the process of transformation in search of their destinies. Now their epic adventure continues. "David Drake's Lord of the Isles is an epic with the texture of the legends of yore, and rousing action and characters to cheer for." --Terry Goodkind At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Billions & Billions

"Abandon all hope ye who enter here."

Fallen Angels

The Complete Book of Devils and Demons

The Box of Demons

SERIES FINALE! The Universe is on the brink of disaster, and the fate of the galaxy rests on Queenie and her Rejects. Too bad they're stuck in enemy territory light years from home. Too bad their ride was stolen. Too bad Satan is the one whole took it. Too bad for the bad guys, that is. All rise for the Queen!

The First Book of Demons

A Summoning of Demons

The brutal murder of a friend leaves lawyer John Coleman stunned and sends shockwaves through the city of Cleveland. The technique of the killing recalls memories of the Torso Murderer, who dismembered at least twelve people decades ago and then vanished—eluding even legendary crime fighter Eliot Ness. Jennifer, the victim's beautiful daughter, hires John to handle her father's estate, and romantic feelings for her soon complicate his already troubled marriage. When John finds himself entangled with a cold-blooded biker gang, an ex-cop with a fuzzy past, and the drug-addicted son of the dead man, he struggles to make sense of it all. But he cannot shake a growing sense of dread.

The Book of Demons

My father talked about Atlantic City the way some women talk about their ex-boyfriends. No good. Avoid at all costs. Soul-sucking even without the demons. Never mind that we lived across the country where, by day we worked as mountain guides, and at night he trained me to use my magic-not that I was allowed to showcase it. That was a hard no. So I hid my powers the way he hid his bourbon-until his murder. With nothing to lose, I hightail it to-you guessed it-Atlantic City, where I make a deal with a group of monster hunters, including Saxon, a hot hybrid that ignites a helluva lot more than celestial fire. If I survive the takedown of an all-powerful demon, they'll help me investigate my father's murder. So what's a girl to do when the chips are down?Be the Wild Card they never saw coming.Double Down on Demons is the first book in Pandora's Pride, an urban fantasy series featuring a heroine with a tongue as sharp as her blade, magical adventures, and havoc-wreaking demons. Completed urban fantasy series by Annabel Chase include: Spellslingers Academy of Magic (10-book series)Demonspawn Academy (3 books)Magic Bullet (4 books)

The Screwtape Letters

Ever since Cassandra Graystone was a child and her family perished in a fire, she

knows and sees things other people don't. After Sarah sees apocalyptic events in her tarot cards and demons are everywhere, Cassandra fears she's going insane or something terrifying is happening in the world.

The Book of Demons

Morgan Star is alone and out of options. Could a demon seeking redemption be the savior she seeks? When the police call off the search for Morgan's young cousin, she'll do anything to get him home safely, and that includes casting a spell to bind a demon to her service. The spell turned out to be the easy part. She wasn't prepared for what happened next. Hellspawn creatures, mysterious cultists, and an evil witch right out of a child's fairy tale all stand between Morgan and the safe return of her cousin. Can Morgan trust the word of a demon, or will he put his desire for freedom over his promises to her? The Promises of Demons is the first book in an urban fantasy series where myths and fairy tales come to life. If you enjoy fast paced action with likeable heroes going toe to toe with the forces of evil, then you'll love this first installment in Keith Keffer's The Witch of Whitebridge series. Get The Promises of Demons today to jump into an exciting world of witches and demons.

Double Down on Demons

"Witches, ghosts, fairies. Premodern Europe was filled with strange creatures, with the devil lurking behind them all. But were his powers real? Did his powers have limits? Or were tales of the demonic all one grand illusion? Physicians, lawyers, and theologians at different times and places answered these questions differently and disagreed bitterly. The demonic took many forms in medieval and early modern Europe. By examining individual authors from across the continent, this book reveals the many purposes to which the devil could be put, both during the late medieval fight against heresy and during the age of Reformations. It explores what it was like to live with demons, and how careers and identities were constructed out of battles against them - or against those who granted them too much power. Together, contributors chart the history of the devil from his emergence during the 1300s as a threatening figure - who made pacts with human allies and appeared bodily - through to the comprehensive but controversial demonologies of the turn of the seventeenth century, when European witch-hunting entered its deadliest phase. This book is essential reading for all students and researchers of the history of the supernatural in medieval and early modern Europe"--

The Mammoth Book of Angels & Demons

Garric, Sharina, Cashel, and Tenoctris are confronted with evil forces in their fight for survival and must challenge the vicious queen of the Isle in order to save themselves from certain death

Book of Demons

From best-selling author Jordan L. Hawk, the second half of the SPECTR series is now in a box set! SPECTR: Volume 2 contains: Eater of Lives Destroyer of Worlds Summoner of Storms All for less than the separate retail price! What happens when an exorcist falls in love with the demon he's supposed to destroy? After becoming possessed by the vampire spirit Gray, telekinetic Caleb Jansen thought he'd hit bottom. But between the hunt for a cannibalistic killer and the increasingly sinister actions on the part of SPECTR, the situation is rapidly going from bad to worse. Caleb's boyfriend, SPECTR agent John Starkweather, has suspicions of his own. With the help of his friend Sean and a shadowy organization known only by their symbol of a moth, John intends to save Caleb and Gray at any cost. When divided loyalties threaten his last chance at exorcism, Caleb discovers love may come at a price higher than he'd ever imagined. Novel: 111,622 words

Demons Amongst Us

A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace “A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear thought.”—Los Angeles Times How can we make intelligent

decisions about our increasingly technology-driven lives if we don't understand the difference between the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith healing, demons, and UFOs. And yet, disturbingly, in today's so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for *The Demon-Haunted World* "Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing."—*The Washington Post Book World* "Compelling."—*USA Today* "A clear vision of what good science means and why it makes a difference. . . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity."—*The Sciences* "Passionate."—*San Francisco Examiner-Chronicle*

Of Love and Other Demons

The discovery of a mysterious object in the U.S. Capitol building and a subsequent

kidnapping lead Harvard symbologist Robert Langdon into a web of mysterious codes, secret locations, and hidden knowledge.

The Little Book of Demons

Barry MacSweeney wrote his first poem at the age of seven, and was an alcoholic from the age of 16. His hard drinking almost cost him his life prior to the writing of these poems. After a series of life-threatening fits and convulsions, which culminated with his being hooked up to life support in a hospital, MacSweeney underwent rehabilitation through detoxification in several hospitals and an addiction clinic. The Book of Demons records his fierce fight against addiction, the demonic visions that arose, and the great love of those who helped save his life. Between times of ravaging, though, MacSweeney wrote the sequence Pearl, included here as a prelude to The Book of Demons. While Demons is a book of hard relentless experience, Pearl is pure lyrical innocence, a poetic sequence of harmlessness before harm set in. Pearl is an ode to the mute Northumbrian girl of the same name, whom MacSweeney taught to read and write on a slate in the rain, his first love. Now out of print in this combined edition, both The Book of Demons and Pearl were reprinted in *Wolf Tongue: Selected Poems 1965-2000* (Bloodaxe Books, 2003).

The Lost Symbol

Bela, son of a Fallen Angel and a mortal woman, has lived for centuries. For one misstep in his youth, he was cursed and powers he had not yet learned to use were ripped away by a Guardian Angel. Alone in the human world, he resigns himself to life in solitude. Until one day, he finds a friend. It turns out that Azal is like him, a half-Demon, an outcast like Bela himself. They roam the world together, one day boarding a ship to America in the hope for a better future. After making a fortune in the Californian gold rush, Bela buys a large piece of land, a place he calls The Farm. It becomes the first true home for him and Azal. Content with their shared solitude, the invention of newspapers, radio, and television, suddenly links Bela back to a world he had tried to leave behind. Hearing stories quite similar to his own, Bela realizes there were others like them. He sets himself a new goal, to find them all, and give them a home. Everything Bela has built is at risk when Alec Hunt, a human investigative journalist, stumbles over their hiding place in search for a story. The risk turns into an opportunity when Bela manages to befriend Alec, enlisting his service to search and rescue more of his kind. One day, Alec confides in Bela that he has fallen in love again with a professor teaching journalism at his daughter's college. He decides to join her on a research exhibition to the Middle East, the region of Bela's birth. Offering to help translating ancient texts, Bela soon realizes where the research is heading - discovering the hiding place of the Demons, the Fallen Angels of old. Several months later, Alec's daughter seeks out

Bela after receiving a cry for help from her father. They fall in love, the curse takes effect, giving Bela the appearance of a horned Fire-Demon. But instead of running away in horror, she succeeds in breaking the curse. The Guardian Angel has to return his powers. Will Bela learn to use his newfound abilities in time to rescue his human friend? Will he discover the truth about the Demons, led by the greatest nemesis of the Guardian Angels? Will he be able to open his heart and forgive those who have wronged him, unite The Farm's community and the Guardian Angels in an effort to thwart the Demons' plans? Will it be enough to save the unsuspecting human world from a gruesome fate?

The Magus

AVAILABLE FOR THE FIRST TIME IN eBOOK! On her twelfth birthday, Sierva Maria – the only child of a decaying noble family in an eighteenth-century South American seaport – is bitten by a rabid dog. Believed to be possessed, she is brought to a convent for observation. And into her cell stumbles Father Cayetano Delaura, who has already dreamed about a girl with hair trailing after her like a bridal train. As he tends to her with holy water and sacramental oils, Delaura feels something shocking begin to occur. He has fallen in love – and it is not long until Sierva Maria joins him in his fevered misery. Unsettling and indelible, *Of Love and Other Demons* is an evocative, majestic tale of the most universal experiences known to woman and man.

The Promises of Demons

Despite our tendency to think of the demonic as evil and the angelic as good, our own legends don't always bear this out. Angels can be the incarnation of light and salvation, but they can also fall - Satan himself is a fallen angel. Demons can be truly demonic, but these unearthly creatures can also, on occasion, lend humankind a hand. Temptation can lead to revelation, supernatural messengers who bring true justice may not be welcomed, and beings seeking redemption can be blind to mortal needs. Stories from world-renowned authors of science fiction and fantasy - including Neil Gaiman, George R. R. Martin and Joyce Carol Oates - and rising stars portray angels in all their glory, demons at their most dreadful, and a surprising variety of modern interpretations of ancient myth.

Queen of Demons

Explores this dark aspect of folklore and religion and the role that demons play in the modern world. Includes numerous entries documenting beliefs about demons and demonology from ancient history to the present.

Queen of Demons

Frannie Cavanaugh is a good Catholic girl with a bit of a wicked streak. She has spent years keeping everyone at a distance---even her closest friends---and it seems as if her senior year is going to be more of the same . . . until Luc Cain enrolls in her class. No one knows where he came from, but Frannie can't seem to stay away from him. What she doesn't know is that Luc is on a mission. He's been sent from Hell itself to claim Frannie's soul. It should be easy---all he has to do is get her to sin, and Luc is as tempting as they come. Frannie doesn't stand a chance. But he has to work fast, because if the infernals are after her, the celestials can't be far behind. And sure enough, it's not long before the angel Gabriel shows up, willing to do anything to keep Luc from getting what he came for. It isn't long before they find themselves fighting for more than just Frannie's soul. But if Luc fails, there will be Hell to pay . . . for all of them. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Demons the Answer Book

From the Scriptures, Lester Sumrall shows that we can wage war on the devil and that we can win through the power given to us by Jesus Christ! In this book, you will learn how to: Obtain overcoming faith Use the weapon of prayer Access the Holy Spirit's power against Satan Be set free of demonic oppression Have complete freedom from disease Sumrall's encouragement for the church today is that the

children of God have already won. Christ is on our side, and we have mighty weapons to use in the battle. With this knowledge, you will find that you are more than a conqueror.

City of Demons

Alexandra is a normal teenage girl just trying to make it through her relatively miserable high school life. Her aunt has done her best to raise her since her parents died, and her best friend Sam is a blessing in her somewhat bleak life, even though every other member of the opposite sex seems to leave her tongue tied and flustered. But her life takes a shift for the worst just before her eighteenth birthday, kicked off by a nightmare that has more meaning than she's ready to accept. When she is suddenly thrust into a world of demons, held captive by the handsome and dangerous prince Balthazar, she has no choice but to strike a bargain with him. She helps him unleash the power that he needs to hold his newly acquired kingdom together, and in return he agrees to send her home. But when unwanted feelings of attraction begin to arise, the demon prince finds it a bit too hard to let her go so easily. And Alexandra isn't quite sure she's ready for him to let her go.

The Encyclopedia of Demons and Demonology

As Alexandra searches for answers, she learns how quickly friends can become enemies. A world she tried so hard to leave now calls her back, starting her on a journey that will change her life forever, again. The Magi are stronger than ever, but as Alex soon discovers, help can come from the most unexpected of places. Difficult decisions must be made, and everyone will have to make sacrifices.

Mother of Demons

Personal Demons

In his own inimitable style Ramsey Dukes takes us through the advantages and dangers of hobnobbing with Demons. However for him Demons are very much our own creations; lifes problems and challenges personified and given form. We can either be their slaves or strike bargains and get back into the driving seat. With his characteristic wit and wisdom, Uncle Ramsey takes us on a rollercoaster ride through our own subconscious in a sustained effort for us to accept and negotiate with lifes challenges.

A Time of Demons

Life's tough as an Elf girl stranded in Earth's realm. When a jaguar shifter

approached me in a dark alley and told me the fate of the world depended on recovering a thousand-year-old gold statue, I said no thank you. Enter stalker werewolves in a black Mercedes, a master magician leaving a calling card on my doorstep, and hordes of demons attacking the Pentagon. All I wanted was to tend to my landscaping business. But it seemed every paranormal in Washington thought I knew where that damned statue was. And they were rude about it. Being rude was a capital crime where I came from.

The Science of Demons

Five revolutionaries--including a mercenary outcast, a holy leader, a battle-mother, a historical secret-keeper, and a paleobiologist--face a terror that none of them could have ever anticipated. Reissue.

Demon's Embrace

When Professor Miri Reynolds spots the incredibly handsome man standing in the shadows of the lecture hall, she doesn't know he's there for a purpose. Ash has come to seek information about the ethereal, or temporal, planes in order to recover the Book of Demons. He's not the only one looking, a shadowy corporation called Prometheus is hunting her as well, and they're not afraid to take extreme

measures. What he doesn't expect is his attraction to Miri Reynolds or the secret she holds. He has his own secrets as well

The Book of Demons

Ben Robson can't remember a time before he had the box, with its three mischief-making demon occupants: smelly, cantankerous Orf, manically destructive Kartoffel and fat, slobbering greedy-guts Djinn. When Ben was a kid it was fun, and he enjoyed their company. Now he's twelve they're nothing but trouble. Then one day Ben has an angelic visitor who tells him that he can be rid of the box forever if he sends it back to hell. There's only one catch - the box has other plans . . . The Box of Demons by Daniel Whelan was the winner of the 2012 Write Now! Prize. It is now available in paperback with a gorgeous illustrated cover by Chris Riddell.

Angels and Demons

With this handy Necronomicon for kids, and its easy to follow how-to steps, summoning demons has never been so much fun!

Caught by Demons

Cate Glass's *A Summoning of Demons* marks the thrilling conclusion for the Chimera team, a ragtag crew who use their forbidden magic for the good of the kingdom. Catagna has been shaken to its core. The philosophists insist that a disastrous earthquake has been caused by an ancient monster imprisoned below the earth, who can only be freed with magic. In every street and market, the people of Catagna are railing against magic-users with a greater ferocity than ever before, and magic hunters are everywhere. Meanwhile, Romy has been dreaming. Every night, her dreams are increasingly vivid and disturbing. Every day, she struggles to understand the purpose of the Chimera's most recent assignment from the Shadow Lord. As Romy and the others attempt to carry out their mission, they find themselves plunged into a mystery of corruption and murder, myth and magic, and a terrifying truth: the philosophists may have been right all along.
