Red Hot Reunion

When one person dares to speak her truth, it challenges us all to live our own. With Red Hot and Holy, Sera Beak offers a provocative and intimate view of what it means to get up close and personal with the divine in modern times. With a rare combination of audacious wit, scholarly acumen, and tender vulnerability—vibrantly mixed with red wine, rock songs, tattoos, and erotic encounters—Sera candidly chronicles the highs and lows of her mystical journey. From the innocence of her childhood crush on God; through a whirlwind of torrid liaisons and bitter break-ups with Christianity, Buddhism, Sufism, Hinduism, and

the New Age; and finally into committed monogamy with her own Red Hot and Holy Goddess, Sera shares transformative insights, encouraging us all to trust our unique path and ignite our own spiritual love affair. Sera Beak's luscious writing and renegade spiritual wisdom that slices through religious and new age dogma made her debut book *The Red Book* a breakout success. With *Red Hot and Holy* she offers a far more personal book—an illuminating, hilarious, and above all utterly honest portrait of the heart-opening process of mystical realization. This hot and holy book invites you to embrace your soul, unleash your true Self, and burn, baby, burn with divine love. Excerpt As a child, I was madly in love with God. Gaga for God. In grade school, I used to write “I (heart) God” at the top of all my homework assignments and in the margins of the notes I passed to my girlfriends about which boys we thought were cute. Next to *The Little Princess*, a children’s bible was kept on my bedside table for nightly reading. Miracles? Prophetic dreams? Angels? Healing the sick? Sign me up for those gigs! And every Thursday I believed J.C. dropped by my bedroom so I could ask him personal questions and tell him which sister was annoying me the most. I was magnetized to rosaries, prayers, and pyramids the way other kids were to doughnuts, MTV and the Cabbage Patch Kids, and every time I saw a religious figure (priest, nun, Buddhist monk, Hare Krishna) out in public, it would take an enormous amount of willpower not to stalk them. When Career Days at school would come around, my questionnaire would look a little something like this: Favorite subject? God Favorite hobby? God What do you want to be when you grow up? God (Okay, there was a brief time when I was six years old when the answer to that last question was “an albino.” I thought albinism would make me glow in the dark.) When I was a child, God was not a belief of a magical Santa Claus type. He was as real as my heart. I felt Him (inside me). I recognized Him (everywhere). I knew Him (personally). We hung out together, and I never wanted our rendezvous to stop. I only wanted us to draw closer. I assumed I was experiencing what many Catholics refer to as “the call” to be a priest, so I matter-of-factly informed my parish priests and Sunday school teachers of my future vocation. They laughed, patted my head, and told me I couldn’t have heard the call to be a priest because I had a vagina. Okay, they didn’t say that last part, but believe me, it was implied. They did tell me that only men were allowed to be priests because Jesus only had male disciples (to which Mary Magdalene juts out her left hip and slaps her round cheek with *The Gospel of Mary Magdalene*). But, of course, I could always be a nun.

He's sworn off the fairer sex and instead spends his waking hours overseeing the expansion of his family's hugely successful winery in the magnificent hills of Chianti, where he is happy to never see a model again, let alone date one. American supermodel Taylor McFarland might be blond, but she sure isn't dumb. And she's smart enough to know to avoid the shallow men who seem to migrate toward her type, the ones who presume that models are the wild women of the fashion industry who happily discard men like used tissues. Only Taylor's not that type at all; instead, she's intent on using the influence her position affords her to help those less fortunate than she. But when her good deeds means clashing with the quintessential heartless Italian player who she'd heard left model Gia Sandretti at the altar, well, she will happily give him a piece of her mind, and certainly not a piece of her heart.

Red Hot Lies

From the author of the "New York Times"-bestselling "Politically Incorrect Guide to Global Warming" comes this expos of the hypocrisy, deceit, and outright lies of the global warming alarmists and the compliant media that support them.

Red Hot and Holy

In this "vivid and inspiring" NYT bestseller (Newsweek), the Red Hot Chili Peppers' lead singer and songwriter shares a searingly honest account of life in the rock scene's fast lane -- from the darkness into the light. In 1983, four self-described "knuckleheads" burst out of the mosh-pitted mosaic of the neo-punk rock scene in L.A. with their own unique brand of cosmic hardcore mayhem funk. Over twenty years later, the Red Hot Chili Peppers, against all odds, have become one of the most successful bands in the world. Though the band has gone through many incarnations, Anthony Kiedis, the group's lyricist and dynamic lead singer, has been there for the whole roller-coaster ride. In Scar Tissue, Kiedis delivers a compelling life story from a man "in love with everything" -- the darkness, the death, the disease. Even his descent into drug addiction was a part of that journey, another element transformed into art. Whether he's honoring the influence of the beautiful, strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama's humble compound, Kiedis shares a compelling story about the price of success and excess. Scar Tissue is a story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption -- a story that could only have come out of the world of rock.

Red's Hot Cowboy

A rollicking, sexy memoir of a young poet making his way in 1960s New York City. When he graduated from Columbia in 1958, John Giorno was handsome, charismatic, ambitious, and eager to soak up as much of Manhattan's art and culture as possible. Poetry didn't pay the bills, so he worked on Wall Street, spending his nights at the happenings, underground movie premiers, art shows, and poetry readings that brought the city to life. An intense romantic relationship with Andy Warhol—not yet the global superstar he would soon become—exposed Giorno to even more of the downtown scene, but after starring in Warhol's first movie, *Sleep*, they drifted apart. Giorno soon found himself involved with Robert Rauschenberg and later Jasper Johns, both relationships fueling his creativity. He quickly became a renowned poet in his own right, working at the intersection of literature and technology, freely crossing genres and mediums alongside the likes of William Burroughs and Brion Gysin. Twenty-five years in the making, and completed shortly before Giorno's death in 2019, *Great Demon Kings* is the memoir of a singular cultural pioneer: an openly gay man at a time when many artists remained closeted and shunned gay subject matter, and a devout Buddhist whose faith acted as a rudder during a life of tremendous animation, one full of fantastic highs and frightening lows. Studded with appearances by nearly every it-boy and girl of the downtown scene (including a moving portrait of a decades-long friendship with Burroughs), this book offers a joyous, life-affirming, and sensational look at New York City during its creative peak, narrated in the unforgettable voice of one of its most singular characters.

A Prince Among Men

A sexy cowgirl gives a rugged Texas loner the ride of his life in USA Today bestselling author Tina Leonard's seductive new series. Ava Buchanan dreams of a career on the rodeo circuit. Winning a spot on a one-of-a-kind team would be her ticket to the life she's always wanted. Ava won't let anyone stand in her way—not even a stubborn cowboy whose slow-molasses smile and red-hot swagger set her senses aflame . . . and whose talents as a trainer could make her a star. Rodeo might be a man's game, but Ava knows the right woman's touch can tame the wildest heart. Trace Carter believes his mayor's plan to raise the town's profile has disaster written all over it, and he won't allow the Hell's Outlaws Training Center to be dragged into the fiasco. Yet watching Ava's delectable body on horseback proves too much of a temptation, and his fantasies stray to her riding skills outside the arena. Soon Trace is fighting like hell to rein in his unbridled desire for the petite brunette before it becomes a passion hotter than the Texas sun. Praise for *Last of the Red-Hot Cowboys* "If you like your cowboys smokin' and your cowgirls sassy, you'll love the sparks that fly between Trace and Ava in Tina Leonard's *Last of the Red-Hot Cowboys*."—Laura Moore, author of *Once Tasted* "Perfect for readers who enjoy heroes and heroines who clash upon first meeting and several times thereafter."—Library Journal (starred review) "Hijinks and conflict propel Leonard's first entry in her Hell's Outlaws series, *Last of the Red-Hot Cowboys*."—RT Book Reviews "The perfect read for a day in the sun."—Manga Maniac Cafe "The actual story was gripping. Red Blooded

New York Times BestsellerA #1 LA Times BestsellerA USA Today BestsellerOne of NPR's "Favorite Books of 2019" The iconic bassist and co-founder of the Red Hot Chili Peppers tells his fascinating origin story, complete with all the dizzying highs and the gutter lows you'd want from an LA street rat turned world famous rock star. In *Acid for the Children*, Flea takes readers on a deeply personal and revealing tour of his formative years, spanning from Australia to the New York City suburbs to, finally, Los Angeles. Through hilarious anecdotes, poetical meditations, and occasional flights of fantasy, Flea deftly chronicles the experiences that forged him as an artist, a musician, and a young man. His dreamy, jazz-inflected prose makes the Los Angeles of the 1970s and 80s come to gritty, glorious life, including the potential for fun, danger, mayhem, or inspiration that lurked around every corner. It is here that young Flea, looking to escape a turbulent home, found family in a community of musicians, artists, and junkies who also lived on the fringe. He spent most of his time partying and committing petty crimes. But it was in music where he found a higher meaning, a place to channel his frustration, loneliness, and love. This left him open to the life-changing moment when he and his best friends, soul brothers, and partners-in-mischief came up with the idea to start their own band, which became the Red Hot Chili Peppers. *Acid for the Children* is the debut of a stunning new literary voice, whose prose is as witty, entertaining, and wildly unpredictable as the author himself. It's a tenderly evocative coming-of-age story and a raucous love letter to the power of music and creativity from one of the most renowned musicians of our time.

White Water Red Hot Lead

A memoir of heroism, comradeship, danger, and laughter aboard a Vietnam patrol craft, as a small crew grew into a seasoned combat team. Includes photos. During the Vietnam War, 3500 officers and men served in the Swift Boat program in a fleet of 130 boats with no armor plating. The boats patrolled the coast and rivers of South Vietnam, facing deadly combat, intense lightning firefights, storms, and many hidden dangers. This action-packed account by the Officer in Charge of PCF 76 makes you part of the Swift Boat crew. The six-man crew of PCF 76 was made up of volunteers from all over the United States, eager to serve their country in a unique type of duty not seen since the PT boats of WWII. This inexperienced and disparate group of men would meld into a team that formed an unbreakable lifelong bond. After training, they were plunged into a twelve-month tour of duty. Combat took place in the closest confines imaginable, where the enemy could be

hidden behind a passing sand dune or a single sniper could be concealed in an onshore bunker. In many cases, the rivers became so narrow there was barely room to maneuver or turn around. The only way out might be into a deadly ambush. This is not a Vietnam memoir filled with political discussions or apologies. It simply tells the stories of these young, valiant sailors with humor and heartfelt emotion—in a suspenseful, surprising book that pays tribute to these sailors who, upon returning home, asked little of their country and received less.

The “First Lady of Show Business” and the “Last of the Red Hot Mamas,” Sophie Tucker was a star in vaudeville, radio, film, and television. A gutsy, song-belting stage performer, she entertained audiences for sixty years and inspired a host of younger women, including Judy Garland, Carol Channing, and Bette Midler. Tucker was a woman who defied traditional expectations and achieved success on her own terms, becoming the first female president of the American Federation of Actors and winning many other honors usually bestowed on men. Dedicated to social justice, she advocated for African Americans in the entertainment industry and cultivated friendships with leading black activists and performers. Tucker was also one of the most generous philanthropists in show business, raising over four million dollars for the religious and racial causes she held dear. Drawing from the hundreds of scrapbooks Tucker compiled, *Red Hot Mama* presents a compelling biography of this larger-than-life performer. Lauren Rebecca Sklaroff tells an engrossing story of how a daughter of Russian Jewish immigrants set her sights on becoming one of the most formidable women in show business and achieved her version of the American dream. More than most of her contemporaries, Tucker understood how to keep her act fresh, to change branding when audiences grew tired and, most importantly, how to connect with her fans, the press, and entertainment moguls. Both deservedly famous and unjustly forgotten today, Tucker stands out as an exemplar of the immigrant experience and a trailblazer for women in the entertainment industry.

Last of the Red-Hot Cowboys

One Hundred Red Hot Years

First produced by Philadelphia Theatre Company in Philadelphia, Pa., on March 19, 2010.

Last of the Red Hot Lovers

This comical collection of Jewish comedian portraiture is a sequel to 2006's wildly successful *Old Jewish Comedians*, which earned Friedman raves from Jerry Lewis, Howard Stern, *The Believer*, *Entertainment Weekly* and many more, and earned Friedman his own roast at New York's legendary Friar's Club. This all-new collection includes the famous (Woody Allen, Carl Reiner, Joan Rivers, Mel Brooks, Soupy Sales, etc.), the not-so-famous (Jerry Stiller, Zeppo & Gummo Marx, Larry Storch, Zero Mostel, etc.) and the largely unknown (Molly Picon, Herbie Faye, Jan Milton, etc.). The Reuben Award-winning Friedman, one of the great caricaturists of his age, presents a thorough visual history of the 20th Century's greatest Borscht-Belt comedians.

Last of the Red-Hot Cowboys

The "First Lady of Show Business" and the "Last of the Red Hot Mamas," Sophie Tucker was a star in vaudeville, radio, film, and television. A gutsy, song-belting stage performer, she entertained audiences for sixty years and inspired a host of younger women, including Judy Garland, Carol Channing, and Bette Midler. Tucker was a woman who defied traditional expectations and achieved success on her own terms, becoming the first female president of the American Federation of Actors and winning many other honors usually bestowed on men. Dedicated to social justice, she advocated for African Americans in the entertainment industry and cultivated friendships with leading black activists and performers. Tucker was

also one of the most generous philanthropists in show business, raising over four million dollars for the religious and racial causes she held dear. Drawing from the hundreds of scrapbooks Tucker compiled, *Red Hot Mama* presents a compelling biography of this larger-than-life performer. Lauren Rebecca Sklaroff tells an engrossing story of how a daughter of Russian Jewish immigrants set her sights on becoming one of the most formidable women in show business and achieved her version of the American dream. More than most of her contemporaries, Tucker understood how to keep her act fresh, to change branding when audiences grew tired and, most importantly, how to connect with her fans, the press, and entertainment moguls. Both deservedly famous and unjustly forgotten today, Tucker stands out as an exemplar of the immigrant experience and a trailblazer for women in the entertainment industry.
