Stop Snoring, Bernard!

Bernard Shaw

This book examines the way Bernard of Clairvaux, in his writings, shapes the monastic existence as a subtle blend of biblical and liturgical texts and scenes on the one hand and uncontrollable events and emotions on the other.

Be More Bernard

Dog of St. Bernard and Other Stories

Theos Bernard, the White Lama

What if you came in contact with entities from another dimension? What if they

offered you information that changed your life and had the potential to change millions of lives around the world? That is exactly what happened to Bernard Alvarez after his shamanic encounter with the Emissaries of Light, a group of trans-dimensional beings who call themselves "One." *The Book of One: Returning to Source Wisdom* tells the story of his vision quest experience and presents the messages these "light beings" gave to Bernard to share with the world decades ago. Since his encounter with these beings he has become a renowned figure in the global consciousness movement reaching millions through his work in service to humanity. This new edition of *The Book of One: Returning to Source Wisdom* brings forth hundreds of hours of channeling by Bernard Alvarez and shares the wisdom of the Emissaries of Light, a group of enlightened beings who have come through Bernard to help us discover how to 'return to Source'. This expanded edition offers new channeled messages with easy to follow guidelines in order to live fully awake, aware and work toward building a new paradigm and a greater enlightened society.

Fools and Mortals

New York Times bestselling author Bernard Cornwell makes a dramatic departure with this enthralling, action-packed standalone novel that tells the story of the first production of *A Midsummer Night's Dream*—as related by William Shakespeare's estranged younger brother. Lord, what fools these mortals be . . . In the heart of

Elizabethan England, Richard Shakespeare dreams of a glittering career in one of the London playhouses, a world dominated by his older brother, William. But he is a penniless actor, making ends meet through a combination of a beautiful face, petty theft and a silver tongue. As William's star rises, Richard's onetime gratitude is souring and he is sorely tempted to abandon family loyalty. So when a priceless manuscript goes missing, suspicion falls upon Richard, forcing him onto a perilous path through a bawdy and frequently brutal London. Entangled in a high-stakes game of duplicity and betrayal which threatens not only his career and potential fortune, but also the lives of his fellow players, Richard has to call on all he has now learned from the brightest stages and the darkest alleyways of the city. To avoid the gallows, he must play the part of a lifetime Showcasing the superb storytelling skill that has won Bernard Cornwell international renown, *Fools and Mortals* is a richly portrayed tour de force that brings to life a vivid world of intricate stagecraft, fierce competition, and consuming ambition.

Bernard Cornwell, the "master of martial fiction" (Booklist), brings Thomas of Hookton from the popular Grail Quest series into a new adventure in 1356, a thrilling stand-alone novel. On September 19, 1356, a heavily outnumbered English army faced off against the French in the historic Battle of Poitiers. In 1356, Cornwell resurrects this dramatic and bloody struggle—one that would turn out to be the most decisive and improbable victory of the Hundred Years' War, a clash where the underdog English not only captured the strategic site of Poitiers, but the French King John II as well. In the vein of Cornwell's bestselling *Agincourt*, 1356 is an action-packed story of danger and conquest, rich with military strategy and remarkable characters—both villainous and heroic—transporting readers to the front lines of war while painting a vivid picture of courage, treachery, and combat.

Bernard of Clairvaux and the Shape of Monastic Thought

"We regard Mr. Holroyd with awe, as a prodigy among biographers."—The New York Times Book Review In a single-volume format, Michael Holroyd's masterpiece of a biography offers new verve and pace; Shaw's world is more dramatically revealed as Holroyd counterpoints the private and public Shaw with inimitable insight and scholarship.

The One from the Other

Black is the Body

For Lonergan, truly human development takes two complementary ways: the way

up and the way down. As dynamic processes, the two ways invite persons to attend to the data, to understand intelligently, to judge correctly, to respond to values, to effect cognitive, moral, and affective self-transcendence. This study examines philosophically how Lonergan's understanding of these two ways of human development, operative in Method in Theology, thematic in the post-aim of Insight is to issue in a self-appropriation of one's own cognitional activities conceived essentially as a development of the subject and in the subject.

Bernard Eugene Meland's Unpublished Papers

Perfect for fans of Jim Field and Julia Donaldson, *Be More Bernard* is the brilliant story of a disco bunny who will encourage us all to chase our dreams and embrace our differences. When the other bunnies bounced, I bounced. When they hopped, I hopped. When they slept, I did too. Like them, I dreamed. But MY dreams weren't the same. They were less . . . rabbit. Bernard has decided that he's not going to be like all the other bunnies any more. He's not going to twitch his nose and prick his ears. And while others might dream of carrots, Bernard's dreams are altogether more disco! He starts small, but when he finally gets to groove with grace and jive with joy at Bertie and Brenda's Bunny Ball, Bernard shows the world that being yourself is the very best thing a bunny can be. From the author of the Sainsbury's Book Award-winning *You Must Bring a Hat* and the illustrator of the brand-new Treacle Street series!

Memorials of the life and ministry of Bernard Gilpin, with a biography of his first wife. Ed. by R.B. Benson

From New York Times bestselling author Bernard Cornwell, the sequel to *The Archer's Tale* and *Vagabond*—the spellbinding tale of a young man, a fearless archer, who sets out wanting to avenge his family's honor and winds up on a quest for the Holy Grail. Already a seasoned veteran of King Edward's army, young Thomas of Hookton possesses the fearlessness of a born leader and an uncanny prowess with the longbow. Now, at the head of a small but able band of soldiers, he has been dispatched to capture the castle of Astarac. But more than duty to his liege has brought him to Gascony, home of his forebears and the hated black knight who brutally slew Thomas's father. It is also the last place where the Holy Grail was reported seen. Here, also, a beautiful and innocent, if not pious, woman is to be burned as a heretic. Saving the lady, Genevieve, from her dread fate will brand Thomas an infidel, forcing them to flee together across a landscape of blood and fire. And what looms ahead is a battle to the death that could ultimately shape the future of Christendom.

A Dream of a Queen's Reign. (By Master Bernard M-, of S-.)

Bernard loves curling up to go to sleep. But there is one little problem. Bernard

snores LOUDLY! So loudly that he keeps all of the otters awake during naptime. So loudly that Grumpy Giles tells Bernard to move his snoring somewhere else! Sad and lonely, Bernard tries sleeping in new places far away from the other otters: in a lake, in puddles, in a fountain. But no matter where he tries to nap, somebody complains. He just wants to hear two words: "Goodnight, Bernard!"

Genesis

"Blackness is an art, not a science. It is a paradox: intangible and visceral; a situation and a story. It is the thread that connects these essays, but its significance as an experience emerges randomly, unpredictably. . . . Race is the story of my life, and therefore black is the body of this book." In these twelve deeply personal, connected essays, Bernard details the experience of growing up black in the south with a family name inherited from a white man, surviving a random stabbing at a New Haven coffee shop, marrying a white man from the North and bringing him home to her family, adopting two children from Ethiopia,

and living and teaching in a primarily white New England college town. Each of these essays sets out to discover a new way of talking about race and of telling the truth as the author has lived it. "Black Is the Body is one of the most beautiful, elegant memoirs I've ever read. It's about race, it's about womanhood, it's about friendship, it's about a life of the mind, and also a life of the body. But more than anything, it's about love. I can't praise Emily Bernard enough for what she has created in these pages." --Elizabeth Gilbert WINNER OF THE CHRISTOPHER ISHERWOOD PRIZE FOR AUTOBIOGRAPHICAL PROSE NAMED A BEST BOOK OF THE YEAR BY NPR AND KIRKUS REVIEWS ONE OF MAUREEN CORRIGAN'S 10 UNPUTDOWNABLE READS OF THE YEAR

The Fixer is the winner of the 1967 National Book Award for Fiction and the 1967 Pulitzer Prize for Fiction. The Fixer (1966) is Bernard Malamud's best-known and

most acclaimed novel -- one that makes manifest his roots in Russian fiction, especially that of Isaac Babel. Set in Kiev in 1911 during a period of heightened anti-Semitism, the novel tells the story of Yakov Bok, a Jewish handyman blamed for the brutal murder of a young Russian boy. Bok leaves his village to try his luck in Kiev, and after denying his Jewish identity, finds himself working for a member of the anti-Semitic Black Hundreds Society. When the boy is found nearly drained of blood in a cave, the Black Hundreds accuse the Jews of ritual murder. Arrested and imprisoned, Bok refuses to confess to a crime that he did not commit.

British writer GILBERT KEITH CHESTERTON (1874-1936) expounded prolifically about his wide-ranging philosophies-he is impossible to categorize as "liberal" or "conservative," for instance-across a wide variety of avenues: he was an arts critic, historian, playwright, novelist, columnist, and poet. His witty, humorous style earned him the title of the "prince of paradox," and his works-80 books and nearly 4,000 essays-remain among the most beloved in the English language. Chesterton clashed vociferously and frequently with George Bernhard Shaw, his greatest intellectual "enemy," once calling the Irish playwright "most savagely serious man of his time." This 1909 critique of Shaw's work and attitudes is considered one of

the best works of cultural criticism ever written, and certainly the best book on Shaw. Exploring the writer's work through the perspectives of his various personas—the Irishman, the Puritan, the Progressive, the Critic, the Dramatist, and the Philosopher-Chesterton, with brutal grace and devastating humor, shreds Shaw's grimness and illiberalism. This is essential reading for those seeking the best English literature has to offer.

“The most prolific and successful historical novelist in the world today.” —Wall Street Journal “Readers who haven’t discovered Bernard Cornwell don’t know what they are missing.” —New York Times bestselling author Vince Flynn From the New York Times bestselling author of Agincourt, the Saxon Tales, and the beloved Richard Sharpe series, Bernard Cornwell’s *The Fort* plunges prow-first into the largest naval clash of the Revolutionary War. Fans of the Nathaniel Starbuck Chronicles and *The Burning Land* will thrill to Cornwell’s triumphant return to American historical fiction in this gripping story of courage, strength and patriotism.

The Fixer

A “dazzling and gorgeously written” novel of art, faith, and life-changing friendship inspired by the correspondence of Flannery O’Connor and Robert Lowell (Ann Packer). In the summer of 1957, two writers are immersed in their craft at an artist’s colony nestled in upstate New York when chance brings them together. Frances, a country northerner, as committed to her solitude as she is her faith, and Bernard, a gregarious Bostonian with a propensity towards mania and grand gestures, find themselves forming a friendship, and then a courtship, as they each discover a kindred spirit beneath the obvious differences between them. But, as they become inexorably entwined in each other’s lives, they struggle with the dependence of their romance and the conflict it causes with their own dreams. Inspired by the lives of Flannery O’Connor and Robert Lowell, who formed an unlikely connection after meeting at Yaddo in the late fifties, and told in a series of intimate letters between the protagonists, Francis and Bernard is a touching and bittersweet look at what happens when love, desire, hope, faith, and friendship collide. “Recalling 20th-century masters like Graham Greene and Walker Percy . . . Bauer is herself a distinctive stylist who can write about Simone Weil or Kierkegaard with wit and charm.” —The New York Times Book Review “Engrossing . . . Funny, sweet and sad. A lovely surprise.” —Publishers Weekly, starred review “A novel of stunning subtlety, grace, and depth . . . compos[ed in] dueling letters of breathtaking wit, seduction, and heartbreak.” —Booklist, starred review

The Book of One

George Bernard Shaw

1356

The life and adventures of an American explorer and iconic figure in the 20th

century religious counterculture movement. In 1937, Theos Casimir Bernard, the self-proclaimed “White Lama,” became the third American in history to reach Lhasa, the capital city of Tibet. During his stay, he amassed the largest collection of Tibetan texts, art, and artifacts in the Western hemisphere at that time. He also documented, in both still photography and 16mm film, the age-old civilization of Tibet on the eve of its destruction by Chinese Communists. Based on thousands of primary sources and rare archival materials, this is the real story behind the purported adventures of Bernard and his role in the growth of America's religious counterculture. Over the course of his brief life, Bernard met, associated, and corresponded with the major social, political, and cultural leaders of his day, from the Regent and high politicians of Tibet to saints, scholars, and diplomats of British India, from Charles Lindbergh and Franklin Delano Roosevelt to Gandhi and Nehru. Although hailed as a brilliant pioneer by the media, Bernard also had his flaws. He was an entrepreneur propelled by grandiose schemes, a handsome man who shamelessly used his looks to bounce from rich wife to rich wife in support of his activities, and a master manipulator who concocted his own interpretation of Eastern wisdom to suit his ends. Bernard had a bright future before him but disappeared in India during the communal violence of the 1947 Partition, never to be seen again. “Well-written...A readable intellectual account of the life of an ambitious Tibetological pioneer.”—Asian Ethnology

Memoirs of Major George Bernard Erath

Bernard of Clairvaux emerges from these studies as a vibrant, challenging and illuminating representative of the monastic culture of the twelfth century. In taking on Peter Abelard and the new scholasticism he helped define the very world he opposed and thus contributed to the renaissance of the twelfth century.
