Never Get a "Real" Job

A cultural critic and author of *Still She Haunts Me* examines seven unconventional marriages among members of England's literary circles between 1910 and 1939--including Jane and H. G. Wells, Vera Brittain and George Gordon Catlin, and Vanessa and Clive Bell--examining crises that occurred in each marriage and how they were or were not resolved. Reprint. 45,000 first printing.

Dare to Be Uncommon Men's Bible Study

In 1637, Anne Hutchinson, a forty-six-year-old midwife who was pregnant with her sixteenth child, stood before forty male judges of the Massachusetts General Court, charged with heresy and sedition. In a time when women could not vote, hold public office, or teach outside the home, the charismatic Hutchinson wielded remarkable political power. Her unconventional ideas had attracted a following of prominent citizens eager for social reform. Hutchinson defended herself brilliantly, but the judges, faced with a perceived threat to public order, banished her for behaving in a manner "not comely for [her] sex." Written by one of Hutchinson's direct descendants, *American Jezebel* brings both balance and perspective to Hutchinson's story. It captures this American heroine's life in all its complexity, presenting her not as a religious fanatic, a cardboard feminist, or a raging crank—as some have portrayed her—but as a flesh-and-blood wife, mother, theologian, and political leader. The book narrates her dramatic expulsion from Massachusetts, after which her judges, still threatened by her challenges, promptly built Harvard College to enforce religious and social orthodoxies—making her the mid-wife to the nation's first college. In exile, she settled Rhode Island, becoming the only woman ever to co-found an American colony.

The seeds of the American struggle for women's and human rights can be found in the story of this one woman's courageous life. American Jezebel illuminates the origins of our modern concepts of religious freedom, equal rights, and free speech, and showcases an extraordinary woman whose achievements are astonishing by the standards of any era.

An Uncommon Life

Morie Sawataishi lives a life that is radically unconventional by any standard but almost absurd in blatantly conformist Japan. Journalist Martha Sherrill provides a profound look at what it takes to be an individualist in a culture where rebels are rare.

Eva's Uncommon Life: Guided by Miracles

Some colds are like mice, timid and annoying; others like dragons, accompanied by body aches and deep misery. In AH-CHOO!, Jennifer Ackerman explains what, exactly, a cold is, how it works, and whether it's really possible to "fight one off." Scientists call this the Golden Age of the Common Cold because Americans suffer up to a billion colds each year, resulting in 40 million days of missed work and school and 100 million doctor visits. They've also learned over the past decade much more about what cold viruses are, what they do to the human body, and how symptoms can be addressed. In this ode to the odious cold, Ackerman sifts through the chatter about treatments-what works, what doesn't, and what can't hurt. She dispels myths, such as susceptibility to colds reflects a weakened immune system. And she tracks current research, including work at the University of Virginia at Charlottesville, a world-renowned center of cold research studies, where the search for a cure continues.

The One Year Uncommon Life Daily Challenge

When the smoke cleared on Iwo Jima in March 1945, 19,000 American Marines had been wounded and 7,000 were dead, a casualty rate of nearly 39 percent. Lasting over a month, Iwo was the Marines' bloodiest battle of the war and the only Pacific battle in which a U.S. landing force suffered more casualties than it inflicted. It was also the most highly decorated single engagement in Marine Corps history.

A Book of Uncommon Prayer

With half a million copies in print, How to Read a Book is the best and most successful guide to reading comprehension for the general reader, completely rewritten and updated with new material. A CNN Book of the Week: "Explains not just why

we should read books, but how we should read them. It's masterfully done." -Farheed Zakaria Originally published in 1940, this book is a rare phenomenon, a living classic that introduces and elucidates the various levels of reading and how to achieve them—from elementary reading, through systematic skimming and inspectional reading, to speed reading. Readers will learn when and how to “judge a book by its cover,” and also how to X-ray it, read critically, and extract the author’s message from the text. Also included is instruction in the different techniques that work best for reading particular genres, such as practical books, imaginative literature, plays, poetry, history, science and mathematics, philosophy and social science works. Finally, the authors offer a recommended reading list and supply reading tests you can use measure your own progress in reading skills, comprehension, and speed.

Uncommon Arrangements

The ONE Thing

The responsibilities of life can wear men down.. But this concise devotional will inspire men to draw strength from the Word of God. Each devotional is practical and brief, taking only five minutes to read. Wisdom from Scripture and insights from the experiences of other men will help readers build a solid foundation—one that allows confidence in the Lord no matter what life brings their way.

The Uncommon Reader

Bestselling author Timothy Keller and legal scholar John Inazu bring together a thrilling range of artists, thinkers, and leaders to provide a guide to faithful living in a pluralistic, fractured world. How can Christians today interact with those

around them in a way that shows respect to those whose beliefs are radically different but that also remains faithful to the gospel? Timothy Keller and John Inazu bring together illuminating stories--their own and from others--to answer this vital question. Uncommon Ground gathers an array of perspectives from people thinking deeply and working daily to live with humility, patience, and tolerance in our time. Contributors include: Lecrae Tish Harrison Warren Kristen Deede Johnson Claude Richard Alexander Shirley Hoogstra Sara Groves Rudy Carrasco Trillia Newbell Tom Lin Warren Kinghorn Providing varied and enlightening approaches to reaching faithfully across deep and often painful differences, Uncommon Ground shows us how to live with confidence, joy, and hope in a complex and fragmented age.

The One Year Uncommon Life Daily Challenge

Young serial entrepreneur Scott Gerber is not the product of a wealthy family or storied entrepreneurial heritage. Nor is he the outcome of a traditional business school education or a corporate executive turned entrepreneur. Rather, he is a hard-working, self-taught 26-year-old hustler, rainmaker, and bootstrapper who has survived and thrived despite never having held the proverbial "real" job. In *Never Get a "Real" Job: How to Dump Your Boss, Build a Business, and Not Go Broke*, Gerber challenges the social conventions behind the "real" job and empowers young people to take control of their lives and dump their nine-to-fives—or their quest to attain them. Drawing upon case studies, experiences, and observations, Scott dissects failures, shares hard-learned lessons, and presents practical, affordable, and systematic action steps to building, managing, and marketing a successful business on a shoestring budget. The proven, no-b.s. methodology presented in *Never Get a "Real" Job* teaches unemployed and underemployed Gen-Yers, aspiring small business owners, students, and recent college graduates how to quit 9-to-5s, become their own bosses, and achieve financial independence.

Rare Earth

With this Bible study you will tackle key principles found in Tony Dungy's book *UNcommon* (Tyndale House Publishers). You will explore Scripture, engage in discussion, encounter character-building insights, and uncover what it means to live a life of true significance. Seven sessions, or chapters, will reinforce for you the important life lessons captured in *UNcommon*.

Dare to Be Uncommon

The only black attorney in Selma, Alabama, during 1965 recounts his participation in the civil rights movement and his fight since the 1960s against segregation and prejudice. Reissue.

Uncommon Valor on Iwo Jima

The authorized biography of Pulitzer Prize-winning playwright Wendy Wasserstein. In *Wendy and the Lost Boys* bestselling author Julie Salamon explores the life of playwright Wendy Wasserstein's most expertly crafted character: herself. The first woman playwright to win a Tony Award, Wendy Wasserstein was a Broadway titan. But with her high-pitched giggle and unkempt curls, she projected an image of warmth and familiarity. Everyone knew Wendy Wasserstein. Or thought they did. Born on October 18, 1950, in Brooklyn, New York, to Polish Jewish immigrant parents, Wendy was the youngest of Lola and Morris Wasserstein's five children. Lola had big dreams for her children. They didn't disappoint: Sandra, Wendy's glamorous sister, became a high-ranking corporate executive at a time when Fortune 500 companies were an impenetrable boys club. Their brother Bruce became a billionaire superstar of the investment banking world. Yet behind the family's remarkable success was a fiercely guarded world of private tragedies. Wendy perfected the family art of secrecy while cultivating a densely populated inner circle. Her friends included theater elite such as playwright Christopher Durang, Lincoln Center Artistic Director André Bishop, former New York Times theater critic Frank Rich, and countless others. And still almost no one knew that Wendy was pregnant when, at age forty-eight, she was rushed to Mount Sinai Hospital to deliver Lucy Jane three months premature. The paternity of her daughter remains a mystery. At the time of Wendy's tragically early death less than six years later, very few were aware that she was gravely ill. The cherished confidante to so many, Wendy privately endured her greatest heartbreaks alone. In *Wendy and the Lost Boys*, Salamon assembles the fractured pieces, revealing Wendy in full. Though she lived an uncommon life, she spoke to a generation of women during an era of vast change. Revisiting Wendy's works—*The Heidi Chronicles* and others—we see Wendy in the free space of the theater, where her many selves all found voice. Here Wendy spoke in the most intimate of terms about everything that matters most: family and love, dreams and devastation. And that is the Wendy of Neverland, the Wendy who will never grow old.

Word Warrior

The One Year Uncommon Life Daily Challenge

A portrait of Ron Brown, the late Secretary of Commerce, chronicles his dramatic rise from Harlem to the heights of power in American politics

Ron Brown

"The One Year Uncommon Life Daily Challenge" contains 365 reflections from the #1 "New York Times"-bestselling author on living an uncommon life of integrity, honoring family and friends, creating a life of real significance and impact, and walking with the Lord.

Common Man/ Uncommon Life Leader's Guide

What determines whether complex life will arise on a planet, or even any life at all? Questions such as these are investigated in this groundbreaking book. In doing so, the authors synthesize information from astronomy, biology, and paleontology, and apply it to what we know about the rise of life on Earth and to what could possibly happen elsewhere in the universe. Everyone who has been thrilled by the recent discoveries of extrasolar planets and the indications of life on Mars and the Jovian moon Europa will be fascinated by Rare Earth, and its implications for those who look to the heavens for companionship.

L. Tom Perry, an Uncommon Life

The Superbowl-winning coach shares his thoughts on how to live like a good, Christian man, combining integrity, character, and self-sacrifice.

Uncommon Marriage

Posthumously inducted into the National Radio Hall of Fame in 2007, Richard Durham creatively chronicled and brought to life the significant events of his times. Durham's trademark narrative style engaged listeners with fascinating characters, compelling details, and sharp images of pivotal moments in American and African American history and culture. In *Word Warrior*, award-winning radio producer Sonja D. Williams draws on archives and hard-to-access family records, as well as interviews with family and colleagues like Studs Terkel and Toni Morrison, to illuminate Durham's astounding career. Durham paved the way for black journalists as a dramatist and a star investigative reporter and editor for the pioneering black newspapers the *Chicago Defender* and *Muhammed Speaks*. Talented and versatile, he also created the acclaimed radio series *Destination Freedom* and *Here Comes Tomorrow* and wrote for popular radio fare like *The Lone Ranger*. Incredibly, his energies extended still further--to community and labor organizing, advising Chicago mayoral hopeful Harold Washington, and mentoring generations of activists. Incisive and in-depth, *Word Warrior* tells the story of a tireless champion of African American freedom, equality, and justice during an epoch that forever changed a nation.

Living an Uncommon Life

Eva Perlman's autobiography details the first of many miracles that kept her family alive during WWII and permeated her long and rich life.

Black in Selma

An anthology of everyday evocations, collecting original work from 68 authors. A benefit project for 826 Valencia.

Uncommon Marriage Bible Study

Acclaimed, award-winning essayist and novelist Brian Doyle (1956-2017)--whose writing, in the words of Mary Oliver, is "a gift to us all"--presents one hundred original prayers that evoke his deep Catholic belief in the mystery and miracle of the ordinary (and the whimsical) in human life. In, *A Book of Uncommon Prayer: 100 Celebrations of the Miracle & Muddle of the Ordinary*, which was named "A Best Spiritual Book of the Year" by *Spirituality & Practice*, you will find a series of prayers unlike any of the beautiful, formal, orthodox prayers of the Catholic tradition or the warm, extemporized prayers heard from pulpits and dinner tables. Doyle's often-dazzling, always-poignant prayers include eye-opening hymns to shoes and faith and family. In Doyle's words, "the world is crammed with miracles, so crammed and tumultuous that if we stop, see, savor, we are agog," and the pages of his newest book give voice and body to this credo. By focusing on experiences that may seem the most unprayerful (one prayer is titled "Prayer on Seeing Yet Another Egregious Parade of Muddy Paw Prints on the Floor"), he gives permission to discover the joys and treasures in what he often calls the muddle of everyday life.

Uncommon Love

At the lowest point in his life, living in a motel room with his wife and two children, John St. Augustine undertook a journey of a thousand miles, walking from northern Michigan to Chicago—and back—a journey that became one of discovery, and a chance for St. Augustine to reinvent himself. It was on this walk that the inspiration was born for a radio show that would be a positive voice in a world saturated by cynicism. Upon his return, despite having no prior radio experience, a local station gave him a chance: one hour a week for five weeks. Ten years and 5,000 guests later St. Augustine is living his dream, and, like *The Seven Habits of Highly Effective People®*, *Living an Uncommon Life* offers a roadmap for reaching your own dreams. St. Augustine discovered a pattern in the lives of the exceptional personalities with whom he has crossed paths including Oprah Winfrey, John Denver, Walter Payton, Wayne Dyer and others. Each of them refused to let negative circumstances dictate their life. Instead they found the inner strength to achieve great things. St. Augustine insists we all share these remarkable traits and in *Living an Uncommon Life* he offers powerful principles for unlocking your strengths and achieving your personal best.

Uncommon Manhood

Approaching 80, frail and alone, a remarkable man makes the journey from his sheltered home in England to Berlin to meet his granddaughter. He has six days left to live and must relate his life story before he dies. His life has been rich and full. He has witnessed firsthand the rise of the Nazis, experienced heartrending family tragedy, fought in the German army, been interred in a POW camp in Scotland and faced violent persecution in peacetime Britain. But he has also touched many lives, fallen deeply in love, raised a family and survived triumphantly at the limits of human endurance. He carries within him an astonishing family secret that he must share before he dies a story that will mean someone else's salvation. Welcome to the moving, heart-warming and uncommon life of Alfred Warner.

The 5 Love Languages

When *The Unbearable Lightness of Being* was first published in English, it was hailed as "a work of the boldest mastery, originality, and richness" by critic Elizabeth Hardwick and named one of the best books of 1984 by the *New York Times* Book Review. It went on to win the *Los Angeles Times* Book Prize for Fiction and quickly became an international bestseller. Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a beloved dog named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of one of the world's truly great writers.

An Uncommon Guide to Retirement

From one of England's most celebrated writers, a funny and superbly observed novella about the Queen of England and the subversive power of reading. When her corgi strays into a mobile library parked near Buckingham Palace, the Queen feels

duty-bound to borrow a book. Discovering the joy of reading widely (from J. R. Ackerley, Jean Genet, and Ivy Compton-Burnett to the classics) and intelligently, she finds that her view of the world changes dramatically. Abetted in her newfound obsession by Norman, a young man from the royal kitchens, the Queen comes to question the prescribed order of the world and loses patience with the routines of her role as monarch. Her new passion for reading initially alarms the palace staff and soon leads to surprising and very funny consequences for the country at large. With the poignant and mischievous wit of *The History Boys*, England's best loved author revels in the power of literature to change even the most uncommon reader's life.

Dog Man

A marriage gets stronger when you invite God into it. A companion study to Tony and Lauren Dungy's popular book *Uncommon Marriage*, this 5-week guide for couples or small groups delves into Scripture to explore the blessings and challenges couples face today. Drawing on biblical truths and their own personal experiences, Tony and Lauren share the importance of making time for each other, resolving conflict well, staying strong and committed through difficult times, coping with changes and big decisions, praying together, building a spiritual foundation for your family, and more. The *Uncommon Marriage Bible Study* will help equip your marriage to survive tough issues and flourish with joy, purpose, and partnership—in other words, to be a marriage that is truly uncommon. The book also includes icebreakers for groups, a leader's guide, and links to free resources for churches.

American Jezebel

• More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. **YOU WANT LESS.** You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. **AND YOU WANT MORE.** You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. **NOW YOU CAN HAVE BOTH — LESS AND MORE.** In *The ONE Thing*, you'll learn to * cut through the clutter *

achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

Uncommon People

What does it take to build a marriage that will last? Tony and Lauren Dungy have together known the highest of highs and the lowest of lows. They fell in love, built a family, and made sports history when Tony became the first African American head coach to win the Super Bowl. Yet they've also gone through difficult, relationship-testing setbacks, including job loss and devastating personal tragedy. In a culture where it seems harder and harder to make marriage last, what has kept the Dungys strong through it all? In *Uncommon Marriage*, Tony and Lauren share the secrets that hold them together, revealing what they've learned so far about being a good husband or wife; getting through times of loss, grief, or change; staying connected despite busy schedules; supporting each other's dreams and goals; and helping each other grow spiritually. They offer encouragement and practical advice to equip your marriage to survive tough issues and flourish with joy, purpose, and partnership—in other words, to be a marriage that is truly uncommon.

A Book of Uncommon Prayer

The New York Times bestseller is now in softcover with a bonus chapter on how the “Dare to Be Uncommon” movement is reaching schools, teams, and families across the country and an update on Tony's life since retiring as head coach of the Indianapolis Colts. What does it take to live a life of significance? When Indianapolis Colts coach Tony Dungy took home the trophy in Super Bowl XLI, fans around the world looked to him as the epitome of success. Athletic victory, professional excellence, fame and celebrity, awards and honors—he had it all. But even in that moment, he knew those achievements had little to do with his ultimate significance as a man. Coach Dungy still passionately believes that there is a different path to significance—a path characterized by attitudes, ambitions, and allegiances that are all too rare but uncommonly rewarding. In the New York Times best seller *Uncommon*, Dungy reveals secrets to achieving significance that he has learned from his remarkable parents, his athletic and coaching career, his mentors, and his walk with God.

How to Read a Book

The pages of this book reveal a truly uncommon life obtained from a highly credible and competent source. The author of the recollections, Tamás Kornfeld, i.e. Thomas DeKornfeld, M.D, was born into one of the richest families in Hungary in 1924. The young man clearly had practically unlimited opportunities but chose a medical career in order to help poor

people. These plans came to naught after the German occupation of Hungary in March, 1944. Fortunately he and his family were able to leave Hungary under an agreement with the Germans and were taken safely to Portugal. Thomas came to the United States in 1945 and, after some military service, resumed his education culminating eventually in a professorship in anesthesiology. He was most active in the development of education in respiratory care and is the author of some seventy papers and books. In the present volume he not only clearly demonstrates his deep obligation to his adopted country but also gives a sharp and sometimes incisive picture of his childhood, youth and extended family.

The Unbearable Lightness of Being

What am I going to do with my retirement? People talk about retirement like it's supposed to be an endless vacation. But what if, like the majority of those facing retirement, you can't afford such a luxury? Or, what if you just want something more from retirement? Some advocate for no retirement at all. But you've worked for decades and a rest and reprieve do sound appealing. What should you do? Does God have a purpose for your retirement? Yes, He does. Learn how to discern what it is by taking an uncommon approach. Jeff Haanen looks biblically and practically at the need for rest and purpose in retirement. And teaches you how to: Take a sabbatical rest in early retirement Listen to God's voice for their calling in retirement Rethink "work" in retirement Understand family systems and leaving a legacy Planning retirement doesn't have to be distressing. Retire in a way that's God-honoring, purpose-filled, restful, and truly biblical.

The Uncommon Life of Common Objects

Marriage is an adventure unlike any other. At times, you and your spouse may feel so close, connected, and in love that you're ready to take on the world together. But other times things grow distant, and you wonder where all the joy and excitement has gone. What is the secret to a happy, healthy, God-honoring marriage—one that will last through anything that comes your way? Join Tony and Lauren Dungy in The Uncommon Marriage Adventure, a series of daily reflections for couples. With transparency, wisdom, and humor, the Dungys share what they've learned over 30 years of marriage about faith, teamwork, conflict, communication, and more. Through each day's reading, you and your spouse will go deeper in loving, understanding, and learning to serve each other. Dare to embark on your own marriage adventure—and discover how to make your relationship truly uncommon.

Ah-Choo!

Common Man | Uncommon Life is a christian curriculum created specifically for men that uses the Navy SEAL Ethos as a roadmap to discuss timeless Biblical principles that God calls all men to. Using former SEAL interviews and teaching by

former Navy SEAL Jeff Bramstedt, the series calls all men to live a life engaged in the mission God has for every man. The Leader's Guide is a companion guide to the video series which features 5 days per episode of personal study around the topics presented on the Common Man | Uncommon Life video series and provides the leader of the group with additional content and suggestions/tips on how to lead the group well.

Wendy and the Lost Boys

"In The Uncommon Life of Common Objects, Akiko Busch devotes a chapter each to twelve objects, looking at the reasons these items took the forms they did and discussing how everyday things acquire their significance through daily human experience."--Jacket.

Uncommon

This edition contains 365 reflections from the #1 New York Times-bestselling author on living an uncommon life of integrity, honoring family and friends, creating a life of real significance and impact, and walking with the Lord.

The Uncommon Marriage Adventure

An elegy to the age of the Rock Star, featuring Chuck Berry, Elvis, Madonna, Bowie, Prince, and more, uncommon people whose lives were transformed by rock and who, in turn, shaped our culture. Recklessness, thy name is rock. The age of the rock star, like the age of the cowboy, has passed. Like the cowboy, the idea of the rock star lives on in our imaginations. What did we see in them? Swagger. Recklessness. Sexual charisma. Damn-the-torpedoes self-belief. A certain way of carrying themselves. Good hair. Interesting shoes. Talent we wished we had. What did we want of them? To be larger than life but also like us. To live out their songs. To stay young forever. No wonder many didn't stay the course. In *Uncommon People*, David Hepworth zeroes in on defining moments and turning points in the lives of forty rock stars from 1955 to 1995, taking us on a journey to burst a hundred myths and create a hundred more. As this tribe of uniquely motivated nobodies went about turning themselves into the ultimate somebodies, they also shaped us, our real lives and our fantasies. *Uncommon People* isn't just their story. It's ours as well.

Uncommon Ground

Uncommon Love is a landmark Bible study and the first of its kind. In a culture where gay rights, gay marriage, and a surplus of gender issues have recently exploded in the media, more and more kids are coming out—and many of these are from Christian homes with Christian parents who don't know what to do, how to respond, where to draw boundaries or if they even should. Scripture, which is the foundational basis for how to live the Christian life, has even been brought into question, further confusing the hearts and minds of Christian parents. Mary Comm presents a comprehensive navigational map for Christian parents whose kids (whether minor or adult) have Same-Sex Attraction or are living the LGB lifestyle. The primary purpose of *Uncommon Love* is to help parents maintain a loving, mutually respectful relationship with their LGB children and shows parents how to offer compassionate understanding and unconditional love without compromising their own identity, faith, and values.
