The Valley of Mist

The sequel to Die For My Sin continues as Keman struggles to enjoy his unexpected freedom before it's taken away again.

Lud-in-the-Mist

An ancient, powerful evil is loose in San Francisco. The heart of Silicon Valley must fight back the only way they know how - with compassion, unwavering determination, and, of course, super-technology. Anne Perrin is resigned to a life driven by an adolescent trauma: a strict routine, no socializing (outside of the safety of her waitressing job), and no romantic relationships. When her cautious lifestyle lets the perfect partner slip through her fingers, Anne vows she won't let it happen again and ventures into San Francisco to find happiness. Her first night out in a decade becomes a nightmare when her date turns on her with sadistic intent. But his nefarious plans for Anne are unexpectedly interrupted by a mysterious savior. Valiant, smart, compassionate Charlie is exactly the partner Anne has been looking for. And best of all, he likes her too. Things go well between her and Charlie until an assailant with unexpected strength plunges Anne into a world she didn't know existed - nor could have imagined - where super-science and an eclectic group of extraordinary individuals may be the solution to Anne's lifelong loneliness and humanity's only hope against an ancient threat.

Okami

The book that New York Times bestselling author Neil Gaiman considers "one of the finest [fantasy novels] in the English language." Between the mountains and the sea, between the sea and Fairyland, lay the Free State of Dorimare and its

picturesque capital, Lud-in-the-Mist. No Luddite ever had any truck with fairies or Fairyland. Bad business, those fairies. The people of Dorimare had run them out generations ago--and the Duke of Dorimare along with them. Until the spring of his fiftieth year, Master Nathaniel Chanticleer, Mayor of Lud-in-the-Mist and High Seneschal of Dorimare, had lived a sleepy life with his only son, Ranulph. But as he grew, Ranulph was more and more fond of talking nonsense about golden cups, and snow-white ladies milking azure cows, and the sound of tinkling bridles at midnight. And when Ranulph was twelve, he got caught up with the fairies, and Nathaniel's life would never be the same.

Girl in the Mist

When a boy named Ico grows long curved horns overnight, his fate has been sealed—he is to be sacrificed in the Castle in the Mist. But in the castle, Ico meets a young girl named Yorda imprisoned in its halls. Alone they will die, but together Ico and Yorda might just be able to defy their destinies and escape the magic of the castle. Based on the video game filmmaker Guillermo del Toro (Hellboy, Pan's Labyrinth) called a “masterpiece,” Japan's leading fantasist Miyuki Miyabe has crafted a tale of magic, loss, and love that will never be forgotten. -- VIZ Media

Sisters of the Mist

In the harsh Scottish highlands of 1565, superstition and treachery threaten a truce between rival clans. It's a weak truce at first, bound only by an arranged engagement between Anne MacGregor and Niall Campbell-the heirs of the feuding families. While Niall wrestles with his suspicions about a traitor in his clan, Anne's actions do not go unnoticed. And as accusations of witchcraft abound, the strong and sometimes callous Campbell heir must fight for Anne's safety among disconcerted clan members. Meanwhile his own safety is threatened with the ever-present threat of someone who wants him dead. Will Niall discover the traitor's identity in time? Can Anne find a way to fit into her new surroundings? Will the two learn to love each other despite the conflict? Through the Mist

From #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. For a thousand years the ash fell and no flowers bloomed. For a thousand years the Skaa slaved in misery and lived in fear. For a thousand years the Lord Ruler, the "Sliver of Infinity," reigned with absolute power and ultimate terror, divinely invincible. Then, when hope was so long lost that not even its memory remained, a terribly scarred, heart-broken half-Skaa rediscovered it in the depths of the Lord Ruler's most hellish prison. Kelsier "snapped" and found in himself the powers of a Mistborn. A brilliant thief and natural leader, he turned his talents to the ultimate caper, with the Lord Ruler himself as the mark. Kelsier recruited the underworld's elite, the smartest and most trustworthy allomancers, each of whom shares one of his many powers, and all of whom relish a high-stakes challenge. Only then does he reveal his ultimate dream, not just the greatest heist in history, but the downfall of the divine despot. But even with the best criminal crew ever assembled, Kel's plan looks more like the ultimate long shot, until luck brings a ragged girl named Vin into his life. Like him, she's a half-Skaa orphan, but she's lived a much harsher life. Vin has learned to expect betrayal from everyone she meets, and gotten it. She will have to learn to trust, if Kel is to help her master powers of which she never dreamed. This saga dares to ask a simple question: What if the hero of prophecy fails?
