### The Pretty Committee Strikes Back

All the water in the world is all the water in the world. We are all connected by water, and this message is beautifully, lyrically delivered from poet-musician-author George Ella Lyon. Where does water come from? Where does water go? Find out in this exploration of oceans and waterways that highlights an important reality: Our water supply is limited, and it is up to us to protect it. Dynamic, fluid art paired with pitch-perfect verse makes for a wise and remarkable read-aloud that will resonate with any audience. On sale: 03.22.11

### Fever 1793

In the second book starring Westchester County's most privileged middle schoolers, the Clique declares Massie a hero for hosting the first boy/girl Halloween party of 8th grade. Massie's already hired Landon Dorsey, the hottest party planner in the 9-1-4 area code, but her parents insist she has to invite the entire class. Unfortunately that means everyone. Layne is bummed that the boys will be there -- she IMs Claire that's so "DESPR8" -- as Claire wonders if maybe a boyfriend will make her happy. Meanwhile, Massie and the Clique are fighting over who gets to invite Derek Herrington. Dylan thought it was obvious that she was the one who danced all night with Derek at the OCD benefit last month, but says "Whatevs" when Kristen gets all weird about it. Fine, she can have him. He was a terrible dancer anyway and there will be tons of guys to choose from at the party.

### The Clique #14: A Tale of Two Pretties

As the only member of the Pretty Committee clique not going on an exotic summer vacation, middle-schooler Kristen might just find romance sticking around to tutor math and attend a secret summer school for gifted students.

## **The It Girl #1**

Everyone knows how all those fairy tales go. The princess gets beautiful, nabs her prince, falls instantly in love, lives happily ever after and leaves her evil stepsisters in the dust. But what happens when you're the ugly stepsister and your obnoxiously perfect-read pretty, smart, and, worst of all, sickeningly nice-stepsister is dating the charming, tall, devastatingly handsome guy you've had a thing for since you were nine years old? Quirky, artistic and snarky Mattie Lowe does not lead a charmed life. Her mother is constantly belittling her on Skype. Mercedes, the school mean girl, has made it her personal mission to torment Mattie. But worst of all? Her stepsister Ella is the most beautiful, popular girl in school and is dating Mattie's secret longtime crush, Jake Kingston. Tired of being left out and done with waiting for her own stupid fairy godmother to show up, Mattie decides to change her life. She'll start by running for senior class president against wildly popular Jake. Ella can keep her Prince Annoying. Mattie's going to rule the school. And no one, not even a cute and suddenly flirty Jake, is going to stop her.

Anastasia is hesitant to accept new surroundings when her family moves, but she soon learns moving means not only saying good-bye, but also making new friends.

## **The Clique #5: The Pretty Committee Strikes Back**

Zadie Smith's dazzling debut caught critics grasping for comparisons and deciding on everyone from Charles Dickens to Salman Rushdie to John Irving and Martin Amis. But the truth is that Zadie Smith's voice is remarkably, fluently, and altogether wonderfully her own. Nominated as one of America's best-loved novels by PBS's The Great American Read At the center of this invigorating novel are two unlikely friends, Archie Jones and Samad Iqbal. Hapless veterans of World War II, Archie and Samad and their families become agents of England's irrevocable transformation. A second marriage to Clara Bowden, a beautiful, albeit tooth-challenged, Jamaican half his age, quite literally gives Archie a second lease on life, and produces Irie, a knowing child whose personality doesn't quite match her name (Jamaican for "no problem"). Samad's late-in-life arranged marriage (he had to wait for his bride to be born), produces twin sons whose separate paths confound Iqbal's every effort to direct them, and a renewed, if selective, submission to his Islamic faith. Set against London's racial and cultural tapestry, venturing across the former empire and into the past as it barrels toward the future, White Teeth revels in the ecstatic hodgepodge of modern life, flirting with disaster, confounding expectations, and embracing the comedy of daily existence.

## **The Pretty Committee Strikes Back**

A tragic haircut leaves Kristen looking manlier than a New York Jets linebacker. Will she be condemned to a season of trying to find cute hats when, as everyone knows, hats are so over? Meanwhile, Claire got everything she wants -- new camo Converse high-tops, bag and bags of gummies, and best of all, her first ever cell phone, from Massie. Although Claire's now an official member of the Clique,

presents don't matter to her -- all she really wants is her first kiss from Cam, of course!

## **The Clique #4: Invasion of the Boy Snatchers**

The Pretty Committee is in a crisis when changes in relationships and boy-swapping incidents impact longstanding friendships and causes Massie to end up in messy love triangle with Dempsey and Layne Abeley. 400,000 first printing.

## **The Green Book**

Massie gets BE-yoo-tiful: After Massie Block gets kicked off her high horse and out of her ultra exclusive Westchester riding camp, her parents force her to do the unthinkable-find a summer job. Not one for dog-walking or brat-sitting, Massie comes up with the ah-bvious solution: She'll be a sales rep for the cosmetics brand Be Pretty. Massie fully hearts her new role as fairy gawdmother of makeup-until she discovers transforming LBRs into glam-girls takes more than a swish of her royal purple mascara wand.

## **Revenge of the Wannabes: A Clique Novel**

## **The Clique #5: The Pretty Committee Strikes Back**

Michael Wolff, author of the bombshell bestseller *Fire and Fury*, once again takes us inside the Trump presidency to reveal a White House under siege. Just one year into Donald Trump's term as president, Michael Wolff told the electrifying story of a White House consumed by controversy, chaos, and intense rivalries. *Fire and Fury*, an instant sensation, defined the first phase of the Trump administration; now, in *Siege*, Wolff has written an equally essential and explosive book about a presidency that is under fire from almost every side. At the outset of Trump's second year as president, his situation is profoundly different. No longer tempered by experienced advisers, he is more impulsive and volatile than ever. But the wheels of justice are inexorably turning: Robert Mueller's "witch hunt" haunts Trump every day, and other federal prosecutors are taking a deep dive into his business affairs. Many in the political establishment—even some members of his own administration—have turned on him and are dedicated to bringing him down. The Democrats see victory at the polls, and perhaps impeachment, in front of them. Trump, meanwhile, is certain he is invincible, making him all the more exposed and vulnerable. Week by week, as Trump becomes increasingly erratic, the question that lies at the heart of his tenure becomes ever more urgent: Will this most abnormal of presidencies at last reach the breaking point and implode? Both a riveting narrative and a brilliant front-lines report, *Siege* provides an alarming and indelible portrait of a president like no other. Surrounded by enemies and blind to his peril, Trump is a raging, self-destructive inferno—and the most divisive leader in American history.

## **THESE BOOTS ARE MADE FOR STALKING**

THE CLIQUE is back Massie Block: With her glossy brunette bob and Whitestrip smile, Massie is the uncontested ruler of The Clique and the rest of the social scene at Octavian Country Day, an exclusive private school in Westchester County, New

York. Claire Lyons: Has finally arrived! But will she be able to stay in Massie's inner circle? Alicia Rivera: Would love to take Massie's throne one day. Just might do it. Dylan Marvil: Massie's second in command, who divides her time between sucking up to Massie and sucking down Atkin's shakes. Kristen Gregory: Will insult you to tears faster than you can say "scholarship kid." THE CLIQUEThe only thing harder than getting in is staying in.

## **The Dirty Book Club**

Her FBFs haven't changed at all. Too bad they think Claire has . . . and not for the better. Claire sets out to prove her loyalty by entering Kissimmee's Miss Kiss pageant. But when a very special visitor shows up and vows to win the crown, Claire finds herself torn between Keds and couture. Will Claire finally kiss-immee her past goodbye-once and for all?

## **Siege**

It's the end of the world as we know it Someday soon, you might wake up to the call to prayer from a muezzin. Europeans already are. And liberals will still tell you that "diversity is our strength"--while Talibanic enforcers cruise Greenwich Village burning books and barber shops, the Supreme Court decides sharia law doesn't violate the "separation of church and state," and the Hollywood Left decides to give up on gay rights in favor of the much safer charms of polygamy. If you think this can't happen, you haven't been paying attention, as the hilarious, provocative, and brilliant Mark Steyn--the most popular conservative columnist in the English-speaking world--shows to devastating effect. The future, as Steyn shows, belongs to the fecund and the confident. And the Islamists are both, while the West is looking ever more like the ruins of a civilization. But America can survive, prosper, and defend its freedom only if it continues to believe in itself, in the sturdier virtues of self-reliance (not government), in the centrality of family, and in the conviction that our country really is the world's last best hope. Mark Steyn's America Alone is laugh-out-loud funny--but it will also change the way you look at the world.

## **What My Mother Doesn't Know**

Advanced degrees are necessary for careers that once required only a college education. Yet little has been written about who gets into grad school and why. Julie Posselt pulls back the curtain on this secret process, revealing how faculty evaluate applicants in top-ranked doctoral programs in the humanities, social sciences, and natural sciences.

## **Tipping Points**

A collection of sketches by two designers, used by model makers to build characters, vehicles, and buildings for the movie, "The Empire Strikes Back."

## **All the Water in the World**

Three girls, two guys, five secret journals. The five most popular students at Noble High have secrets to hide; secrets they wrote down in their journals. Now one of their own exposes the private entries I am leaking these because I'm tired and I know you are too. The success bar is too high and pretending has become the only way to reach it. Instagrams are filtered, Facebook profiles are embellished, photos are shopped, reality TV is scripted, body parts get upgraded like software, and even professional athletes are cheating. The things we believe in aren't real. We are pretenders.

## **Inside Graduate Admissions**

It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight—the fight to stay alive.

## **America Alone**

After the Pretty Committee falls apart, Massie forms a new clique, but competition from cliques at a rival school leave Claire stuck in the middle as she is forced to declare her loyalty and chose sides.

## **White Teeth**

Friendships are tested when Alicia, a seventh grader at Octavian Country Day School, decides to break away from the exclusive clique led by her best friend to start her own group.

## **Boys 'r' Us**

From the author of the #1 New York Times bestselling series *The Clique* comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have

suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of The Dirty Book Club help each other find the courage to rewrite their own stories and risk it all for a happy ending.

## **Pretty Dead Girls**

NATIONAL BESTSELLER "Terrific." — BEN SHAPIRO "Outstanding." — DANA LOESCH  
The Left is on the attack, and the war for our country is at a crucial tipping point. Liberals know they're within reach of radically transforming America. They don't like the U.S. Constitution. They're allergic to Americans' "gun culture." They find our faith and our devotion to family distasteful. And our commitment to liberty positively sends them into a panic. As soon as the Democrats get power anywhere, they stand ready to throw our God-given rights under the bus of political correctness, transgender insanity, and socialism (the economic system that always promises equality and utopia, but somehow always delivers resentment, poverty, and decay). So how can we tip the momentum back in our favor? How can we fight effectively for freedom, the U.S. Constitution, limited government, faith and family, and the survival of the American Republic? Liz Wheeler to the rescue! The popular host of One America News Network's "Tipping Point with Liz Wheeler" is a brilliant and highly effective debater who shows how we can go on the rhetorical attack against the Left—and win—with a multi-technique program for catching the Left in their inconsistencies and under-handed schemes and skewering them for their bold-faced lies. In *Tipping Points: How to Topple the Left's House of Cards*, Liz Wheeler identifies the five "Tipping Points" where liberals are poised to win, trains you in her proven debating techniques, and deputizes you to take up arms in the fight for our nation's heart and soul. It's training you need right now, today. Our country is at a tipping point. And make no mistake—if the Left isn't defeated, they're taking

down America.

## **The Clique #6: Dial L for Loser**

Popular Gossip Girl character Jenny Humphrey is leaving Constance Billard to attend Waverly Academy, an elite boarding school in New York horse country where glamorous rich kids don't let the rules get in the way of an excellent time. Determined to leave her Manhattan past behind her, Jenny sets off to Waverly with big plans of reinventing herself. She'll be a goddess--she's a sophisticated city girl, after all!--and will find a boy who can properly worship her. But that's going to be a little tricky since her self-absorbed new roommates, Callie Vernon and Brett Messerschmidt, aren't exactly there to help--unless there's something in it for them. Hot guys, new intrigue, and more delicious gossip all add up to more trouble than ever for Jenny. But if getting caught with boys and going up against the Disciplinary Committee is what it takes, Jenny's ready. She'll do all that and more to be The It Girl.
