#### **1, 2 & 3 John (Understanding the Bible Commentary Series)**

Studying the theology of the New Testament can be a daunting task, even to the knowledgeable Bible student or pastor. Each of the twenty-seven books, written by various authors, has its own theological emphasis and nuances. How do we elicit a coherent message from such theological diversity, especially given that some of the theological statements in the New Testament seem to be at odds with one another? Is such an endeavor achievable or even valid? Theology of the New Testament takes a balanced approach in response to these challenges. Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole. He not only examines each book's theological content individually, but also in relation to the rest of the New Testament, particularly within each of the three theological units that comprise the New Testament: the gospels and Acts, the Pauline epistles, and the general epistles and Revelation. This canonical and synthetic approach honors both the theological diversity of the various books and the theological connections between the books. In the end, Thielman finds a unified theological vision of the New Testament, anchored in the centrality of Jesus Christ. Frank Thielman's Theology of the New Testament is an outstanding achievement. The book is marked by scholarly depth, exegetical rigor, and theological profundity. Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents.

Thomas R. Schreiner Professor of New Testament, The Southern Baptist

Theological Seminary An accessible presentation of the key theological points of the New Testament books by an accomplished New Testament scholar and teacher. Its clear style, lucid organization, and sound theological insight make it a prime resource for serious students in both the academy and the church. Karen H. Jobs, PhD Associate Professor of New Testament, Westmont College

What would you do differently tomorrow if you realized that your life had greater purpose? How much longer could you go through the same daily routine, knowing that you were meant to do something more important and meaningful? “Discover the Unseen” is not just a book; it is an experience. This experience is designed to lead you through your personal journey in discovering your deepest desires and to living your Righteous Cause. Start participating in your life instead of letting life just happen! You are invited to experience literature that imparts meaning as well as knowledge. Jeff Wagoner’s self-discovery book, “Discover the Unseen...” is a journey designed around a process we’ve named Advent5™ which guides you, the participant, in discovering all that is needed to begin the journey toward your ultimate purpose. Go on a journey with Jeff to discover the purpose and righteous cause within you by applying Advent5™, a method developed through Jeff’s cumulative life experience and wisdom. He has helped guide countless individuals along their path toward discovering their Desire. His experience and wisdom has been developed into an engaging and transformative life experience that will help you discover the passion that drives you deep within yourself. Experience the 5 step process that Jeff has named Advent5™ and hear stories about his own journey toward discovering his purpose. This action driven and result oriented process gives you the ability to participate in the design of your life through a 5 step process in defining your Desire, identifying your Talents, and creating a deliberate action plan. This process of personal development will be guided by the Advent5™ Elements which support you on your journey to your Righteous Cause. You’ll build on the Advent5 Elements of: Fire: Desire and passion - The focus is rediscovery and defining your desire and passion, and identifying who and what you are. Water: Collective wisdom and refreshed growth in flow - The focus is identifying your natural talents, support system of the people around you, and services that can help in the fulfillment of your Desire/Fire. Wind: Acceptance of what is, intention, and actions - The focus is setting your intention in the face of adversity with concrete actions. Build the Steps to move your Desire/Fire forward. Sun: Light, warmth, and focus - The focus is developing a value added path and shining a tightly focused light on the path to your Desire/Fire. Rock: Foundation, commitment, and certainty - The focus is in the establishment of measures for sustainability on your journey in total alignment with your Desire/Fire and living out your Righteous Cause. Uncovering your authentic self and aligning with your Desire in living your Righteous Cause will generate a feeling of purpose and completeness. I know this, as it has happened to me in the process of completing this book and the development of the processes of Advent5™. Remember, it all begins when you Discover the Unseen...

University Challenge is one of the world's top quiz shows, enjoyed by millions, both participants and observers. But Discworld fans may feel that not many questions cover the real questions in Life, for example, Who or what could be seen as the inspiration for the near-tragic accident from which nanny Ogg is saved only by a special willow-reinforced hat made for her by Mr Vernissage of Slice? And give a plausible origin for Mrs Rosie Palm, proprietor of the famous House of Negotiable Affection in the Shades. Each Faculty at the Unseen University has provided a set of questions, and answers are included for those who are not sure how the poisonous effects of quicksilver fumes are an occupational hazard of magic-users. The questions have been compiled by Mr David Langford, who knows quite as much - and arguably more - about the Discworld as its Creator, and Terry Pratchett has provided an Introduction.

Sites Unseen examines the complex intertwining of race and architecture in nineteenth and early-twentieth century American culture, the period not only in which American architecture came of age professionally in the U.S. but also in which ideas about architecture became a prominent part of broader conversations about American culture, history, politics, and—although we have not yet understood this clearly—race relations. This rich and copiously illustrated interdisciplinary study explores the ways that American writing between roughly 1850 and 1930 concerned itself, often intensely, with the racial implications of architectural space primarily, but not exclusively, through domestic architecture. In addition to identifying an archive of provocative primary materials, Sites Unseen draws significantly on important recent scholarship in multiple fields ranging from literature, history, and material culture to architecture, cultural geography, and urban planning. Together the chapters interrogate a variety of expressive American vernacular forms, including the dialect tale, the novel of empire, letters, and pulp stories, along with the plantation cabin, the West Indian cottage, the Latin American plaza, and the “Oriental” parlor. These are some of the overlooked plots and structures that can and should inform a more comprehensive consideration of the literary and cultural meanings of American architecture. Making sense of the relations between architecture, race, and American writing of the long nineteenth century—in their regional, national, and hemispheric contexts—Sites Unseen provides a clearer view not only of this catalytic era but also more broadly of what architectural historian Dell Upton has aptly termed the social experience of the built environment.

The Understanding the Bible Commentary Series helps readers navigate the

strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices, yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the truth found in this commentary series.

In 1990, New City Press, in conjunction with the Augustinian Heritage Institute, began the project known as: The Works of Saint Augustine, A Translation for the 21st Century. The plan is to translate and publish all 132 works of Saint Augustine, his entire corpus into modern English. This represents the first time in which The Works of Saint Augustine will all be translated into English. Many existing translations were often archaic or faulty, and the scholarship was outdated. New City Press is proud to offer the best modern translations available. The Works of Saint Augustine, A Translation for the 21st Century will be translated into 49 published books. To date, 41 books have been published by NCP containing 93 of The Works of Saint Augustine, A Translation for the 21st Century. Augustine's writings are useful to anyone interested in patristics, church history, theology and Western civilization. -- Publisher.

Academic Working Lives: Experience, Practice and Change examines the ways in which lecturers and their roles have developed in the modern academic workplace.

The book offers insights into changing occupational roles, institutions and the adaptations around flexible and mobile working in everyday professional life. The editors have drawn together an impressive range of research perspectives and themed topics that cover the key aspects of academic professional identity and relationships, as well as reflecting experiences of learning and development at work in today's academy. The contributors explore lecturers' everyday working experiences in the light of the impact of policy changes, and the modes of academic leadership and management in contemporary higher education. Contributions reflect situations and contexts from across the UK and internationally, in taking account of the changing workforce, evolving pedagogies and new technologies in the working lives of today's educational professionals.

Out walking alone one rainy night, Lucy becomes convinced that someone—or something—is following her. Spooked, she ducks into a cemetery to try and lose her stalker. Panicking in the darkness, she slips and stumbles into an open grave—only to discover she is not alone in there. . . . Lucy manages to escape, but she doesn't get away unscathed. She begins having terrifying visions and dreams—and she still can't shake the feeling of an unseen presence, always watching, waiting. . . . Who was the girl in the grave? And what has she done to Lucy?

After years of close contact with the Johannine epistles, David Rensberger discusses the numerous puzzles—linguistic, literary, and historical—that characterize these brief texts. His comments on their theological and ethical significance illumines the meaning and interrelationship of faith and love. In short, Rensberger skillfully demonstrates that despite the Johannine epistles' existence on the periphery of the New Testament canon, they nevertheless touch on the heart of its message. Inquiry includes relationship of these epistles to the gospel of John, Christology, Dualism, Eschatology, the Church, and Salvation.
