Rediscover the unforgettable, heart-wrenching romance set in post-World War II North Carolina, about a young socialite who can't forget the boy who once stole her heart--now one of PBS's Top 100 "Great American Reads." Every so often a love story so captures our hearts that it becomes more than a story--it becomes an experience to remember forever. The Notebook is such a book. It is a celebration of how passion can be ageless and timeless, a tale that moves us to laughter and tears and makes us believe in true love all over again. At thirty-one, Noah Calhoun, back in coastal North Carolina after World War II, is haunted by images of the girl he lost more than a decade earlier. At twenty-nine, socialite Allie Nelson is about to marry a wealthy lawyer, but she cannot stop thinking about the boy who long ago stole her heart. Thus begins the story of a love so enduring and deep it can turn tragedy into triumph, and may even have the power to create a miracle.

Everyone is looking for it on St. Michel in the Caribbean. Here the president is a raving lunatic, the "Black Police" have the run of the capital, guerilla forces mass in the hills, an organized crime syndicate plans its own takeover, and U.S. agents brutally battle for a document filled with hot political secrets, the lost notebook of Ernest Hemingway. And here one of America's toughest spies, the man they call November, will need all his courage and cunning if the coveted prize is to be his.

Michelangelo's Notebook

Daniel does not believe in love at first sight until he lays eyes on Six, a girl with a quirky personality, but a secret from the past could jeopardize their chance at happily ever after.

One Day Deluxe Movie Edition (Enhanced eBook)

This is a meditation, or rather, a series of meditations, on the Gospel of Luke. Even more precisely, it is an invitation to meditation on the Gospel. It is not a novel. It is not a work of history. What a reader will find here is a series of imaginary scenes, taken from different parts of Luke's Gospel. The stories feature minor characters or

people not even mentioned in the original Gospel of Luke, but who must have been present when Jesus was speaking and acting. They are people a little bit like ourselves: not famous, not heroes, but ordinary people who are challenged by what they see and hear.

The Silver Notebook

When she discovers that her boyfriend is cheating on her, Sydney, a 22-year-old college student, must decide what to do next, especially when she becomes captivated by her mysterious neighbor Ridge. Original.

Drawn from Lee Strobel's own experiences as a former atheist engaged in a thorough search for truth, the articles and notes throughout The Case for Christ Study Bible provide a solid explanation of where the historical and scientific evidence point - toward the existence of a compassionate Creator God and his Son, Jesus, the Savior. The Case for Christ Study Bible features more than 500 notes and articles, including: A.) The Case for a Creator: highlighting the wonders of creation and demonstrating how the scientific evidence supports belief in an all-powerful Creator. B.) The Case for the Bible: exploring the character of the Bible, the extra-biblical evidence that corroborates scripture, and apparent contradictions. C.) The Case for Christ: investigating Jesus' claims, Messianic identity, deity, and resurrection. D.) And much more. The Good News of the Gospel transformed the life of this former atheist. It can do the same for others who commit to examining the evidence for themselves.

A FLEA'S NOTEBOOK

Colleen Hoover, the New York Times bestselling author of *Maybe Someday*, brilliantly brings to life the story of the wonderfully hilarious and charismatic Warren in a new novella, *Maybe Not*. When Warren has the opportunity to live with a female roommate, he instantly agrees. It could be an exciting change. Or maybe not. Especially when that roommate is the cold and seemingly calculating Bridgette. Tensions run high and tempers flare as the two can hardly stand to be in

the same room together. But Warren has a theory about Bridgette: anyone who can hate with that much passion should also have the capability to love with that much passion. And he wants to be the one to test this theory. Will Bridgette find it in herself to warm her heart to Warren and finally learn to love? Maybe. Maybe not.

Hemingway's Notebook

Jerry Floh ('flea' in German) is invited to a Southampton mansion by influential Buzzy Powers, a guy he knew growing up when his name was Buzzy Pulsky. Jerry has a bad memory of Buzzy and now, twenty-five years later, they have met by chance. Buzzy has risen to success in Hollywood while Jerry grinds out his life as a suburban teacher with a wife, Flo, and three kids. His stay at the mansion, which lasts much longer than the agreed-upon weekend, turns Jerry's world upsidedown from which he barely escapes.

Adventures of Working Men From the Notebook of a Working Surgeon

I, Sniper Recruited by the FBI to examine the data, retired Marine sharpshooter Bob Lee Swagger penetrates the new technology of the secretive sniper world to unravel a sophisticated conspiracy run by his most ruthless adversary yet—a

marksman whose keen intellect and pinpoint accuracy rival his own. But when the enemy and his deadly henchmen mistake Bob for the hunted, it's clear that some situations call for a good man with a gun . . . and the guts to use it. Night of Thunder Woe unto he who crosses Bob Lee Swagger, especially when his daughter's life is at stake. Forced off the road and into a crash that leaves her in a coma, clinging to life, reporter Nikki Swagger had begun to peel back the onion of a Southernfried conspiracy bubbling with all the angst, resentment, and dysfunction that Dixie gangsters can muster. An ancient, violent crime clan, a possibly corrupt law enforcement structure, gunmen of all stripes and shapes, and deranged evangelicals rear their ugly heads and will live to rue the day they targeted the wrong man's daughter. It's what you call your big-time bad career move. All of it is set against the backdrop of excitement and insanity that only a weeklong NASCAR event can bring to the backwoods of a town as seemingly sleepy as Bristol, Tennessee. 47th Samurai Bob Lee Swagger and Philip Yano are bound together by a single moment at Iwo Jima, 1945, when their fathers, two brave fighters on opposite sides, met in the bloody and chaotic battle for the island. Only Earl Swagger survived. More than sixty years later, Yano comes to America to honor the legacy of his heroic father by recovering the sword he used in the battle. Bob Lee finds the sword and delivers it to Yano in Tokyo. On inspection, they discover that it is not a standard WWII blade, but a legendary shin-shinto katana, an artifact of the nation. It is priceless but worth killing for. Suddenly Bob is at the center of a series of terrible crimes he barely understands but vows to

Stroke Rehabilitation - E-Book

When David’s 11-year-old nephew goes missing and he finds the finger pointed at him, he has no choice but to strike out on his own – an unlikely vigilante running away from the police and his own family, and running towards what he hopes desperately is the truth about Andrew’s disappearance. David Kingsgrove is a man on a mission. An ordinary man – and an extraordinary mission. It is a mission that will turn him into someone he never thought he would be: the king of the road, the loner on the highway, the crusader for a sort of justice he has never before had to seek. Andrew had been a regular visitor to David’s home right up until the day he

disappeared, walking out the front door to visit a neighbour. It doesn't take long for the police to decide that David – a single man in his thirties, living alone – is their suspect. Soon Andrew's parents will share that opinion. But David knows that he didn't take Andrew. Realising that the only way Andrew will be found is if he finds him – the police, after all, are fixated on David as their suspect and are not looking anywhere else – David turns to the one person who he knows will help him: Matty an ex-cop now his personal trainer, whose own son disappeared several years before. David's crusade to find Andrew will also take him into his own dark heart – to do things he never thought he would have to do, and go places he has never wanted to go. And the choices David makes lead us all to ask: How far would I go to save someone I love? This is a compelling story that is almost impossible to stop reading – a hero's journey, of sorts, with a momentum that is breathtaking even while the subject matter is confronting.

The Evil Within

Stalin's Ghost Investigator Arkady Renko, the pariah of the Moscow prosecutor's office, has been assigned the thankless job of investigating a new phenomenon: late-night subway riders report seeing the ghost of Joseph Stalin. The illusion seems part political hocus-pocus and also part wishful thinking, for among many Russians Stalin is again popular; the bloody dictator can boast a two-to-one approval rating. Decidedly better than that of Renko, whose lover, Eva, has left him

for Detective Nikolai Isakov, a charismatic veteran of the civil war in Chechnya, a hero of the far right and, Renko suspects, a killer for hire. The cases entwine, and Renko's quests become a personal inquiry fueled by jealousy. Wolves Eat Dogs The death of one of Russia's new billionaires leads Arkady Renko to Chernobyl and the Zone of Exclusion—closed to the world since 1986's nuclear disaster. It is still aglow with radioactivity, now inhabited only by the militia, shady scavengers, a few reckless scientists, and some elderly peasants who refuse to relocate. Renko's journey to this ghostly netherworld, the crimes he uncovers there, and the secrets they reveal about the New Russia make for an unforgettable adventure. Three Stations In Three Stations, Renko's skills are put to their most severe test. Though he has been technically suspended from the prosecutor's office for once again turning up unpleasant truths, he strives to solve a last case: the death of an elegant young woman whose body is found in a construction trailer on the perimeter of Moscow's main rail hub. It looks like a simple drug overdose to everyone—except to Renko, whose examination of the crime scene turns up some inexplicable clues, most notably an invitation to Russia's premier charity ball. Thus a sordid death becomes interwoven with the lifestyles of Moscow's rich and famous, many of whom are clinging to their cash in the face of Putin's crackdown on the very oligarchs who placed him in power.
