This invaluable interpretive tool, first published in 1937, is now available for the first time in a paperback edition specially aimed at students of Chinese Buddhism. Those who have endeavoured to read Chinese texts apart from the apprehension of a Sanskrit background have generally made a fallacious interpretation, for the Buddhist canon is basically translation, or analogous to translation. In consequence, a large number of terms existing are employed approximately to connote imported ideas, as the various Chinese translators understood those ideas. Various translators invented different terms; and, even when the same term was finally adopted, its connotation varied, sometimes widely, from the Chinese term of phrase as normally used by the Chinese. For instance, klésa undoubtedly has a meaning in Sanskrit similar to that of, i.e. affliction, distress, trouble. In Buddhism affliction (or, as it may be understood from Chinese, the afflictors, distressers, troublers) means passions and illusions; and consequently fan-nao in Buddhist phraseology has acquired this technical connotation of the passions and illusions. Many terms of a similar character are noted in the body of this work. Consequent partly on this use of ordinary terms, even a well-educated Chinese without a knowledge of the technical equivalents finds himself unable to understand their implications.

## **The Weight of Heaven**

My name is Lucy McEachern Irving and I am a 30 yr old mother of four, but I only have one living to put to bed every night. He is amazing, and I love him more than anyone could ever imagine. My book is about his sister and his brothers that GOD blessed me with and then took them back to heaven to be with him all in the same breath. I was madly in love with their father and shortly after we married he began to physically hurt me and yet I stayed throughout all the fights and two deaths of our children. I did manage to find true happiness but my children have always held me back in some way. Everything in my life surrounded what happened when they died and surrounded the deep unending connection that their father and I had. He had a hold on me that is not healthy in any way. I went through other abuses, and everyone Ive ever loved thought that the way to express their love for me was with violence. After the death of my children I fell into a very dark place and fell into deep addiction with the fault of no one but my own. I had to learn how to deal with my pain sober, and had to relive everything about their deaths all over again because I truly believed I could numb my pain and never deal with it. I managed to find a way to stay sober and after completely losing all faith I began to realize that without that I couldnt go any were. I couldnt get back up without GODs help. I do end up being blessed with the most amazing baby boy and even though it was a fight to get him here to stay with me, I thank GOD for my blessing and dont take it for granted not one second. But after learning how to live without my

## Online Library The Weight Of Heaven Thrity Umrigar

children s father and learning to be without him, I fell in real love with a wonderful man who supports me and loves me the way love is meant to be. He gave me a child after 5 miscarriages, but even he couldnt protect me from my children s father, and he did come back into my life to destroy me and what I had managed to salvage of my life. Even my new husband isnt perfect and managed to tear me apart in other ways. And to surprise, another death came into my world and destroyed us for so long. We do manage to find each other again, and because of the strength GOD gave me we are now happy and ready to start our lives together allover again with our precious miracle baby. My story is coming in two volumes because there is so much to tell. I want to show people like me that it can get better if you just try. If you give it to GOD it will happen and your dreams can come true. My main goal is to help just one person in this world to see that they are not alone and never will be. I also want to say, IF I CAN MAKE IT ANYONE CAN!

### **Heaven Cracks, Earth Shakes**

Fat, forty-four, father of three sons, and facing a vasectomy, Mark Obmascik would never have guessed that his next move would be up a 14,000-foot mountain. But when his twelve-year-old son gets bitten by the climbing bug at summer camp, Obmascik can't resist the opportunity for some high-altitude father-son bonding by hiking a peak together. After their first joint climb, addled by the thin air, Obmascik decides to keep his head in the clouds and

## Online Library The Weight Of Heaven Thrity Umrigar

try scaling all 54 of Colorado's 14,000-foot mountains, known as the Fourteeners -- and to do them in less than one year. The result is *Halfway to Heaven*, Pulitzer Prize-winning journalist Obmascik's rollicking, witty, sometimes harrowing, often poignant chronicle of an outrageous midlife adventure that is no walk in the park, although sometimes it's *A Walk in the Woods* -- but with more sweat and less oxygen. Half a million people try climbing a Colorado Fourteener every year, but only twelve hundred have reported summiting them all. Can an overweight, stay-at-home dad become No. 1,201? With his ebullient personality and sparkling prose, Obmascik brings us inside the quirky, colorful subculture of mountaineering obsessives who summit these mountains year after year. Honoring his concerned wife's orders not to climb alone, Obmascik drags old friends up the slopes, some of them lifelong flatlanders tasting thin air for the first time, and lures seasoned Rockies junkies into taking on a huffing, puffing newbie by bribing them with free beer, lunches, and car washes. Among the new friends he makes are an ex-drag racer trying to perform a headstand on every summit, the lead oboe player in a Hebrew salsa band, and a climber with the counterproductive pre-climb ritual of gulping down four beers and a burrito. Along the way, Obmascik experiences the raw, rowdy, and rarely seen intimacy of male friendship, braced by the double intoxicants of adrenaline and altitude. Though danger is always present -- the Colorado Fourteeners have killed more climbers than Mount Everest -- Mark knows his aging scalp can't afford the hair-raising adventures of Jon Krakauer's *Into Thin Air*, and his quest becomes a story of family, friendship, and

## Online Library The Weight Of Heaven Thrity Umrigar

fraternity. In Obmascik's summer of climbing, he loses fifteen pounds, finds a few dozen man-dates, and gains respect for the history of these storied mountains (home to cannibalism, gold rushes, shoot-outs, and one of the nation's most famed religious shrines). As much about midlife and male bonding as it is about mountains, *Halfway to Heaven* tells how weekend warriors can survive them all as they reach for those most distant things -- the summits of mountains and a teenage son. And as one man exceeds the physical achievements of his youth, he discovers that age -- like summit height -- is just a number.

### **Halfway to Heaven**

“Powerful. . . . Twisty, brimming with dark humor and keen moral insight, *The Weight of Heaven* packs a wallop on both a literary and emotional level. . . . Umrigar . . . is a descriptive master.” — Christian Science Monitor

From Thrity Umrigar, bestselling author of *The Space Between Us*, comes *The Weight of Heaven*. In the rich tradition of the acclaimed works of Indian writers such as Rohinton Mistry, Akhil Sharma, Indra Sinha, and Jhumpa Lahiri, *The Weight of Heaven* is an emotionally charged story about unexpected death, unhealed wounds, and the price one father will pay to protect himself from pain and loss. Additionally, it offers unique perspectives, both Indian and American, on the fragmented nature of globalized India.

The Huainanzi has in recent years been recognized by scholars as one of the seminal works of Chinese thought at the beginning of the imperial era, a summary of the full flowering of early Taoist philosophy. This book presents a study of three key chapters of the Huainanzi, "The Treatise on the Patterns of Heaven," "The Treatise on Topography," and "The Treatise on the Seasonal Rules," which collectively comprise the most comprehensive extant statement of cosmological thinking in the early Han period. Major presents, for the first time, full English translations of these treatises. He supplements the translations with detailed commentaries that clarify the sometimes arcane language of the text and presents a fascinating picture of the ancient Chinese view of how the world was formed and sustained, and of the role of humans in the cosmos.

### **Thirty Short Sermons**

Fresh out of seminary school, Ben Montague had expectations of serving God when he became associate pastor of First Covenant Chapel. The tiny country church was just the place to get his career off on the right foot. That was until he started working with the Reverend Bob Buck. Five years away from retirement and on a personal mission to show his

## Online Library The Weight Of Heaven Thrity Umrigar

worth to others from his past, Buck's motives start to become increasingly apparent to Ben. It starts with something as small as omitting hymnal songs from the services, but when Buck suggests an \$8.5 million loan for a new sanctuary, Ben knows he has boarded a sinking ship. Buck's true character gradually begins to reveal itself through greed and egotism--all the while insisting his actions are motivated by an effort to express God's love. A realistic and, at times, shocking glimpse into the ugly side of organized religion, "On This Side of Heaven" is a page-turner that teaches an important lesson: God is in the Church, but the Church is not God.

### **Journal of the Royal Asiatic Society of Great Britain & Ireland**

HEAVEN RIDE is a techno-thriller about two loyal friends who unlock secrets of the human soul and invent a device that ejects the soul and long-term memory on its path to heaven, and then brings it back. The "Pod" enables them to build Heaven Ride into the most lucrative empire the world has ever known, until ruthless rivals embark on a campaign of deceit, treachery and betrayal to wrest it away for their own insidious plan. This quandary of science and morality may change the way you think about heaven and the afterlife FOREVER. \* \* \* David Brownington, a brilliant entrepreneurial mastermind with a leading business incubator, comes in contact with a mysterious gadget that measures wavelengths never seen before. His close friend, JW Gomez, a third-year Ph.D. candidate, supercedes the boundaries of his

## Online Library The Weight Of Heaven Thrity Umrigar

doctoral studies using a bio-pod that creates out-of-body experiences. Driven by memories of his little brother who perished in a gruesome accident as a child, JW's extra-curricular studies of sudden traumatic death lead to the astonishing discovery of the human soul. When David and JW merge these devices, they stumble upon the highway to heaven. Each of them falls in love as their miraculous invention takes the world by storm. Millions make the trip. As Heaven Ride prospers, its repercussions ripple throughout society. Protests, bombs and kidnappings threaten to shut it down, posing risks to David, JW, their friends and families. Long after Heaven Ride becomes a household word, startling revelations put David and JW in the crosshairs of dangerous men seeking ultimate power. With HEAVEN RIDE, John Eccleston and Kerry Gleason have woven an intense tale of ambition, success, friendship, betrayal, greed and corruption. It's an intricate and interesting tale of mankind's most startling invention, and technology gone awry.

Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.
