Dangerous to Know

Fall is Not Easy

There are approximately 3,712 ways for a guy to look stupid during pregnancy - this book's here to help you avoid all(most) of them. And here's your first hint: Focus on what you can be doing for her rather than what's happening to her. She's pregnant. She knows that. You know that. And her 152 baby books tell her exactly what she can expect. Your job is to learn what you can do between the stick turning blue and the drive to the delivery room to make the next nine months go as smoothly as possible. That's where John Pfeiffer steps in. Like any good coach, he's been through it. He's dealt with the morning sickness and doctor visits, painting the baby's nursery and packing the overnight bag, choosing a name, hospital, and the color of the car-seat cover. All the while he remained positive and responsive - there with a "You're beautiful" when necessary - but assertive during the decision-making process (he didn't want to wind up with a kid named Percy). And now it's your turn. She might be having the baby, but you have plenty of responsibilities.

Golf Fitness

A tree tells why, out of all four seasons, autumn is the hardest.

The Big Brother Book

In Mikkyo—Japanese esoteric Buddhism—the dragon Kurikara symbolizes the internal energy developed through sword practice. Kurikara is a manifestation of the fierce bodhisattva Fudo Myo O, the patron of ascetics and warriors in Japan, who uses his sword to destroy delusions and sever attachments. Fudo's sword represents the gaining of discriminative power and decisiveness—the ability to cut through illusion and attachment. This leads to the development of an inner energy that allows one to “burn up” all obstacles to spiritual freedom. Kurikara: The Sword and the Serpent sets out the eight basic principles of swordsmanship common to all Japanese sword schools, emphasizing the cultivation of power and mental focus.

Accomplished martial artist John Evans provides practical examples from his experience with the sword arts as well as Mikkyo and shugendo (mountain asceticism). The first foreign student to train with Nakamura Taisaburo sensei—widely acknowledged as the master of the sword art battodo—Evans clearly explains how skill such as Nakamura sensei's can be systematically developed through tanren, exercises that meld "inner" and "outer" power. Filled with fascinating anecdotes from Evans's training in Japan, *Kurikara* is a useful, inspiring guide to Japanese sword practice and its spiritual underpinnings.

Fuck You Heroes

Highly acclaimed UCLA Women's gymnastics coach of 7 NCAA championships Valorie Kondos Field shares insights on how to use uniqueness and authenticity to achieve success. Former professional ballerina Valorie Kondos Field--or Miss Val, as she's affectionately known--has never tumbled, flipped, or even played any type of organized sports, and yet she has been able to craft a legendary coaching career through curiosity, creativity, attention to detail, and unwavering care for the overall well-being of her athletes. For Miss Val, it's not about winning and losing, it's about choreographing your life and owning the choices you make. Miss Val has shaped her UCLA Gymnastics program as a life skills class and now she's sharing those lessons with you, whether you're an athlete, business leader, or simply someone who wants to own their destiny. Miss Val's philosophies are timeless. Her coaching style is unorthodox. *Life Is Short, Don't Wait to Dance* is a thought-provoking, fun journey through the anecdotes of the 35-year career of a dancer/choreographer turned athletic coach. The book includes unforgettable stories of the Olympians and athletes with whom she's worked--including the inspirational journey of Katelyn Ohashi, whose joyful transformation under the tutelage of Miss Val was evident to the world when her perfect 10 floor routine went viral -- reaching over 100 million viewers. Other triumphs include Olympian Jamie Dantzscher, who found her confidence at UCLA and learned the tools to combat her previous abuse; and sensation Christine Peng Peng Lee, who helped the Bruins clinch the 2018 NCAA championship with back-to-back 10's. Miss Val also shares her favorite memories of her mentor, legendary basketball coach John Wooden, as well as her thoughts on Larry Nassar and the gymnastics sexual abuse scandal. Miss Val reveals how her coaching journey had a rocky start before she found her own best approach. In time she realized that her dance background wasn't a detriment, it was a gift. When she embraced this, Miss Val led the Bruins to victory. *Life Is Short, Don't Wait to Dance* is packed with great advice for anyone on a quest for success, delivered in Miss Val's reassuring and inspirational tone. She took the same approach to her breast cancer diagnosis, explaining how she made that struggle into one of the best years of her life. For Miss Val, it's all about attitude. *Life Is Short, Don't Wait to Dance* is a powerful book that shows you how to make the leap of faith in choosing your own path to greatness.

Business doesn't have to be boring! The Executive's Almanac is the Schott's Miscellany of business trivia, chock-full of surprising facts, lists, anecdotes, histories, diagrams, and more. We bet you didn't know that: Adidas and Puma are competing companies owned by estranged brothers, both headquartered in the German mill town of Herzogenaurach. 314 acres of trees go into every Sunday edition of the New York Times. Soichiro Honda quit the company that bears his name because he lost his sexual potency and his ability to consume large amounts of alcohol. With whimsical illustrations and a unique design inspired by the Wall Street Journal, this lively companion will appeal to every business executive (and aspiring executive) in your life.

20 Plus

Now in its second printing, Fuck You Heroes is photographer Glen E. Friedman's uncompromising look at the radicals of youth culture in the extreme worlds of skateboarding, punk and rap. From day one behind his camera, Friedman has had an unerring ability to be in the right place ahead of everybody else. He was a teenaged photographer for 'Thrasher' and 'Skateboarder' magazines, he created the seminal one-hit punk fanzine 'My Rules', worked with Black Flag and Suicidal Tendencies in their early days, wrote for Maximum Rock & Roll, did street promotion for Def Jam's west coast office and shot sleeve photos for everyone from Minor Threat to Public Enemy. This book presents the photographic distillation of Glen's ethic: it's about the perfect shots of the people who live by the touchstones of intensity and integrity.

Kurikara

No other magazine pushed the boundaries of skateboarding and pop culture like Big Brother, the raunchiest, rowdiest magazine to come out of the 1990s.

Constantly at the center of much-deserved controversy, the rag has been decried as pornography, bought and unexpectedly dropped by Larry Flynt of the Hustler empire, and credited as the genesis of the Jackass universe; it was also the champion of unknown skaters and featured some of today's biggest names in skate culture when they were just children. Now author Sean Cliver puts a bow on the publication with *The Big Brother Book*, a collection of covers and spreads from every issue of the notorious publication. Featuring high-quality scans of the magazine itself no production or layout files remain in existence with just enough text to explain what's going on and choice quotes from each issue, this book makes it easy as well as fun to stoop to Big Brother's level.

Understanding the Media

An introduction to snowboarding discusses equipment, types of terrain, different tricks and stunts, and top athletes.

Over My Head

'The second edition of *Understanding the Media* updates what has been recognised as a successful introduction to the study of the mass media. The author furnishes examples from all around the world, underpinning the emphasis the book places on the concept of globalisation in understanding the modern media. The readings and questions force students to reflect critically on issues and encourage them to explore their own media-consumption habits. The chapters are well organised and user friendly, with the chapter on globalisation highly recommended. Introductions to media globalisation often fail to provide a succinct and clear overview for first-year students - this chapter cracks the problem with a pithy description of the basic concepts and debates, interlaced with illuminating case studies and illustrative examples The strength of Eoin Devereux's text is that the examples are familiar and relevant to present-day students and his style does not patronise or talk down to them. Clearly written, comprehensive, well organised and up to date This is an excellent introductory text for media studies students' - *Times Higher Education Praise for the first edition: `An interesting book to read, written in a simple and transparent style and interlaced with topical, up-to-date examples of media events' - Journal of Educational Media 'This isa well-organized, well-informed, student-friendly textbook, ideal for first-year undergraduates as a kicking-off point into the field of media and communications research. It deserves to be widely taken up' - European Journal of Communication* *Understanding the Media* introduces key theoretical issues in media analysis and encourages students to use case studies to examine their own personal media use and exposure. Devereux applies a model of media analysis that gives equal weight to the production, content and reception of media texts. A particular emphasis is placed on understanding the mass media in a social context, and readers are invited to engage with a variety of questions about the increasingly complex mediascape in which we live our everyday lives. Now thoroughly revised and expanded this Second Edition: " Includes an additional chapter which draws together the book's key themes " Contains new and revised case studies with expanded discussions on media audiences and fandom and 'blogging' " New and revised extracted readings in every chapter " In addition, the book is now accompanied by an ancillary website with resources for students as well as slides for tutorials/lectures. Each

chapter contains concise summaries, exercises, extracts from experts in the field, model exam and essay questions, as well as directions for further reading and research. This practical dimension to Understanding the Media will ensure that the book appeals to both teachers and students of the media in the 21st Century.

'93 Til

Close Reading 14-16 provides a wide selection of extracts with accompanying interpretation/comprehension-type questions, and is appropriate for pupils working towards certificate examinations in English, including Standard Grade, Intermediate 2 and Higher. In addition, the 'Taking A Closer Look' section in each chapter focuses on a specific language feature from the passage and provides further explanations and practice exercises on that aspect of language. An edition of the book is available without answers.

Tomorrow's Professor

In Choose to Matter, Julie Foudy, two-time Olympic Gold Medalist and former captain of the US National team, takes you on a journey to discover your authentic self. This book is a roadmap to unleash that courageous YOU and have you singing your dreams out loud. Along with sharing stories from her playing days and personal experiences, Julie taps into the wisdom of other incredible female leaders including "Good Morning America" anchor Robin Roberts, soccer stars Mia Hamm and Alex Morgan, and Facebook superwoman and Lean In founder Sheryl Sandberg. In her Leadership Academy, Julie encourages young women to find the leader that exists in all of them, whatever their personality or vocal chord strength might be. Complete with fun exercises and activities, Choose to Matter guides readers in all aspects of their lives. Julie believes every young woman has the power to be a leader who makes a positive impact. And it all starts by choosing to matter. So go ahead, start now. Because you can.

50 Classic Ski Descents of North America

To be a skateboarder today is a much different experience than it was for much of the 1990s. The photographs, quotes, and anecdotal text in '93 til captures a time in skateboarding when making a livable income as a professional skater was a luxury and public understanding of skateboarding was at an all-time low. It was a time when skateboarding was searching for an identity, a time before Instagram and big corporate influences. Street skating was coming of age, testing its limitations and aligning itself with a new and innovate style of hip-hop culture that was emerging. Looking back, many skaters today feel as though the '90s were the golden years of skateboarding. '93 til is a captivating portal into a decade and a culture that is remembered with warmth and nostalgia. Much of the photography that Pete has unearthed for '93 til was buried in boxes for close to two decades and hasn't never been seen or published before. The 250-page book also contains several timeless images from his years shooting for SLAP and Transworld Skateboarding Magazine that will be familiar to the initiated. In addition to his stunning action shots are plenty of portraits and unguarded, candid moments that span from the late '80s up through 2004. The book reveals a raw, unapologetic perspective of a world that no longer exists. Also included in the book alongside Pete's imagery are quotes and anecdotes from legends like Tony Hawk, Arto Saari, Jamie Thomas, Guy Mariano, Nyjah Huston, Geoff Rowley, Stevie Williams and others. Pete moved on from his career in skate photography in 2004 and is currently living in Brooklyn.

The Legacy of Warren Bolster : Master of Skateboard Photography

In Italy, passion and danger share the same bed. When Ornella vacations in Sicily, she meets Hugh, an archaeologist working on a dig in the beautiful town of Taormina. Hugh convinces Ornella to join him on a trip to the island of Stromboli, where they hike up a live volcano at dusk. After a passionate night together Ornella, an actress usually focused on her career, suspects she's in love. But after breakfast the next morning, Hugh vanishes. Ornella is left with Hugh's phone, sunglasses and a sudden end to the love affair she thought she didn't want. Desperate to know if Hugh ran out on her or if he's met with disaster, she wants to search for him. But with an important screen test in Rome and her agent impatiently waiting for her, Ornella faces a dilemma. Little does she know the danger Hugh is in - and that she is the key to his survival.

Hardy's Skiing and Snowboarding Guide 2009

Rogue Soldier - Shadow Unit Book 2

'A truly brilliant debut'Emily Mazzara, Books Ireland 'With sentences that you will want to cut out and keep, this is an intelligent, exquisitely crafted debut'Fiona Mitchell 'Original and shattering'Marianne Lee As a sleepy town in rural Ireland starts to wake, a road subsides, trapping an early-morning bus and five passengers inside. Rescue teams struggle and as two are eventually saved, the bus falls deeper into the hole. Under the watchful eyes of the media, the lives of three people are teetering on the edge. And for those on the outside, from Nina, the reporter covering the story, to rescue liaison, Tim, and Richie, the driver pulled from the wreckage, each are made to look at themselves under the glare of the spotlight. When their world crumbles beneath their feet, they are forced to choose between what they cling to and what they must let go of. REVIEWS 'A beautiful exploration into trauma and the changes it can bring A truly brilliant debut.'Emily Mazzara, Books Ireland 'Gráinne Murphy's storytelling is of wonderful quality in this tale that deals with grief, religion, relationships and our sense of belonging in the world. In Where the Edge Is, Murphy weaves the protagonists' stories together with skill and tenderness, while creating an unsettling tension as to the fate of an unlucky few. A highly recommended debut.'Juliet Conlin, author of Sisters of Berlin 'Grainne Murphy's thoughtful, engrossing novel is a meditation on grief, identity and belonging. In her skilful hands, the diverse characters' heart-breaking stories of loss and hope are woven around an underground nightmare in which the clock never stops ticking. A brilliant debut.'Carolyn Kirby, author of The Conviction of Cora Burns 'There may be great sadness contained within the pages of this lyrical, poignant novel, but there is humour too With sentences that you will want to cut out and keep, this is an intelligent, exquisitely crafted debut.'Fiona Mitchell, author of The Swap and The Maid's Room 'Poignant, thought-provoking and accomplished, Where the Edge Is reminded me that we are all human and we are all heroes. I loved it.'Carol Mason, bestselling author of After You Left 'A dauntingly impressive first novel- a nuanced examination of raw private grief and public distress Grainne Murphy is an observant and subtle writer whose prose is informed throughout with

a hard-won authority.'Paul Bailey, author of At the Jerusalem 'A powerful novel about survival, about still being there when others have gone and the terrible emotional toll that takes. The beautiful intimacy with which we get to know these characters and their inner workings contrasts with the bureaucratic process of responding to a crisis, so we end up somehow enthralled and horrified as the story unfolds in front of us.'Dan Mooney, author of Me, Myself and Me and The Great Unexpected 'Gráinne Murphy's understanding of the fragility, and strength, of what holds us together and tears us apart - love, family, irredeemable loss - is profound, her insights original and shattering.'Marianne Lee, author of A Quiet Tide

Choose to Matter

Exposes major news stories ignored by the press in 2003 and 2004.

Mastering Snowboarding

*Pre-order now - the explosive third book in the Mad, Bad and Dangerous to Know trilogy featuring Alvie Knightly** Once, serial killer Alvie Knightly was living the dream. Unlimited cash. An Italian getaway. A hot new boyfriend How the mighty fall. One year - and one unfortunate incident with a shotgun - later, Alvie is living in a London hostel, living off meal deals and counting her dwindling pennies. So far, she's kept her head down. But when a cop shows up at her home, Alvie freaks out. It's time for action, and if anyone can pull off one last hit - in six inch heels - it's Alvie. But if she's to succeed in her mission to avenge her ex, win back her money and secure her future, she'll have to face her most terrifying enemy yet: her past. DANGEROUS TO KNOW is the sharp, smart and outrageously funny finale in the Alvie Knightly trilogy. Praise for Mad and Bad: 'The must-have beach read this summer' Telegraph 'Sizzingly glamorous' Guardian 'A fast-paced tale of sex, lies and murder' Stylist 'Like Gone Girl, if Amy Schumer had written it. SUCH fun' Bryony Gordon

For One Night Only

Three-time New York Times bestselling author and six-time WWE champion Chris Jericho shares 20 of his most valuable lessons for achieving your goals and living the life you want. Chris Jericho has known what he wanted out of life since he was a teenager: to be a pro wrestler and to be in a rock 'n' roll band. Most of his high school friends felt that he lacked the tools necessary to get into either, but Chris believed in himself. With the wise words of Master Yoda echoing through his head ("Do or do not. There is no try."), he made it happen. As a result, Chris has spent a lifetime doing instead of merely trying, managing to achieve his dreams while learning dozens of invaluable lessons along the way. No Is a Four-Letter Word distills more than two decades of showbiz wisdom and advice into twenty easy-to-carry chapters. From developing a strong work ethic thanks to WWE chairman Vince McMahon, remembering to always look like a star from Gene Simmons of KISS, learning to let it go when the America's Funniest Home Videos hosting gig goes to his rival, adopting a sense of perpetual reinvention from the late David Bowie, making sure to sell himself like his NHL-legend father Ted Irvine taught him, or going the extra mile to meet Keith Richards (with an assist from Jimmy Fallon),

Chris has learned countless lessons during his decades-long career. Now, in the hopes that those same principles might help and inspire his legions of fans, Chris has decided to share them while recounting the fantastic and hilarious stories that led to the birth of these rules. The result is a fun, entertaining, practical, and inspiring book from the man with many scarves but only one drive: to be the best. After reading *No Is a Four-Letter Word*, you'll discover that you might have what it takes to succeed as well as you just need to get out there and do it. That's what Jericho would do.

The Complete Survival Guide

Describes a variety of ski and snowboarding resorts from around the world, with information on such topics as accommodations, family and corporate skiing, tour operators, restaurants, ski schools, and children's activities.

News Media Yellow Book

A history of ski and snowboarding instruction methods and techniques developed by the Professional Ski Instructors of America and the American Association of Snowboard Instructors.

The Executive's Almanac

Shadow Unit may have overturned the illegal arms cartel in Kuala Lumpur, but the harrowing undercover op left emotional scars on Sergeants Shawn Weller and Connor Finley. Slowly, patiently, they piece their partnership back together, closer now than ever before. But the arrival of Julian Montgomery, Shawn's former CIA handler and lover, threatens to tear them apart. Julian knows all of Shawn's secrets as well as the past Shawn has kept hidden from Connor. Now the self-serving Julian wants Shawn back with the CIA and with him. No one will get in his way. Including Connor. When the joint Shadow Unit/CIA mission to stop the supplier of a deadly biological weapon goes sideways, Connor is captured, tortured, and used as a human test subject. It's a race against time to save his life. But who can Shawn trust? And who has gone rogue? Missed Shawn and Connor's earlier adventures? Every golfer, at every level, can shoot lower scores and play injury-free with the golf-specific programs outlined in *Golf Fitness*. This book looks at the tips and techniques used by today's top golfers: Master's Champion Trevor Immelman's exercise routine, Stuart Appleby on how to develop the "power move," LPGA Tour pro Suzanne Petersen's routine for top performance, Phil Mickelson's trainer Sean Cochran on staying fit in the off-season, and more. *Golf Fitness* includes exercises to improve the golf swing, details on better warm-ups, whole-body workout routines, and notes on nutrition. The book also looks at the mental game, and how the mind and body can work together for lower scores. Any golfer looking for an edge will find it in *Golf Fitness*.

American Snow

Physical retail isn't dead—but boring retail is! Remarkable Retail equips the savvy retailer with eight essential strategies to deliver a powerful customer experience. Despite the clickbait headlines that warn of a “retail apocalypse,” many brick and mortar retail brands are enjoying strong growth and profits. Others, however, are destined to become obsolete because they offer merely convenience, decent prices, or an okay shopping experience. In Remarkable Retail, industry thought leader Steve Dennis argues that retailers can no longer count on scarcity to drive sales, or settle for providing indifferent in-store experiences, because customers live online and have a wealth of choice and information at their fingertips. In the book, Dennis unpacks the trends that are squeezing traditional stores and presents eight essential strategies for visionary retail leaders who are prepared to reimagine the customer experience in the age of digital disruption. A remarkable retailer is digitally enabled, human centered, harmonized, mobile, personal, connected, memorable, and radical. In most retail categories, digital channels are now central to the consumer's journey, but that doesn't mean people aren't also shopping in stores. Packed with illuminating case studies from some of modern retail's biggest success stories, Remarkable Retail shows retailers and those in adjunct industries such as manufacturing, marketing, and tech, what it takes to create big buzz around the in-store experience. In an age where consumers have short attention spans and myriad options, Remarkable Retail is your crucial roadmap to creating a powerful retail experience that keeps your customers coming back for more.

Project Censored Yearbook

Snow Beach

Destined to become a classic of adventure literature, *The Last Season* examines the extraordinary life of legendary backcountry ranger Randy Morgenson and his mysterious disappearance in California's unforgiving Sierra Nevada—mountains as perilous as they are beautiful. Eric Blehm's masterful work is a gripping detective story interwoven with the riveting biography of a complicated, original, and wholly fascinating man.

Dude, You're Gonna Be a Dad!

Media Studies examines the new and rapidly developing field of media studies to discover what insights it has to offer students and general readers as they negotiate their way through the new - and thoroughly saturated - media environment. Explores how recent changes in our media affect the way we watch older media like television, movies, and radio, and offer up rich new interactive media, like video games and the internet The perfect introduction to the field of media studies Chronicles the recent dramatic changes in communication technologies, arguing that most of life itself is now experienced as 'mediated' Discusses the development of cable and satellite television, VCRs, DVDs, the internet and personal computers Emphasizes the broader political, social, and economic context within which these important new technologies have developed

Tokidoki Plc Journal with Images #1

Fotografiks

Locked inside a brain-injured head looking out at a challenging world is the premise of this extraordinary autobiography. *Over My Head* is an inspiring story of how one woman comes to terms with the loss of her identity and the courageous steps (and hilarious missteps) she takes while learning to rebuild her life. The author, a 45-year-old doctor and clinical professor of medicine, describes the aftermath of a brain injury eleven years ago which stripped her of her beloved profession. For years she was deprived of her intellectual companionship and the ability to handle the simplest undertakings like shopping for groceries or sorting the mail. Her progression from confusion, dysfunction, and alienation to a full, happy life is told with restraint, great style, and considerable humor.

The New Media Environment

A new expression of Carson's famously original way of seeing, 'fotografiks' are curiously fleeting images that seem to have been lifted out of their mundane context and abstracted to another realm. Anecdotal captions provide philosophic comments on the nature of the photographs, aspects of the page design and observations on the process of assembling parts to form a whole. Possibly the most influential graphic designer working today, David Carson has been profiled by several of the world's leading publications including *Newsweek* and *The New York Times*, and has won an award from the International Center for Photography in New York for "the best use of design with photography." He creates cutting edge advertising for a number of high profile clients including Nike, Microsoft, MTV, Jaguar, Ray-Ban and Sony. *David Carson: Fotografiks* will appeal to anyone interested in experiencing a fresh method of visual communication.
