Telephone Engineer & Management

F&S Index International Annual

Million Dollar Directory

Presents a market research guide to the telecommunications industry - a tool for strategic planning, competitive intelligence or financial research. This title includes a chapter of trends, statistical tables, and an industry-specific glossary. It provides profiles of the 500 companies in various facets of the telecommunications industry.

Teleconnect

California Services Register

Telephony

Described as "Who owns whom, the family tree of every major corporation in America, " the directory is indexed by name (parent and subsidiary), geographic location, Standard Industrial Classification (SIC) Code, and corporate responsibility.

Universal Usability

Universal Usability: Past, Present, and Future surveys the state-of-the-art of human-computer interaction research into the design and development of interfaces that will be easy to use for users of all levels of technical experience ability. It also presents some future directions for work in this area.

D & B Consultants Directory

Michigan State Business Directory

This textbook takes a unified view of the fundamentals of wireless communication and explains cutting-edge concepts in a simple and intuitive way. An abundant supply of exercises make it ideal for graduate courses in electrical and computer engineering and it will also be of great interest to practising engineers.
