UPSC IAS Prelims G.S. Solved Question Papers (15+ Years)

UPSC Prelims and Mains Exam 2020: Subject Wise Current Affairs UPSC Prelims and Mains Exam 2020 : Subject Wise Current Affairs Important / Trending topics for IAS Exam. Subject Wise Current Affairs is an effort to make current affairs available in a

more organized manner in accordance with the UPSC Exam Syllabus. Current affairs are of course the most important aspect in Civil services Exam preparation. We should always analyse Current affairs from the UPSC preliminary exam and the UPSC mains exam perspective. No matter which subject UPSC asks questions from (economics, environment, History or from polity), it makes conscious efforts to link the subject to a current affair topic. It thus becomes an imperative for us to know what the term current affairs really mean from UPSC point of view. You can get a proper understanding through the analysis of the previous year question papers. If we examine the question papers from 2013 onwards till 2019 preliminary exam, almost close to 50-60% of the questions were asked from topics that are of current relevance. The number of questions based on Current Affairs varies from year to year. The logic behind such a shift in the pattern of question papers explains the intent of UPSC and its quest to have brightest minds to govern the country. However, for the quest to be fruitful it would be appropriate from the part of UPSC to examine the candidate's awareness about the society in which he is living. Static knowledge would prove inefficient for such an analysis. Society is dynamic and is subjected to changes. A Civil Servant should have the skills of a barrister and also that of a diplomat in order to cope with the changing society and also show the cognitive skills to coordinate, mobilize arguments and achieve consensus in regard to the execution of his duty. This analytical nature of the duty demands the UPSC aspirants to have an analytical mind and awareness of the society.

Every time, a student reads a book, there is a question regarding the extent to which he/she will gain the return on the time and money that he/she is investing. This is due to the fact that the same book is also referred by 9 lakh other aspirants who are also preparing for UPSC. So, is there anything that can help you differentiate you from them? This compilation will help you inch closer to that goal. For students as well as candidates preparing for competitive examinations, the book has nearly all-important details that would meet the level of knowledge required for preparation UPSC. It covers all the topics and the emerging technological areas that may alter the geopolitics and the existing balance of power. With experience exceeding 8 years, teaching in this field, this book is written by a subject expert who has several other academic achievements to his credit. This book is of immense importance to academics, researchers, aspirants of civil services examinations and those with an abiding passion for the subject. The language of the book is simple and the content is engaging which ensures students face no trouble during studying. Along with the same, there are previous year questions attached at the end of every chapter to help the students get an inference on what topics deserve more time and which ones relatively less. It will also give an inference regarding the source of the question, what triggered that question and relative changes in the trend and the pattern of the questions pertaining to that topic. Our efforts are aimed at training the students to aim at the cornea of the round black eye of that bird to the students who are 100% dedicated to clear UPSC CSE exams. And not a vague or a muddled picture of the branches or the twigs or the leaves or the trees or the other associated birds sitting on that tree. Just like Arjuna's singular focus enabled him to achieve mastery of archery, we want our students to clear this exam in their very first attempt. This episode in Mahabharata is what inspires us the most and therefore the name of our coaching Archer' IAS Academy.
