The intense psychological portrait of a hitman—the anti-Jason Bourne—as he stalks his prey from Boston to LA. He wants you to know him, maybe even admire him, but only for his excellence in his craft. Perhaps he was even born for it. "A natural killer," his mentor—a middleman named Vespucci—said he was. He proved it with his first professional hit: a Fifth Circuit Court judge in Boston, executed with a sheet of Saran Wrap in the stairwell of her own courthouse. He's proved his merit often, usually with a Glock semiautomatic, but he's improvised too, with his bare hands, the heel of a shoe, knives, even a sewing machine. He is the consummate assassin, at the top of his form, immune to the psychological strains of his chosen profession. He is what the Russians call a Silver Bear. He calls himself Columbus. It's the name Vespucci gave him, ten years ago, when he discovered a dark, new world of fences, clients, marks, jobs, jack. Not that his real name meant much to him anyway. He never knew his father or his mother, a prostitute who became dangerously involved back in the seventies with an earnest young congressman named Abe Mann, then a rising star in the Democratic Party. The magnetic Abe Mann has since become the Speaker of the House. He is currently running for the Democratic nomination in an exhausting presidential campaign, weaving his way across the country. Columbus is not far behind. But as he pieces together his past and prepares the seamless assassination of his mark, the criminal underworld he has always ruled begins unraveling violently around him.

### **The Key**

Roundhouse Publishing editor Kate C. Leever's first letter to her new author was meant to impress upon him the growing demand for vampire romances. And even though he'd expressed little-to-no desire for any publicity, book tours, or similar, it was clear this was an author just waiting to be broken out - despite himself, if necessary. When she suggested attending a romance convention his response - unusually quick to arrive - was succinct: 'No.' But Kate was adamant: Mr Lucern Argeneau was going to attend a romance convention and meet his fans. By hook or by crook, despite his reclusive nature and odd sleep patterns, the surly yet handsome author would attend. And she was sure that, once there, he would reveal himself to be a true charmer. Of course, that was before she realised that his 'romances' were more like biographies, and it's literally her neck on the line SINGLE WHITE VAMPIRE is a hilarious romantic comedy where a vampire finds his habits of a lifetime overturned and an unlikely romance blooms.

Dr. Gregory Hewitt recovers from the shock of waking up in a stranger's bedroom pretty quickly—once he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor to find true love with a vampire vixen, or will he be just a good meal?
