Christianity and Amusements

A stowaway, a stolen book, a murderous villain: an adventure on the most famous shipwreck in history. The great ocean liner Titanic is preparing to cross the Atlantic. On board is a sinister thief bent on stealing a rare book that may be the key to unlocking infinite treasure, a wealthy academic traveling home to America with his rare book collection, and Patrick Waters, a twelve-year-old Irish boy who is certain that his job as a steward on the unsinkable ship will be the adventure of a lifetime. In *Dangerous Waters*, disguises, capers, and danger abound as the ship makes its way toward that fateful iceberg where Patrick will have to summon all his wits in order to survive.

Dangerous Alliance

"The Pearson Concise General Knowledge Manual 2011" is accurate, well-researched and examination-oriented. This best seller helps to master the subject of general knowledge for various competitive examinations. The book is based on current trends in general knowledge questions featured in various competitive examinations as well as in examinations conducted by UPSC, SSC, Banking Services, Railway Recruitment Boards, and central and state recruitment bodies. It includes sample practice exercises for each subject area and a comprehensive question bank for practice, in all three media paper-pencil, online and on-mobile (GPRS only) platforms. It boasts of an up-to-date national and international Current Affairs section; the latest updates and downloadable test papers available free on the web companion site."

The Pennsylvania School Journal

Vols. for 1955-62 include: Mining guidebook and buying directory.

The Most Dangerous Man in America

Dangerous churches should be norm. Church leaders and church people alike shrink back from danger because we want safety. Jesus said that he's overcome the world and its troubles. Dangerous churches put everything on the line for the one thing that matters most: reaching lost people. It's dangerous not to be a dangerous church. The book is less about methods or even the message of God, but about a church that risks everything it has to reach lost people. Living Hope was birthed 8 years ago and has grown from five families to 5000 attendees, grown from one to 19 services on many campuses, and baptized 5,000 people along the way. A dangerous church sees what "only God" can do when it acts upon what the church is supposed to be. It risks everything to reach people. God wants us to live on the edge of our margin when it comes to mission and methods. So much of Living Hope's journey has been going back to the Book of Acts and trying to live authentically with the givens of who they were, where they were and what they had to work with. They learned to abandon agendas and short-sighted human plans, especially ones that copy what other churches are doing. That's when they found God's blessing. "We went from being a good church to being God-honoring church," he reports. Drawing insight from the book of Acts, this book unfolds the very personal journey of a pastor, and then his entire church, when they finally began to live a dangerous faith. The transition had a dramatic impact on the pastor's life and marriage, as well as on the congregation and its outreach. It opened a new sense of mission and incredible spiritual fruitfulness. The pastor is not only a radically different person today, but the entire church has become an atmosphere that values taking dangerous steps of faith. It will lead Christ's followers to become risk-takers who change the world through a revolution that begins with a dangerous grace. The book is story-rich with examples of the grace-filled culture from Living Hope Church through the experiences of its pastor, John Bishop. It will avoid a smug attitude that implies "we've arrived," "we're the first to live out grace" or "we're the best at giving grace." Instead, the book will convey a humble attitude of "we've got a lot to learn," including examples of mistakes the church has made along the way. The rapid transition of Living Hope will not be projected as a speed for other churches to follow (lest the book invite a crash-and-burn outcome at other churches). Thus the book will find its primary story in and from Living Hope. In 2007 Outreach Magazine ranked Living Hope as the seventh fastest growing church in the US. They have also been listed among the 50 most influential churches in America.

A Dangerous Love

Politicians and the political process, even in ostensibly democratic countries, can be deadly. James Gilligan has discovered a devastating truth that has been "hiding in plain sight" for the past century - namely, that when America's conservative party, the Republicans, have gained the presidency, the country has repeatedly suffered from epidemics of violent death. Rates of both suicide and homicide have sky-rocketed. The reasons are all too obvious: rates of every form of social and economic distress, inequality and loss - unemployment, recessions, poverty, bankruptcy, homelessness also ballooned to epidemic proportions. When that has happened, those in the population who were most vulnerable have "snapped", with tragic consequences for everyone. These epidemics of lethal violence have then

remained at epidemic levels until the more liberal party, the Democrats, regained the White House and dramatically reduced the amount of deadly violence by diminishing the magnitude of the economic distress that had been causing it. This pattern has been documented since 1900, when the US government first began compiling vital statistics on a yearly basis, and yet it has not been noticed by anyone until now except with regard to suicide in the UK and Australia, where a similar pattern has been described. This book is a path-breaking account of a phenomenon that has implications for every country that presumes to call itself democratic, civilized and humane, and for all those citizens, voters and political thinkers who would like to help their country move in that direction.

Life

This intense psychological thriller is the second book in the Secrets of Roux River Bayou series from best-selling author Kathy Herman.

Healthy Living

Informative, broad-ranging, and sheds new light on the life and literary art of one of the last century's most celebrated authors.

“The” American journal of education

Why Some Politicians Are More Dangerous Than Others

From the celebrated author of *Big Fish* comes an imaginative, moving novel about two sisters, their dark legacy, and the magical town that entwines them. Helen and Rachel McCallister, who live in a town called Roam, are as different as sisters can be: Helen, older, bitter, and conniving; Rachel, beautiful, naïve—and blind. When their parents die suddenly, Rachel has to rely on Helen for everything, but Helen embraces her role in all the wrong ways, convincing Rachel that the world is a dark and dangerous place she couldn't possibly survive on her own...or so Helen believes, until Rachel makes a surprising choice that turns both their worlds upside down. In this new novel, southern literary master Daniel Wallace returns to the tradition of tall tales and folklore made memorable in his bestselling novel *Big Fish*. Wildly inventive and beautifully written, *The Kings and Queens of Roam* is a big-hearted tale of family and the ties that bind.

Dangerous Waters

Mini Science Encyclopedia (5th Edition)

At times, even his admirers seemed unsure of what to do with General Douglas MacArthur. Imperious, headstrong, and vain, MacArthur matched an undeniable

military genius with a massive ego and a rebellious streak that often seemed to destine him for the dustbin of history. Yet despite his flaws, MacArthur is remembered as a brilliant commander whose combined-arms operation in the Pacific—the first in the history of warfare—secured America’s triumph in World War II and changed the course of history. In *The Most Dangerous Man in America*, celebrated historian Mark Perry examines how this paradox of a man overcame personal and professional challenges to lead his countrymen in their darkest hour. As Perry shows, Franklin Roosevelt and a handful of MacArthur’s subordinates made this feat possible, taming MacArthur, making him useful, and finally making him victorious. A gripping, authoritative biography of the Pacific Theater’s most celebrated and misunderstood commander, *The Most Dangerous Man in America* reveals the secrets of Douglas MacArthur’s success—and the incredible efforts of the men who made it possible.

Such Men Are Dangerous

MISSION...IMPOSSIBLE? Sexy spy Dan Reese had spent years holding his pretty protégée at arm's length. But after one soul-searing kiss, agent Jamie Douglass began to infiltrate Dan's long-guarded heart. Then one assignment gone wrong changed everything. Now Dan had to fight to reclaim the man he once was, and he vowed to do it alone. With Jamie's future ahead of her, Dan knew she didn't need a sidelined hero on her hands. But when Jamie discovered there was a traitor in their agency and her life was now at stake, Dan couldn't let her face danger without him by her side....

Report of Hearings Together with the Preliminary and Final Reports

The Dangerous Book for Boys took readers by storm and became an instant classic, selling nearly two million copies. Packed with charming illustrations, it is a treasure trove of the essential activities and skills that have defined generations of boyhoods, from building a treehouse to fishing to finding true north. Now, Conn Iggulden returns with more information, insights, and diversions for boys from eight to eighty. Designed with the same nostalgic look and feel as the first book, this companion volume includes more than seventy new chapters and important skills, fascinating historical information, and essential stories, including: How to pick a padlock Making a Flying Machine Tying a Windsor Knot Advice from Fighting Men Questions About the Law Chess Openings Making Perfume Maps of Historic Empires: British, Ottoman, Genghis, Persian, Medes, Babylonian, Alexander Great Speeches Forgotten Explorers How to Wire a Plug and Make a lamp Writing a Thank You Letter Polishing Shoes Parents looking to get their kids off screens can use this book to fill weekend afternoons and summer days with wonder, excitement, adventure, and fun—learn to build go-carts and electromagnets, identify insects and spiders, and fly the world's best paper airplanes. This charming and practical guide, packed with hundreds of full-color charts, maps, diagrams, and illustrations, will ignite the imagination and stimulate curiosity, and provide grandfathers, fathers, sons, and brothers the opportunity to deepen their bonds. Conn Iggulden has at last put together a second wonderful collection that is the essence of boyhood.

Dangerous Church

This new edition contains Montagu's most complete explication of his theory and a thorough updating of previous editions.

Concise General Knowledge Manual

Torn from his Romany mother's arms as a small boy, Viscount Emilian St. Xavier has spent a lifetime ignoring the whispers of gypsy that follow him everywhere. A nobleman with wealth, power and privilege, he does not care what the gadjos think. But when the Romany come to Derbyshire with news of his mother's murder at the hands of a mob, his world implodes. And Ariella de Warenne is the perfect object for his lust and revenge.... Ariella de Warenne's heritage assures her a place

in proper society, though as a radical and independent thinker she scorns her peers' frivolous pursuits in the Ton, fashion and marriage. Until a Roma camp arrives at Rose Hill, and she finds herself drawn to their charismatic leader, Emilian. Even when he warns her away, threatening that he intends to seduce and destroy her, she cannot refuse him. For Ariella is just as determined to fight for their dangerous love....

The Dangerous Lover

A vicar is disbelieving when two teenagers in his parish claim to have been given a message by the archangel Gabriel, but gradually changes his mind and decides he must do something about it.

"I Know It's Dangerous"

From Kyra Davis, New York Times bestselling author of *Just One Night*, comes Book Two in the Pure Sin series that *Sinfully Sexy* is calling “angsty, intriguing, and off the charts sexy.” The beautiful, angry Bell has revenge in her heart and Lander Gable in her sights. She’s seduced her way into his arms with the intent to destroy his wealthy family. But now that she’s there, lust and passion have begun squeezing out that desire for vengeance. It’s a dangerous game Bell is playing, and sex, mystery, and lies are the most intriguing game pieces of all.

Dangerous Undertaking

In *Chances*, Lucky grew up in a top crime family; in *Lucky*, she was married three times; in *Lady Boss*, she took on Hollywood and bought Panther Studios; and in *Vendetta*, she fought off a lifelong enemy to keep the studio, and her husband. Now, in *Dangerous Kiss*, when a member of her family is brutally gunned down in a random holdup, her fury knows no bounds. While she is tracking the killer, her relationship with her husband, charismatic writer and director Lennie Golden, is put to the test. Then, suddenly, into her life comes a man from her past – a man with a dangerous kiss. *Dangerous Kiss* is a story of raw anger, love, lust, murder and revenge, and at its white-hot center is Lucky Santangelo, a strong, exciting woman who dares to take chances – and always wins.

Coal Age

Book four of the Earth Angels series Miami's best bounty hunter, Nikita Tesoro will do anything to collar a fugitive. Including stepping into a stripper's stilettos for the night. Outsmarting her rival Kyle Beaudecker is just a bonus. Despite the sexual tension sparking between them, Nikita keeps a professional distance from "Hurricane" Kyle. After all, she can't get hurt if she doesn't care. A descendant of the archangel Barakiel with the power to harness electricity, Kyle should be focusing his energy on tracking down a demon that may be hiding in the human realm. But he's a lover, not a fighter, and he'd much rather use his special talents for pleasure: specifically Nikita's. And teaming up to find a bail jumper means spending lots of time together... But when their case takes a turn for the demonic, Kyle can no longer hide his true nature from Nikita. He'll do whatever it takes to win her heart—even stop the apocalypse. But he can't do it alone. 80,000 words

Man's Most Dangerous Myth

Thomas Gray's *An Elegy Written in a Country Churchyard* enjoyed extraordinary popular success in Europe, where it was widely translated, imitated, adapted, and in various ways assimilated into the continental literatures. The history of the *Elegy's* circulation on the continent demonstrates the importance of the poem to the romantic generation of European poets, while appreciation of this history serves to illuminate modern critical approaches to the poem's often uncertain or ambiguous meaning.

Dangerous to Love

Don't Miss the Original Series Tom Clancy's Jack Ryan Starring John Krasinski! In this #1 New York Times bestselling thriller from Tom Clancy, Jack Ryan gets caught in a war between the United States and a Colombian drug cartel and uncovers a shocking conspiracy. When Colombian drug lords assassinate both the U.S. ambassador and the visiting head of the FBI, their actions trigger a covert response from the American government—a response that goes horribly wrong. As the newly named Deputy Director of Intelligence for the CIA, Jack Ryan should be privy to operations like the one in Colombia, but he's been left completely in the dark. With the help of field officer John Clark, Ryan intends to find out what's really going on. But while they expect danger from without, the greatest threat of all may come from within.

Dangerous Tides

The USS Memphis, a dilapidated submarine that that should have been mothballed decades ago, has been given one last mission by the newly elected president. The task: To sneak illegally into Russia's coastal waters and recon the leaking nuclear fuel containers hidden on the floor of the Arctic Ocean. More than just an environmental nightmare, this radioactive burial ground houses enough nuclear capability to destroy most of America's major cities. Lowell Hardy: The Memphis's commander, who had been looking forward to flag rank and pleasant duty upon the sub's decommissioning. Now he is trapped in an inconceivably dangerous and illegal mission which could easily end his career, if not his life and the lives of his crew. But it's the crew who feel Hardy's tension as he tyrannizes everyone on board to ensure they'll be ready for anything. Jerry Mitchell: A former naval pilot with political connections, he is a novice submariner, unprepared for his demanding job as a weapons officer. Central to the Memphis's mission, Mitchell may be its greatest liability . . . or its ultimate salvation. Dr. Joanna Patterson: The senior civilian scientist, appointed by and reporting to the president, she is a world-class expert on nuclear fuel contamination--and every bit as demanding as Hardy. Patterson and her partner, Dr. Emily Davis, soon find themselves battling flaring tempers, faulty machinery, lethal radioactivity, and the raging arctic seas. The submariners: Seething with rage at their Captain Bligh-like commander and the equally domineering Joanna Patterson, they are also at war with Jerry Mitchell, and one another. Like the captain, they feel they deserve better, not this antiquated relic, not this hostile scientist, not this novice weapons officer, and definitely not this disastrously dangerous mission. Nor is the mission what it seems. Lurking beneath the frigid, black, radioactive waters is a secret far more deadly than anything naval command could imagine--a secret so menacing the Russian Fleet is hell-bent on destroying the Memphis and all who sail in her. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Foolproof

Brotherhood of Locomotive Firemen and Enginemen's

Magazine

Recounts the experiences of Mexicans who have risked their lives to cross the Mexico-America border, explaining how the thrill of taking that risk has become a motivator for border crossers.

Dangerous Mercy

In this seductive Drake sisters novel from #1 New York Times bestselling author Christine Feehan, Libby Drake is pulled by the forceful desires of two men—and in danger of being swept away. Dr. Libby Drake is sensible and practical. To her more adventurous sisters, she's always been the "good girl". Certainly not the kind to attract the attention of a genius like Ty Derrick—until a tragic accident leaves the handsome biochemist at her mercy. Acting on her uncanny ability to heal, she stirs in the reawakened Ty his own long-suppressed desires for the woman who saved his life. But he's not the only man with designs on Libby Drake. Her miraculous and selfless power has also captured the attention of a dangerously influential admirer. Someone in Sea Haven is pursuing the elementally gifted beauty for his own wicked purpose. And he's willing to go to deadly lengths to make it happen.

A Dangerous Liberty

How the very things we create to protect ourselves, like money market funds or anti-lock brakes, end up being the biggest threats to our safety and wellbeing. We have learned a staggering amount about human nature and disaster -- yet we keep having car crashes, floods, and financial crises. Partly this is because the success we have at making life safer enables us to take bigger risks. As our cities, transport systems, and financial markets become more interconnected and complex, so does the potential for catastrophe. How do we stay safe? Should we? What if our attempts are exposing us even more to the very risks we are avoiding? Would acceptance of danger make us more secure? Is there such a thing as foolproof? In FOOLPROOF, Greg Ip presents a macro theory of human nature and disaster that explains how we can keep ourselves safe in our increasingly dangerous world.

Iron and Steel Engineer

"The Dangerous Lover takes seriously the ubiquity of the brooding romantic hero - his dark past, his remorseful and rebellious exile from comfortable everyday living. Deborah Lutz traces the recent history of this figure, through the melancholy iconoclasm of the Romantics, the lost soul redeemed by love of the Brontes, and the tormented individualism of twentieth-century love narratives. The Dangerous Lover is the first book-length study of this pervasive literary hero; it also challenges the tendency of sophisticated philosophical readings of popular narratives and culture to focus on male-coded genres. In its conjunction of high and low literary forms, this volume explores new historical and cultural framings for female-coded popular narratives."--BOOK JACKET.
