humor and horror. But even smart women sometimes have a lot to learn—and they will, when B.B.'s ex-husband moves in next door to Margo Includes a New Introduction by the Author

Wind Warrior

The sexy, action-packed first book in the #1 New York Times bestselling Court of Thorns and Roses series from Sarah J. Maas. When nineteen-year-old huntress Feyre kills a wolf in the woods, a terrifying creature arrives to demand retribution. Dragged to a treacherous magical land she knows about only from legends, Feyre discovers that her captor is not truly a beast, but one of the lethal, immortal faeries who once ruled her world. At least, he's not a beast all the time. As she adapts to her new home, her feelings for the faerie, Tamlin, transform from icy hostility into a fiery passion that burns through every lie she's been told about the beautiful, dangerous world of the Fae. But something is not right in the faerie lands. An ancient, wicked shadow is growing, and Feyre must find a way to stop it, or doom Tamlin-and his world-forever. From bestselling author Sarah J. Maas comes a seductive, breathtaking book that blends romance, adventure, and faerie lore into an unforgettable read.

A Dragons Legend

Facility 67096. It shapes our thoughts. Shapes our world. Manipulates us. And it seeks one thing: the destruction of everything we hold dear. Marks and Lip, one a former Marine, the other a cyber specialist for the NSA, are our answer to Facility 67096. What is Facility 67096? It controls the Web. Has controlled it ever since the beginning. We think we know the enemy, but we don't even know ourselves. Facility 67096 has done this to us. It has fooled the world. Preyed on our blind spot. It has been right in front of us all this time and we never saw it. Until now. INSIDER X is the latest thrill ride from Dave Buschi, author of THE BACK DOOR MAN and PROPORTIONATE RESPONSE. May your eyes be opened.

The Book of Common Prayer, and Administration of the Sacraments, Together with the Psalter

A powerful U.S. Senator's son is murdered in a particularly heinous way, strongly hinting at a revenge killing. Sheriff Zeb Hanks and San Carlos Apache Police have a long list of suspects who might have wanted to get even with the victim.

The God Warriors

Winston's biggest fear had always been the school bully. Turns out, waking up to being a half-alien freak was worse. Why? Oh, maybe the bruises that glow neon blue. Or the even higher odds of being rejected by his dream girl. Or, best of all, the sudden attention from gun-toting goons in dark suits. Winston's mom thinks some junk left by Winston's long-missing father in a safe deposit box might make things better. Not likely. It's going to take more than alien artifacts and a plastic baggie of clues to stop a mysterious government organization. It might take Winston giving up everything he's ever wanted. And everyone. Armed only with his wits, his snarky best friend, and a few wicked new abilities, Winston has to stay one step ahead of a lunatic and dive into the past. Otherwise, there won't be a future. Winston Chase and the Alpha Machine is book 1 in a completed trilogy packed with electrifying fun and adventure. Early reviewers rave: "What a great book! The pace is exciting and made me want to keep reading to find out what would happen next." "Mr. St. John did a marvelous job creating characters that come to life. His wit and clever modern references will make you laugh out loud while sitting on the edge of our seat. I have started reading this to my class, and they are hooked." "It was very inventive. A big secret, many perils, foes, and unlikely heroes [all] sparking the imagination." "Such a unique story. I have come

late in life to the science fiction genre, but probably because there was not a fabulous book like this, where I could relate to the characters, when I was young." "This book wasn't anything that I thought it would be, it was better."

Warrior's Woman

In a world of science, magic is an abomination. Magic is an abomination. It spread from the Rift, a great chasm hundreds of miles long that nearly split the southern continent in two. The Rift was a portal, a gateway between their world of science and the mythological world of magic. On the northern continent of Ocker, King Godwin declared that no magical monstrosity would be allowed within their borders. The Royal Inquisitors were formed to investigate reports of mystical occurrences and, should they be found, to destroy them. Inquisitor Simon Whitlock knows his responsibilities all too well. Along with the apothecary, Luthor Strong, they've spent two years inquiring into such reports of magical abominations, though they've discovered far more charlatans than true magical creatures. When assigned to investigate Haversham and its reports of werewolves, Simon remains unconvinced that the rumors are true. What he discovers in the frozen little hamlet is that the werewolves are far more real than he believed; yet they're hardly the most dangerous monster in the city.

Xander Sirocco now has the power of the Wind Elemental at his disposal, but it may be too little too late. The Fire Caste has begun its conquest of the planet, and many of the largest cities already burn. Xander, Sean, and Jessica know what needs to be done—they must find the Water and Earth Elementals to have any chance of defeating the Fire Elemental. The first to be located is the Water Elemental. With her power, they could at least slow the advance of the Fire Warriors. If she would only believe in their mission as much as they do... While Xander struggles to convince the Water Elemental that their mission is just, Sammy fights an unexpected battle of her own. With her body now possessed by the Fire Elemental, she's little more than an observer as it uses her to destroy Los Angeles. Sammy can still exert her will on occasion, but it's exhausting. With over five million copies of her novels in print, New York Times bestselling author Virginia Henley has enchanted readers worldwide. Now she sweeps us back to an intensely romantic, tumultuous time in Scottish history. . . . When Lynx de Warenne, Edward Plantagenet's most prized warrior, invaded Dumfries castle, he took possession of Jane Leslie's home—and soon wanted something more from the headstrong lass. Desperate for an heir, he proposed a handfasting: a Scottish custom whereby a man can lawfully take a woman into his bed, then, after a year and a day, the couple can either wed or part. Any child of that union is deemed legitimate. Jane had no choice but to surrender to the invader's knowing touch. . . .

Fearless on the battlefield, Lynx was afraid to love. But Jane slowly stole into his heart. And as the fires of war raged around them, amid treacherous foes and brilliant intrigues, who would have thought that two such unlikely partners would fall in love—or that their breathless passion for each other would outlast . . .

Handbook to Life in the Medieval World, 3-Volume Set

In the days of Richard The Lion Heart, Gwendolyn was born. Conceived within the Druid mists, at the Pool of Pendragon and as prophesied by a Druid Priestess, she grew into womanhood, and became the most powerful knight the world had ever seen. When Miles Delong, Earl of Radstock and military adviser to King Richard first saw her, he was lost to her beauty and might. He taught her the art of war, but it was Gwendolyn, who taught Sir Miles the art of love. Together, Gwendolyn and Myles fought their enemies both at home and in the Holy Land. But it was not until Sir Miles was treacherously given over to Saladin, the King of the Moors, that Gwendolyn left England's Druid Groves and went to the Holy Land, not as Gwendolyn Delong, wife of the Earl of Radstock, but as Sir Eldwin of Radstock, where she led the fight through the bloody Crusades and into to the very Court of Saladin, that the Queen of Knights became a legend.

Between the alien Alliance and the Terran Empire, a neutral zone stretches between the galaxies, a demilitarized zone that was established 150 years previous, following the Great War. The peace accord granted a semblance of peace to the universe. The peace, however, is a facade, and it is the responsibility of Michael Vance and his covert operations team to maintain that illusion. Recently, the Alliance lost contact with one of their outposts near the neutral zone. Surveillance scans show an abandoned city and no signs of life. The Alliance does what it always does: send in the best. But an unexpected betrayal leaves Vance and his team stranded. Worse, the city that was supposed to be dead is quite alive. And the monsters that now roam its streets are slaughtering his team, one at a time.

Aeneid

The medieval Scandinavian ballads in this collection tell stories of champions and fighters, vikings, and trolls, drawing on Norse mythology and heroic legend. There are riddles, and there are appearances from Thor, Loki, Sigurd, and other figures from the myths of the Edda and from history. Narrative ballads were part of an oral folk music tradition in Scandinavia, and were first written down around 1600, although the ballads themselves are older. These new English verse translations are mainly based on Swedish tradition. The hero Widrik Waylandsson comes face to face with a troll in the forest. Thor resorts to cross-dressing in a bid to recover his stolen hammer. The daughter of a King of Sweden is abducted from a convent in the Swedish countryside. A young fighter has to show off his prowess in skiing and shooting for King Harald Hardrada. And more

The first in an epic new fantasy series, introducing an unforgettable new heroine and a stunningly original dystopian steampunk world with a flavor of feudal Japan. **A DYING LAND** The Shima Imperium verges on the brink of environmental collapse; an island nation once rich in tradition and myth, now decimated by clockwork industrialization and the machine-worshippers of the Lotus Guild. The skies are red as blood, the land is choked with toxic pollution, and the great spirit animals that once roamed its wilds have departed forever. **AN IMPOSSIBLE QUEST** The hunters of Shima's imperial court are charged by their Shogun to capture a thunder tiger – a legendary creature, half-eagle, half-tiger. But any fool knows the beasts have been extinct for more than a century, and the price of failing the Shogun is death. **A HIDDEN GIFT** Yukiko is a child of the Fox clan, possessed of a talent that if discovered, would see her executed by the Lotus Guild. Accompanying her father on the Shogun's hunt, she finds herself stranded: a young woman alone in Shima's last wilderness, with only a furious, crippled thunder tiger for company. Even though she can hear his thoughts, even though she saved his life, all she knows for certain is he'd rather see her dead than help her. But together, the pair will form an indomitable friendship, and rise to challenge the might of an empire.

INCLUDED ARE PRAYERS BY: Dr. Mark I. Bubeck, Dr. Neil T. Anderson, Brother Andrew, Nancy Leigh Demoss, Dr. Fred C. Dickason, Rev. Paul Estabrooks, Dr. Erwin W. Lutzer, Stormie Omartian, Dr. Ray Pritchard, Dr. Marcus Warner, and others. Newly updated to include an "Introduction to Spiritual Warfare" by Dr. Marcus Warner. The Bible is clear — from the moment we draw our first breath, WE ARE AT WAR. Satan hates us and wants to destroy us — because the Lord loves us. A supernatural battle is waging all around us and if you are not a warrior, you will be a casualty. Christians must face this battle head-on by learning to put on the full armor of God every day. If we are not equipped properly, we will wonder why we live such defeated lives. Satan is alive and well and "prowling around like a lion seeking whom he can devour." We must use the weapons that God has provided

for us to do battle for ourselves and for those that we love. A Warrior's Prayerbook is a clear and concise resource designed to help you put on the full armor of God. This book is filled with doctrinally sound prayers, written by great men and women of faith, past and present, that will help you be a fearsome prayer warrior in your spiritual battle. ENDORSEMENTS A Warrior's Prayerbook will be a great help to many and a service to the Body of Christ. Many will have never seen anything like these prayers. They should not only be a help to those who use them but also a wake-up call and challenge to many who never thought of warfare and practical praying against evil. Kathryn has done a great work in compiling, organizing, presenting, and publishing this book. Good art work. Great need. Great taste. DR. C. FRED DICKASON Author and Fmr. Systematic Theology Chair - Moody Bible Institute, Chicago "The Christian life is not a playground; it is a battleground." Warren Wiersbe We're in a battle every day. If we take seriously Paul's call to "Put on the whole armor of God" (Ephesians 6:11), then we know that we need to pray. But how should we pray when we go into battle? My friend Kathryn McBride has helped us hugely by compiling A Warrior's Prayerbook for Spiritual Warfare. The first part of the book contains prayers from esteemed Christian leaders like Erwin Lutzer, Mark Bubeck, Fred Dickason, and Brother Andrew, arranged in categories such as "Affirm," "Resist," "Renounce," and "Prayers for Others." The book also includes the full text of many Scriptures on spiritual warfare along with very helpful quotes from noted Christian leaders. This is the most comprehensive guide to spiritual warfare praying that I have seen. We need a book like this so that when

World Historical Fiction

Eleanor McLelland is the daughter of a legend among wolves--and the carrier of a curse that gives her the power to rip the world apart. For seventeen years, she's suppressed her magic and her wolf shifter abilities in an attempt to keep that curse under control, trading fangs and fire for manmade weapons instead. But you can only keep a wolf caged for so long. When it accidentally escapes, Elle finds herself on the run from enemies hell-bent on using her dangerous magic to break down the barrier that protects Earth from the creatures of parallel worlds. Determined to prove herself a savior instead of a destroyer, she sets off on a quest to find a way to make the walls between those worlds permanent. Her greatest potential ally is a sorcerer who's an even bigger outcast than she is. One as beautiful and as deadly as any sword in Elle's extensive collection of them. But can she really trust him to help her save the world? Or are they destined to tear it apart?
