Fighting Joe Hooker

The Great Medicine Road, Part 1

California Arts & Architecture

Travel

While on assignment at gloomy Occles Hall, which is under the charge of the autocratic Lady Valeria, Daisy Dalrymple discovers the body of a missing parlor maid buried in the garden and must unearth a killer before she meets the same fate. Reprint.

California Business

This extraordinarily comprehensive, well-documented, biographical dictionary of some 1,500 photographers (and workers engaged in photographically related pursuits) active in western North America before 1865 is enriched by some 250 illustrations. Far from being simply a reference tool, the book provides a rich trove of fascinating narratives that cover both the professional and personal lives of a colorful cast of characters.

The Winter Garden Mystery

Do you remember your mother telling you when you

were little that you'd never meet Mr. Right if you were spending all your time and energy with Mr. Wrong? And what about the book out a few years ago that created such a hoopla with the single crowd - He's Just Not That Into You? The two main characters in Winter Interlude either didn't heed their mother's advice or haven't read the book. Now, add into the plot that the two in question are enemies who regularly run into each other, given their current relationships. Paul Morrison, a hunky, blond, financial planner, has been putting time and energy into winning the heart of Kate Winter's best friend for almost as long as Kate, a strong willed antiques dealer, has been dating James Morrison, Paul's brother. The sparks start to fly when the two get stuck together for a three-hour drive to the mountains and years of misconceptions about each other are slowly being wiped out. It is in the confines of the BMW that the two begin their journey, taking them from being mortal enemies to lovers. Winter Interlude tells the story of their adventure - of how they finally find love. Kate and Paul's story is the first one in a series of four friends caught in a time warp. They can't move on because they are stuck on their idea of their perfect dreams. But sometimes life works in mysterious ways and they are all forced by circumstances to change. Meet Odd Thomas, the unassuming young hero of Dean Koontz's dazzling New York Times bestseller, a gallant sentinel at the crossroads of life and death who offers up his heart in these pages and will forever capture yours. "The dead don't talk. I don't know why." But they do try to communicate, with a short-order cook in a small desert town serving as their reluctant confidant. Sometimes the silent souls who seek out Odd want justice. Occasionally their otherworldly tips help him prevent a crime. But this time it's different. A stranger comes to Pico Mundo, accompanied by a horde of hyena-like shades who herald an imminent catastrophe. Aided by his soul mate, Stormy Llewellyn, and an unlikely community of allies that includes the King of Rock 'n' Roll, Odd will race against time to thwart the gathering evil. His account of these shattering hours, in which past and present, fate and destiny, converge, is a testament by which to live—an unforgettable fable for our time destined to rank among Dean Koontz's most enduring works.

Pioneer Photographers of the Far West

Biological & Agricultural Index

Between 1841 and 1866, more than 500,000 people followed trails to Oregon, California, and the Salt Lake Valley in one of the greatest mass migrations in American history. This collection of travelers' accounts of their journeys in the 1840s, the first volume in a new series of trail narratives, comprises

excerpts from pioneer and missionary letters, diaries, journals, and memoirs—many previously unpublished—accompanied by biographical information and historical background. Beginning with Father Pierre-Jean de Smet’s letters relating his encounters with Plains Indians, and ending with an account of a Mormon gold miner’s journey from California to Salt Lake City, these narratives tell varied and vivid stories. Some travelers fled hard times: religious persecution, the collapse of the agricultural economy, illness, or unpredictable weather. Others looked ahead, attracted by California gold, the verdant Willamette Valley of Oregon, or the prospect of converting Native people to Christianity. Although many welcomed the adventure and adjusted to the rigors of trail life, others complained in their accounts of difficulty adapting. Remembrances of the Oregon, California, and Mormon Trails have yielded some of the most iconic images in American history. This and forthcoming volumes in The Great Medicine Road series present the pioneer spirit of the original overlanders supported by the rich scholarship of the past century and a half.

Wildlife Art News

A compilation of data on California rock art, organized in two volumes, within one cover. Volume I expands on the effort first undertaken in 1988 by the California State Office of Historic Preservation to create a comprehensive database of rock art sites in California. The late Bill Sonin (d.1993) provides expanded annotations, adds overlooked sites, and corrects misdesignations. Of particular value is his cross-referencing of site data to the rock art literature. This information appears appended to each site description and is also fully annotated in the bibliography, which is presented as Volume II. The publisher's address is 405 Hilgard Ave., Los Angeles, CA 90024-1510. Annotation copyright by Book News, Inc., Portland, OR

Monthly Bulletin

Books in Print 1993-94

Biologist and fire ecologist Richard W. Halsey, with contributions from many other experts, weaves together the crucial elements of fire behavior, land management, and knowledge of the natural environment. Includes a 48-page full-color field guide to common chaparral plants.

California Safety News

“I have placed you at the head of the Army of the Potomac. Of course I have done this upon what appear to me to be sufficient reasons. And yet I think it best for you to know that there are some things in regard to which, I am not quite satisfied with you.” With this opening sentence in a two-page letter from Abraham Lincoln, Union general Joseph Hooker (1814–79) gained a prominent place in Civil War history. Hooker assumed command of an army demoralized by defeat and diminished by desertion. Acting swiftly, the general reorganized his army, routed corruption among quartermasters, improved food and sanitation, and boosted morale by granting furloughs and amnesties. His hour of fame and the test of his military skill came in the May 1863 battle of Chancellorsville. It was one of the Union Army’s worst defeats; shortly thereafter Hooker’s resignation was accepted. This definitive biography of a man who could lead so brilliantly and yet fall so ignominiously
