### Reading for Meaning: KI Getting ready to read

Jossey-Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts (ELA) curriculum and professional development resources for grades 6–12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher

Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6–12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes: Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

### **The Fairy-Tale Detectives (The Sisters Grimm #1)**

How can teachers make sure that all students gain the reading skills they need to be successful in school and in life? In this book, Karen Tankersley describes the six foundational "threads" that students need to study in order to become effective readers: phonemic awareness, phonics and decoding, vocabulary, fluency, comprehension, and higher-order processing. For each area, the author explains how students acquire the reading skills they need and offers a series of skill-building strategies and activities that teachers can use in the classroom. Although reading is perhaps most intensely taught in the kindergarten and 1st-grade classrooms, Tankersley emphasizes that helping students become lifelong readers is a task for all teachers, including content-area teachers in middle and high schools. The Threads of Reading addresses key questions about literacy, such as \* What makes a difference in reading achievement? \* How much reading time is enough? \* How can teachers use writing to build reading skills? \* How can teachers help students make meaning from their reading? The strategies in this book address many situations, from individual instruction to small- or large-group instruction, from kindergarten to high school. Teachers will appreciate the multitude of activities provided, and administrators will learn to better evaluate the reading programs in place in their districts and schools. Grounded in both research and "teacher lore" from actual classrooms, this book is a solid guide to helping students become lifelong readers. Note: This product listing is for the Adobe Acrobat (PDF) version of the book.

This is part of a six-level English course (foundation-level to level five) for pupils between five and 12-years-old. The course employs a twin-track structure that enables teachers to underpin students' language development with a rigorous skills programme. There are two pupil's books at each level: a skills book, covering comprehension (with emphasis on literal), grammar, punctuation, vocabulary and spelling; and a development book, covering comprehension (with emphasis on inferential), the craft of quality writing, forms of writing, styles of writing and composition skills. Each level also has a teacher's resource book which supports both tracks, includes photocopiable activity sheets and correlations for all UK curricula, suggests strategies for developing listening and speaking skills, and helps support record-keeping and assessment.

Building Vocabulary from Word Roots provides a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Over 90% of English words of two or more syllables are of Greek or Latin origin. Instead of learning words and definitions in isolation, students learn key roots and strategies for deciphering words and their meanings across all content areas. Building Vocabulary from Word Roots: Level 11 kit includes: Teacher's Guide; Student Guided Practice Book (Each kit includes a single copy; additional copies may be ordered in quantities of 10 or more); Assessments to support data-driven instruction; and Digital resources including modeled lessons, 50 bonus activities, and more.

While most children learn to read fairly well, there remain many young Americans whose futures are imperiled because they do not read well enough to meet the demands of our competitive, technology-driven society. This book explores the problem within the context of social, historical, cultural, and biological factors. Recommendations address the identification of groups of children at risk, effective instruction for the preschool and early grades, effective approaches to dialects and bilingualism, the importance of these findings for the professional development of teachers, and gaps that remain in our understanding of how children learn to read. Implications for parents, teachers, schools, communities, the media, and government at all levels are discussed. The book examines the epidemiology of reading problems and introduces the concepts used by experts in the field. In a clear and readable narrative, word identification, comprehension, and other processes in normal reading development are discussed. Against the background of normal progress, Preventing Reading Difficulties in Young Children examines factors that put children at risk of poor reading. It explores in detail how literacy can be fostered from birth through kindergarten and the primary grades, including evaluation of philosophies, systems, and materials commonly used to teach reading.

### **The Reading Essentials Series**

Fans of fractured fairy tales will be delighted to discover the fantasy, mystery, adventure, and humor in the beloved New York Times bestselling Sisters Grimm series by Michael Buckley, now with new cover art. As featured on NBC's The Today Show, the nine wildly popular books are favorites around the world. They were among the first books to bring a distinctly

girl-power spin to fairy tales—a spin taken up by hit movies and shows TV such as *Once Upon a Time*, *Grimm*, and *Maleficent*, the bestselling book series *The Land of Stories*, and other. New covers will appear on book one, *The Sisters Grimm: The Fairy-Tale Detectives*; book two, *The Sisters Grimm: The Unusual Suspects*; and book three, *The Sisters Grimm: The Problem Child*. Books four through nine will be available in revised editions soon. ? In this first book in the series, orphaned sisters Sabrina and Daphne are sent to live with their recently discovered grandmother, Relda Grimm. The girls learn that they are descendants of the Brothers Grimm, whose famous tome of fairy tales is actually a history book. The girls are pitted against a giant, who has been rampaging through town. But who set the giant loose in the first place? Was it Mayor Charming (formerly Prince Charming), who has plans to get his kingdom back? The Three Not-So-Little Pigs, now working as police officers? Or a giant-killer named Jack, currently working at a Big & Tall store? With an irresistible combination of adventure and imagination, the *Sisters Grimm* series injects classic fairy tales with modern day sensibilities and suspense, creating a fantastical combination readers of all ages will love. “Kids will love Sabrina and Daphne’s adventures as much as I did.” —Sarah Michelle Gellar, star of *Buffy the Vampire Slayer* and *I Know What You Did Last Summer* “Adventure, laughs, and surprises kept me eagerly turning the pages.” —R. L. Stine, author of the *Goosebumps* series “Why didn’t I think of *The Sisters Grimm*? What a great concept!” —Jane Yolen, award-winning author “Terrific, head-spinning series . . . Rich in well-set-up surprises and imaginatively tweaked characters, this tongue-in-cheek frolic features both a pair of memorable young sleuths and a madcap plot with plenty of leads into future episodes.” —Kirkus Reviews, starred review “Enormously entertaining, the book takes the fractured fairy-tale genre to new heights.” —Time Out New York Kids “An idea that will make other children’s book writers, and tons of aspiring ones, kick themselves for not thinking of it first.” —The San Antonio Express-News “A page-turner that incorporates humor, tension, suspense and a wild cast of characters, readers will have trouble putting this novel down.” —The Dallas Morning News “Quirky and reasonable characters, engaging writing, fresh fairy tale references, and a very real fantasy setting.” —The Raleigh News and Observer, “Most Promising New Series” “The twists and turns of the plot, the clever humor, and the behind-the-scenes glimpses of *Everafters* we think we know, will appeal to many readers.” —Kliatt, starred review
