Write Like the Masters

Each year, thousands of pilgrims visit the celebrated New Orleans tomb where Marie Laveau is said to lie. They seek her favors or fear her lingering influence. *Voodoo Queen: The Spirited Lives of Marie Laveau* is the first study of the Laveaus, mother and daughter of the same name. Both were legendary leaders of religious and spiritual traditions many still label as evil. The Laveaus were free women of color and prominent French-speaking Catholic Creoles. From the 1820s until the 1880s when one died and the other disappeared, gossip, fear, and fierce affection swirled about them. From the heart of the French Quarter, in dance, drumming, song, and spirit possession, they ruled the imagination of New Orleans. How did the two Maries apply their "magical" powers and uncommon business sense to shift the course of love, luck, and the law? The women understood the real crime--they had pitted their spiritual forces against the slave system of the United States. Moses-like, they led their people out of bondage and offered protection and freedom to the community of color, rich white women, enslaved families, and men condemned to hang. The curse of the Laveau family, however, followed them. Both loved men they could never marry. Both faced down the press and police who stalked them. Both countered the relentless gossip of curses, evil spirits, murders, and infant sacrifice with acts of benevolence. The book is also a detective story--who is really buried in the famous tomb in the oldest "city of the dead" in New Orleans? What scandals did the Laveau family intend to keep buried there forever? By what sleight of hand did free people of color lose their cultural identity when Americans purchased Louisiana and imposed racial apartheid upon Creole creativity? *Voodoo Queen* brings the improbable testimonies of saints, spirits, and never-before-printed eyewitness accounts of ceremonies and magical crafts together to illuminate the lives of the two Marie Laveaus, leaders of a major, indigenous American religion.

Wolves of the Beyond #3: Watch Wolf

Until Expectations May You Part Giddy with excitement and burning with love's fire, engaged couples are filled with desires and expectations! Wonder and eager anticipation propel them forward. Then comes the marriage and if they take the wrong approach, those unrealized expectations and unmet wants can turn a life-giving covenant relationship into a dead-end contractual agreement. Suddenly your marriage has no love, joy, or peace. In this marriage-makeover DVD and study guide from Northpoint Resources, Andy Stanley 's three key teachings help you transform your expectations and examine the "I's" of marriage: "Keeping My 'I' On You," "Putting Your 'I' Out," and "It Takes Three." Broken into six DVD sessions with discussion questions, this is one lesson your marriage won't survive without. Until Expectations Do Us Part Standing at the altar we all had a picture of what our marriage would look like. The problem is this picture of marriage ends up as expectations that we unload on our spouse. The weight of these expectations will rob your marriage of love and joy. As a spouse you never feel like you measure up and you never feel like you are good enough. So what are you to do with your expectations? You can't deny them because most expectations started out as God-given desires. In this six-session companion study guide to the DVD, Andy Stanley explains that you must instead learn to transform your expectations and look to God if you are to experience marriage as it was designed. This study guide is complete with a leader's guide and six lessons including conversation-starting exercises, discussion questions and application steps. Story Behind the Book Andy Stanley is the senior pastor of three North Point Ministries campuses, with a cumulative congregation of more than twenty thousand. As couples voiced their various marital struggles to him, the common root problem became undeniably clear. The "me" syndrome, or the "I" effect, was tearing apart husbands and wives who were once head-over-heels in love. To help couples step back from their immediate circumstances and realize the bigger picture, he preached a series called "iMarriage." This DVD and study guide will empower couples everywhere to transform their marriages into the one God intends for them.

40 Questions about Interpreting the Bible

Here is a dazzling collection from Joan Acocella, one of our most admired cultural critics: thirty-one essays that consider the life and work of some of the most influential artists of our time (and two saints: Joan of Arc and Mary Magdalene). Acocella writes about Primo Levi, Holocaust survivor and chemist, who wrote the classic memoir, *Survival in Auschwitz*; M.F.K. Fisher who, numb with grief over her husband's suicide, dictated the witty and classic *How to Cook a Wolf*; and many other subjects, including Dorothy Parker, Mikhail Baryshnikov, and Saul Bellow. *Twenty-Eight Artists and Two Saints* is

indispensable reading on the making of art—and the courage, perseverance, and, sometimes, dumb luck that it requires.

First Thrills

For two years, Sidney Miller ran from life, working one menial job after another to keep herself so busy she would never have to think or feel—or remember the tragedies she’s faced. Her careful plans are abruptly changed when she meets Gavin at the temporary job she’s taken to keep herself busy through the holidays. Gavin Rogers is only in San Francisco to help his brother’s struggling law firm. With no time—or desire—for relationships, his world is turned upside down when he finds something in his heart for a woman he’s sure he could never be interested in. Recommended for adults only. Steamy scenes and coarse language. This is the first part of three-part series and ENDS WITH A CLIFFHANGER.

Enchanted Chocolate Pot

A #1 Indie Next Pick and LibraryReads Selection Magic, adventure, mystery, and romance combine in this epic debut in which a young princess must reclaim her dead mother’s throne, learn to be a ruler—and defeat the Red Queen, a powerful and malevolent sorceress determined to destroy her. On her nineteenth birthday, Princess Kelsea Raleigh Glynn, raised in exile, sets out on a perilous journey back to the castle of her birth to ascend her rightful throne. Plain and serious, a girl who loves books and learning, Kelsea bears little resemblance to her mother, the vain and frivolous Queen Elyssa. But though she may be inexperienced and sheltered, Kelsea is not defenseless: Around her neck hangs the Tearling sapphire, a jewel of immense magical power; and accompanying her is the Queen’s Guard, a cadre of brave knights led by the enigmatic and dedicated Lazarus. Kelsea will need them all to survive a cabal of enemies who will use every weapon—from crimson-caped assassins to the darkest blood magic—to prevent her from wearing the crown. Despite her royal blood, Kelsea feels like nothing so much as an insecure girl, a child called upon to lead a people and a kingdom about which she knows almost nothing. But what she discovers in the capital will change everything, confronting her with horrors she never imagined. An act of singular daring will throw Kelsea’s kingdom into tumult, unleashing the vengeance of the tyrannical ruler of neighboring Mortmesne: the Red Queen, a sorceress possessed of the darkest magic. Now Kelsea will begin to discover whom among the servants, aristocracy, and her own guard she can trust. But the quest to save her kingdom and meet her destiny has only just begun—a wondrous journey of self-discovery and a trial by fire that will make her a legend . . . if she can survive. This book will be a beautifully designed package with illustrated endpapers, a map of the Tearling, and a ribbon marker.

The Queen of the Tearling

Written by leading orthopaedists and rehabilitation specialists, this volume presents sequential treatment and rehabilitation

plans for fractures of the upper extremity, lower extremity, and spine. The book shows how to treat each fracture--from both an orthopaedic and a rehabilitation standpoint--at each stage of healing. Each chapter on an individual fracture is organized by weekly postfracture time zones. For each time zone, the text discusses bone healing, physical examination, dangers, x-rays, weight bearing, range of motion, strength, functional activities, and gait/ambulation. Specific treatment strategies and rehabilitation protocols are then presented. More than 500 illustrations complement the text.

Watch Wolf

Because sometimes you have to fight fire with hellfire, there's Caine Deathwalker: raised as a demon, armed like a gun merchant, and fuelled by booze. Nice is a dirty word and killing is what he does best. Make a contract with hell, and he could be on your side, God help you. Caine signs onto guarding the beautiful daughter of a leading Japanese industrialist. Protecting is harder than indiscriminate murder and mayhem, but gold is gold, and the prize of a mystic demon sword is dangled over his head as added incentive. Haruka will make an interesting bonus if he can get her out of her kimono—and the damn living zombies will leave them alone long enough for him to bang her. A powerful succubus is playing cat to Caine's mouse, but he has a cat of his own; a black leopard spirit beast from the Amazon jungle that's taken a liking to him—and his booze. And then there's his “father”, an ancient Atlantean demon with a code of honor. Formidable back-up, but Caine senses a greater threat lurking in the shadows, something primal, hungry, and possibly more evil than himself. He shakes his head. Nah, couldn't be. This book is intended for mature audiences.

Guardrails Participant's Guide

The first in *The Wolf Chronicles* trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, *Promise of the Wolves* is a historical adventure story in the tradition of *Clan of the Cave Bear* and *Watership Down*. Set 14,000 years ago in what is now Southern Europe, *Promise of the Wolves* is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.

The Woman Lit by Fireflies

In 1944, long before he wrote such classic novels as *I Am Legend* and *What Dreams May Come*, author Richard Matheson served as an eighteen-year-old replacement in the 87th Division during the latter part of the war in Europe. His tour of duty there inspired this acclaimed novel about a group of equally young and inexperienced soldiers thrown into the fury of combat. The Beardless Warriors are a squad of teenage U.S. infantrymen fighting their way across Germany during the final weeks of the war. Under fire and in over their heads, the fresh-faced young men must grow up fast if they ever hope to see home again. Everett Hackermeyer is the latest soldier to join the squad, "Hack," a troubled youth from a hellish family background, faces a new kind of inferno on the front lines, only to discover hidden reserves he never knew he possessed. Ironically, he doesn't come to value his own life until he runs the very real chance of losing it. The Power of Decision

"Charmingly wry yet evocative, with details and descriptions both telling and vivid." —Boston Globe "This hopeful, comforting novel is a testament to the power of taking chances and starting fresh and a reminder that life can bring joy after sorrow." — Miami Herald From the author of *Snow in July* comes *The Lace Makers of Glenmara*: a "charming, moving story, written with a delicate touch" (Joanne Harris), as a struggling young fashion designer journeys to Ireland to mend a broken heart, and helps a group of local lace makers change their lives—and her own. Fans of the strong feminine voices of contemporary Irish literature such as Maeve Binchy (*Nights of Rain and Stars*, *Tara Road*) and Cecilia Ahern (*P.S. I Love You*, *Where Rainbows End*) will fall in love with *The Lace Makers of Glenmara*.

Starting Point Guide (Spanish)

A New Generation Church is a church with attendees whose average age is at least as young as the average age of the community in which the church exists. Any church can become a New Generation Church that reaches and continues to reach the next generation. The Psalmist writes: We will not hide these truths from our children; we will tell the next generation about the glorious deeds of the Lord, about his power and his mighty wonders. (Psalm 78:4 NLT) No Christian would purposely hide the timeless truths of Christianity from the next generation. But often we do, not because of the substance of our church, but because of the approach of our church. For A New Generation is not about changing your church's statement of faith or core beliefs. It is about evaluating and changing, as needed, your church's programs, ministries and practices in order to more effectively connect with and stay connected with the next generation. Written for both church leaders and members, For a New Generation presents 5 practical strategies that will lay a foundation for a church to thrive for generations to come. It is based on the assumption that accepting the status quo is the greatest threat to your church's core mission and, perhaps, to the long-term survival of your church.

The stories in this collection provide parents of special needs kids with a dose of both laughter and reality. Featuring works

by so-called alternative parents who have attempted to move away from mainstream thought, this anthology carefully considers the implications of raising children with disabilities. From professional writers to novice storytellers, including original essays by Robert Rummel-Hudson, Ayun Halliday, and Kerry Cohen, this assortment of authentic, shared experiences from parents in the know is a partial antidote to the stories that misrepresent, ridicule, and objectify disabled children and their parents.

Using budgets from all levels of government as well as from nonprofit organizations, the authors give students the opportunity to work with real budgeting data to cover a range of topics and skills. Budget Tools provides instruction in the techniques and implementation of budgeting skills at a granular level to support a wide range of approaches to teaching the subject.

Promise of the Wolves

Three novellas by the author of Legends of the Fall. “A brilliant tour de force . . . Jim Harrison at his peak: comic, erotic, and insightful” (San Francisco Chronicle). Across the odd contours of the American landscape, people are searching for the

things that aren't irretrievably lost, for the incandescent beneath the ordinary. An ex-Bible student with raucously asocial tendencies rescues the preserved body of an Indian chief from the frigid depths of Lake Superior in a caper that nets a wildly unexpected bounty. A band of sixties radicals, now approaching middle age, reunite to free an old comrade from a Mexican jail. A fifty-year-old suburban housewife flees quietly from her abusive businessman husband at a highway rest stop, climbs a fence, and explores the bittersweet pageant of the preceding years within the sanctuary of an Iowa cornfield. *The Woman Lit by Fireflies* is the work of a classic writer at the very top of his form—a hard-living, hard-writing hero of American letters whose novellas comprise a sweeping tribute to the nation's heartland and the colorful, courageous characters who inhabit it. "Funny, wild, sexy, and bizarre . . . Along with Richard Ford . . . Harrison has cornered the market in the tough-but-tender style that characterized Hemingway's early work." —Nick Hornby

All I Want - Part One

In the tradition of High Fidelity and Empire Records, this is the literary soundtrack to Skylark Martin's strange, mysterious, and extraordinary summer. This is the story of a wild girl and a ghost girl; a boy who knew nothing and a boy who thought

he knew everything. It's a story about Skylark Martin, who lives with her father and brother in a vintage record shop and is trying to find her place in the world. It's about ten-year-old Super Agent Gully and his case of a lifetime. And about beautiful, reckless, sharp-as-knives Nancy. It's about tragi-hot Luke, and just-plain-tragic Mia Casey. It's about the dark underbelly of a curious Australian neighborhood. It's about summer, and weirdness, and mystery, and music. And it's about life and death and grief and romance. All the good stuff.

A Chicken in Every Yard

It is easy to feel helpless in the face of the torrent of information about environmental catastrophes taking place all over the world. In *Soil and Soul*, Scottish activist and academic Alastair McIntosh shows how it is still possible for individuals to take on the might of corporate power and emerge victorious. Alastair's beliefs are rooted in his upbringing on the Isle of Lewis. In the first part of his book he explores the ways in which the old way of life in the Hebrides was threatened with extinction by global capitalism; he does not advocate a return to some kind of preindustrial golden age, but balances the gains of modernity against what has been lost - in particular the disintegration of communities governed by a sense of mutual responsibility. The second part of the book demonstrates how Alastair's principles of community empowerment can be successfully put into practice. Working closely with the inhabitants of the Isle of Eigg, Alastair was partly responsible for the first-known case in which Scottish tenants cleared a laird from his own estate. The people of Eigg raised sufficient funds to purchase their island from their landlord, very much against his will, thus galvan
